Contraception And Catholicism What The Church Teaches And Why

David F. Kelly

Contraception And Catholicism What The Church Teaches And Why:

Contraception and Catholicism Angela Franks, 2013 Providing a comprehensive understanding of the Catholic Church's teaching on contraception Angela Franks PhD an experienced pro life speaker and educator explores how to live in accordance with Catholic sexual teaching and equips readers with the knowledge to explain the teaching to others This understanding addresses Church history and the prevailing ideologies of today's mainstream society Sociological data vignettes of real life couples a brief summary of natural family planning NFP and NaPRO Technology and allusions to Theology of the Body are included Catholics and Contraception Leslie Woodcock Tentler, 2004 Catholics and contraception examines the intimate dilemmas of pastoral counseling in matters of sexual conduct Tentler makes clear that uneasy negotiations were always necessary between clerical and lay authority As the Catholic Church found itself isolated in its strictures against contraception and the object of damaging rhetoric in the public debate over legal birth control support of the Church's teachings on contraception became a mark of Catholic identity for better and for worse *Love, Marriage, and the Catholic Conscience* Dietrich Von Hildebrand, 1998 What every Christian needs to know about love marriage and contraception eye opening reasons for you to give these Church teachings a closer look Plus as a special bonus we've included the complete text of Humanae Vitae Pope Paul VI's encyclical letter on contraception

The Contraception Deception: Catholic Teaching on Birth Control Patrick Coffin, 2018-05-01 The Contraception Deception Catholic Teaching on Birth Control by author Patrick Coffin is a comprehensive assessment of the Church's sexual ethic In this expanded revised edition of *Sex Au Naturel What It is and Why It's Good for Your Marriage* Coffin demonstrates how the rejection of Humanae Vitae impacts more than just our national birthrates With relevant insight into the development and reception of Paul VI's landmark 1968 encyclical Coffin explains why Humanae Vitae is more timely than ever In The Contraception Deception you'll learn where exactly the Bible teaches against birth control the differences between contraception and natural family planning hint they're more profound than you think why other reproductive technologies fall short of God's vision for marriage and family and most importantly how to rely on the ever present grace of God rather than your own strength in faithfully following this challenging life giving aspect of Christian discipleship

Why Humanae Vitae Is Still Right Janet Smith, 2018-07-11 Paul VI's genius proved prophetic he had the courage to stand against the majority to defend moral discipline to exercise a brake on the culture to oppose present and future neo Malthusianism Pope Francis Of all the paradoxical fallout from the Pill perhaps the least understood today is this the most unfashionable unwanted and ubiquitously deplored moral teaching on earth is also the most thoroughly vindicated by the accumulation of secular empirical post revolutionary fact The document in question is of course Humanae vitae Mary Eberstadt Author Adam and Eve after the Pill After half a century how has the teaching of Pope Paul VI on marriage and birth control presented in his encyclical Humanae vitae On Human Life held up Very well says philosopher Janet Smith and her colleagues in Why

Humanae Vitae Is Still Right A sequel to Smith's classic *Why Humanae Vitae Was Right* this new volume shows how the ethical, theological, spiritual and sociological case for Paul VI's controversial document remains strong indeed how it's in some ways even stronger today following Pope John Paul II's *Theology of the Body* and in light of the problems caused by the sexual revolution. In addition to essays by Dr. Smith herself, the book features contributions by other renowned experts and scholars such as Mary Eberstadt, author of the best-selling *Adam and Eve after the Pill*; George Weigel; Therese Scarpelli; Corey Michael Waldstein; Christopher West; Obianuju Ekeocha, author of the best-selling *Target Africa*; Maria Fedoryka; Deborah Savage; Derek Doroski; Angela LaFranchi; William Newton; Joseph Atkinson; Michele M. Schumacher; and Peter Colosi. *Why Humanae Vitae Is Still Right* includes the Krakow Document composed under the supervision of Cardinal Karol Wojtyla, later Pope John Paul II, which provided research by moral theologians and other experts that helped to shape *Humanae Vitae* to be a more personalistic document.

My Revision Notes: Edexcel GCSE Religious Studies Religion and Life (Unit 1) and Religion and Society Victor W. Watton, 2014-01-31. Apply Religious Studies terms accurately with the help of definitions and key words on all topics. Improve your skills to tackle specific exam questions such as evaluation questions with self-testing and exam-style questions and answers.

Why the Catholic Church Must Change Margaret Nutting Ralph, 2014-09-04. Why do a third of the people raised Catholic in the United States no longer worship as Catholics? Why has the Catholic Church lost a credible teaching voice for many young people? Does the fault lie entirely with those individuals and with the secular culture? In *Why the Catholic Church Must Change* Margaret Nutting Ralph first affirms that Catholics are called to seek the truth and to follow their well-formed consciences, not simply to submit mind and will to the teachings of the Magisterium. She then argues that the Catholic Church, which has been open to change in the twentieth century, must continue to be open to change in the twenty-first century: change in some of its teachings and in some of its practices. The Catholic Church has changed in the past and is being called to change in the present. Before that change can occur, the Church must enter into respectful dialogue about pertinent issues such as contraception, women's ordination, and homosexuality and present practices. Ralph contends that Catholic culture, not just secular culture, needs a critical examination. *Why the Catholic Church Must Change* engages the reader to enter into a necessary yet reasoned conversation about pertinent issues such as contraception, women's ordination, and homosexuality and present practices surrounding the Catholic Church. Margaret Nutting Ralph critically examines pertinent topics of not just the secular culture but the Catholic culture that affects both families and culture as a whole and presents a model for how to discuss difficult issues in a

respectful and thoughtful manner Ralph successfully discusses the issues surrounding the Catholic Church with awareness that the church is not the whole body of Christ

My Revision Notes: Edexcel GCSE Religious Studies Religion and Life through Christianity (Unit 2) and Religion and Society Victor W. Watton, 2014-01-31 Unlock your full potential with these revision guides which focus on the key content and skills you need to know With My Revision Notes Edexcel GCSE Religious Studies Religion and Life through Christianity Unit 2 and Religion and Society Unit 8 you can Take control of your revision plan and focus on the areas you need to revise with content summaries and commentary from expert author Victor Watton Show you fully understand key topics by using specific examples to add depth to your understanding of the key issues Apply Religious Studies terms accurately with the help of definitions and key words on all topics Improve your skills to tackle specific exam questions such as evaluation questions with self testing and exam style questions and answers

Open Wide the Doors to Christ: Discovering Catholicism Lucas Pollice, 2013-10-01 Open Wide the Doors to Christ is a powerful tool for both teachers and students of the Catholic faith As an excellent resource for RCIA and Adult Faith Formation this insightful book discusses the basics of the Catholic faith and how we can live it fully As the meat and potatoes of Catholicism it is an introduction to the Church's teachings on the Creed the sacraments the moral life prayer and much more with particular focus upon those who are seeking to become Catholic Presented in a way that adults from all walks of life can understand the book challenges readers to dig deeper and to continue to grow in their understanding of Christ and the Catholic Church

Catholic Sexual Morality Robert Fastiggi, 2018-01-04 Many people today believe that the traditional Catholic view of sex is antiquated unrealistic and potentially harmful In *Catholic Sexual Morality* Dr Robert Fastiggi asks whether the permissive sexual attitude of today's culture is really contributing to deeper love better relationships and true happiness for men women children and families He begins with the example of St Augustine who recognized he was a slave to lust and in need of true freedom Fastiggi then examines the foundations for Catholic sexual morality in Scripture reason and human experience The hope is that people will realize that the Catholic Church is not against sex but sees sexual intimacy as something so beautiful and life giving that it requires the stability of marriage for its true and rightful expression *Catholic Sexual Morality* is grounded in the belief that the church's teachings on sex correspond to God's plan for human happiness These teachings are challenging and the church understands how easy it is to fail in sexual matters God's mercy however is more powerful than human weakness and sin This book explains the reasons why the Catholic Church teaches as she does on matters such as pornography masturbation fornication adultery contraception divorce and homosexual acts It presents these teachings in a realistic way with full recognition of the reasons why people reject them The ultimate desire is to help people understand that Catholic sexual morality is not a creation of church leaders but a response to what God has made known to us in Sacred Scripture and the natural law In a world filled with infidelity divorce wounded children and broken hearts the wisdom of traditional Catholic sexual morality deserves a more sympathetic view not just because it is Catholic but because it is true

Catholic Theological Society of America, The Curran, Charles E.,2021 A stellar account of the life and works of the largest professional society of theologians in the world covering its first seventy five years of existence *My Revision Notes: Edexcel GCSE Religious Studies Religion and Life through Roman Catholic Christianity (Unit 3) and Religion and Society (Unit 8)* Victor W. Watton,2014-01-31 Unlock your full potential with these revision guides which focus on the key content and skills you need to know With My Revision Notes Edexcel GCSE Religious Studies Religion and Life through Catholic Christianity Unit 3 and Religion and Society Unit 8 you can Take control of your revision plan and focus on the areas you need to revise with content summaries and commentary from expert author Victor W Watton Show you fully understand key topics by using specific examples to add depth to your understanding of the key issues Apply Religious Studies terms accurately with the help of definitions and key words on all topics Improve your skills to tackle specific exam questions such as evaluation questions with self testing and exam style questions and answers **Abortion and Catholicism in Britain** Sarah-Jane Page,Pam Lowe,2024-04-20 This book details how British Catholic communities view abortion highlighting the diversity of positions which often contrast with the official line of Catholic Church doctrine The authors extensive qualitative investigation involving various Catholic constituents demonstrates the complex ways attitudes are formed Based on interviews with priests Catholic parishioners anti abortion activists and Catholics living in close proximity to activism this book takes a lived religion approach to argue that attitudes and approaches to abortion are nuanced and contextual with the Catholic concept of individual conscience playing a fundamental role in navigating abortion issues Ultimately this investigation helps to explore in much greater depth the increased liberalisation in attitudes among Catholics towards abortion at a time when Catholic activism opposing abortion is growing and therefore shines a light on the conflicts that are apparent at the heart of Catholic parishes Thisbook will be of interest to scholars in Gender and Sexuality Studies Sociology Theology and Religious Studies **An Introduction to Catholic Ethics since Vatican II** Andrew Kim,2015-04-06 This introduction provides a comprehensive overview of the development of Catholic ethics in the wake of the Second Vatican Council 1962 5 an event widely considered crucial to the reconciliation of the Catholic Church and the modern world Andrew Kim investigates Catholic responses to questions of moral theology in all four principal areas Catholic social teaching natural law virtue ethics and bioethics In addition to discussing contemporary controversies surrounding abortion contraception labor rights exploitation of the poor and just war theory he explores the historical sources of the Catholic worldview Beginning with the moral vision revealed through the person of Jesus Christ and continuing with elaborations on this vision from figures such as Augustine and Aquinas this volume elucidates the continuity of the Catholic moral tradition Its balance of complexity and accessibility makes it an ideal resource for both students of theology and general readers *The Complete Guide to Fertility Awareness* Jane Knight,2016-11-03 Fertility Awareness is key to understanding sexual and reproductive health at all life stages It can be used to either plan or avoid pregnancy Fertility Awareness Methods FAMs are

highly effective when motivated couples are taught by trained practitioners These methods are in demand for ecological medical cultural religious and moral reasons The ability to control fertility naturally is a lifestyle choice The Complete Guide to Fertility Awareness provides the science and methodology suitable for health professionals and a general audience It covers reproductive physiology and the fertility indicators temperature cervical secretions and cycle length calculations It explores ways to optimise conception and to manage conception delays Case studies and self assessment exercises are included throughout The book addresses the scientific credibility of new technologies including fertility apps home test kits monitors and devices The Complete Guide to Fertility Awareness offers evidence based information for general practitioners practice nurses school nurses midwives sexual health doctors and nurses a unique perspective on subfertility for gynaecologists and fertility nurses an authoritative source of reference for medical nursing and midwifery students a straightforward and practical reference for new and experienced FAM users the core text for the FertilityUK Advanced Skills Course in Fertility Awareness

The Light of Christ Thomas Joseph White, 2017-09-15 The Light of Christ provides an accessible presentation of Catholicism that is grounded in traditional theology but engaged with a host of contemporary questions or objections Inspired by the theologies of Irenaeus Thomas Aquinas and John Henry Newman and rooted in a post Vatican II context Fr Thomas Joseph White presents major doctrines of the Christian religion in a way that is comprehensible for non specialists knowledge of God the mystery of the Trinity the Incarnation and the atonement the sacraments and the moral life eschatology and prayer At the same time The Light of Christ also addresses topics such as evolution the modern historical study of Jesus and the Bible and objections to Catholic moral teaching Touching on the concerns of contemporary readers Fr White examines questions such as whether Christianity is compatible with the findings of the modern sciences do historical Jesus studies disrupt or confirm the teaching of the faith and does history confirm the antiquity of Catholic claims This book serves as an excellent introduction for young professionals with no specialized background in theology who are interested in learning more about Catholicism or as an introduction to Catholic theology It will also serve as a helpful text for theology courses in a university context As Fr White states in the book s introduction This is a book that offers itself as a companion I do not presume to argue the reader into the truths of the Catholic faith though I will make arguments My goal is to make explicit in a few broad strokes the shape of Catholicism I hope to outline its inherent intelligibility or form as a mystery that is at once visible and invisible ancient and contemporary mystical and reasonable

How I Stayed Catholic at Harvard Aurora Griffin, 2016-08-16 A Harvard graduate Rhodes Scholar and devout Catholic tells you everything you need to know about keeping your faith at a modern university Drawing on her recent experience Aurora Griffin shares forty practical tips relating to academics community prayer and service that helped her stay Catholic in college She reminds us that keeping the faith is a conscious decision reinforced by commitment to daily practices Aurora s story illustrates that when you decide your faith matters to you no one can take it away even in the most secular environments and under strong peer

pressure Throughout the book she shows how being Catholic in college did not prevent her from having a full college experience but actually enabled her to make the most of her time at Harvard Aurora encourages students who are about to begin this formative journey or those now in college that the most valuable parts of college life lasting friendships intellectual growth and cherished memories are experienced in a more meaningful way when lived in and through the Catholic faith

Contemporary Catholic Health Care Ethics David F. Kelly, 2004-10-28 As David Kelly writes Catholic moral theology has not been completely constant over the centuries it has learned and developed In Contemporary Catholic Health Care Ethics he demonstrates how Catholic health care ethics can and should evolve similarly in response to the lightning speed of modern medical advances Kelly draws on and analyzes the Catholic tradition of medical ethics but he does not shy away from criticizing it as well giving health care professionals hospital ethics committees and students a fresh treatment of Catholic health care ethics emphasizing theology methodology and application First discussing the Catholic understanding of the human person Kelly proposes a Catholic Christian approach to the meaning of human life as it applies specifically to health care He includes a brief history of the relationship between religion and medicine and makes strong claims about how theology ought and ought not to be applied in health care ethics Drawing from the terminology and approaches used by secular bioethics he suggests how a Catholic perspective on health care can utilize certain secular moral philosophical positions even as they apply to the issues of birth control and end of life concerns As practitioners patients and families face the difficult decision to continue or stop treatment for dying patients Kelly compassionately but practically explores their concerns in light of American law and ethics Finally he provides measured insight on pain management hospital ethics committees stem cell research genetic engineering and allocation of health care resources Contemporary Catholic Health Care Ethics is informed challenging articulate and bold bringing to the extremely important field of Catholic health care ethics a much needed and welcome voice unafraid to speak to the most difficult issues of the 21st century

Religious Methods and Resources in Bioethics P.F. Camenisch, 2013-03-09 A volume on religious theological methods in biomedical ethics inevitably of whether the methodological dimension can be distinct raises the question quashed from the various other things that go on in ethical discourse It is difficult to answer this question definitively since many elements in moral conversation can be interpreted in different ways Barbara Hilkert Andolsen illustrates this issue in this volume when she defines one of her crucial categories gender justice as being both procedural and substantive normative This difficulty of finally separating the methodological from the normative arises in many areas of contemporary ethical writing both feminist and otherwise Nevertheless it seems that in many cases we can separate out the methodological issues with considerable precision Albert Jonsen and James Childress achieve just such a sharp focus in their essays This does not mean that a careful dissecting of their papers would not reveal normative elements lurking about their methodological points It is simply to say that the issues they analyze and the positions they take are at least *prima facie* overwhelmingly methodological They are

much more about how we think about ethical matters than they are about what we think about them **Religion and Life through Roman Catholic Christianity (Unit 3) and Religion and Society** Victor W. Watton, Robert M. Stone, 2014-10-31

The only book on the market to bring together Unit 3 and Unit 8 from the Edexcel GCSE Religious Studies specification ensuring that students have everything they need in one place Engages students with each area of the specification through quotes summaries and questions for every topic Helps students prepare for assessment with up to date guidance including exam style questions sample student answers and advice Offers a full course book from best selling author Victor Watton drawing on his many years experience writing textbooks and learning resources
