Communicative English Guide:

English Language & Communication Skills Michaela Denison-George, 2020-12-22 English Language Communication Skills has been designed to cover the current module content of English Language as a foundation course in the university. Never should there be a greater need to write and speak better than when students enter college. The book aims to help students improve on both written and spoken English. It offers instructions on the four language skills which are writing, reading, listening, and speaking. In addition, some basic aspects of grammar, sentence construction, and vocabulary are dealt with. The book is divided into four parts with a section on spellings and some practice exercises with answers. Its simple and friendly style will help students develop confidence in writing, reading, and public speaking. *Teaching Techniques for Communicative English* Jane Revell, 2013 A practical teacher guide book for helping students to improve their communication skills in English. How can teachers bridge the gap between the language of the classroom and the world outside? The lively activities in this book give learners a chance to experiment creatively with newly acquired language so they can communicate in a meaningful way in real life situations.
