Community And Society Gemeinschaft And Gesellschaft:

Community and Society Ferdinand Tönnies, C.P. Loomis, 2017-07-12 This extraordinary prescient work by Ferdinand Tönnies was written in 1887 for a small coterie of scholars and over the next fifty years continued to grow in importance and adherents Its translator into English Charles P Loomis well described it as a volume which pointed back into the Middle Ages and ahead into the future in its attempt to answer the questions What are we Where are we Whence did we come Where are we going If the questions seem portentous in the extreme the answers Tönnies provides are modest and compelling Every major field from sociology to psychology to anthropology has found this to be a praiseworthy book The admirable translation by Professor Loomis did much to transfer praise for the Tönnies text from the German to the English speaking world Now outfitted with a brilliant new opening essay by John Samples the author of a recent full scale biographical work on Tönnies Community and Society is back in print a welcome reminder of the glorious past of German social science Community and Society.
