Community Service Howard Radest,1993-09-30 Radest reviews the history and present practice of community service in the United States While appreciative of the genuine contributions of community service programs to the development of schools and society the author believes that hidden behind good intentions and willing energies there is a strain of ambivalence that cannot be ignored such as when a citizen is sentenced by the court to perform a number of hours of community service He analyzes philosophically and psychologically this ambivalence employing his experience in the field his observations of school and community based programs around the country as well as his point of view as an educator and social critic      Sharing Our Success George Taylor Fulford,2007 Reducing the persistent achievement gap between

Aboriginal students and their peers is recognized as a national priority This report springs from a study of schools that despite extraordinary challenges are producing tangible progress for Aboriginal learners The research conducted in 2006 was designed to identify practices that appear to contribute to their success      **Domestic Volunteer Service**

*His Very Best* Jonathan Alter, 2021-09-21 Drawing on fresh archival material and extensive access to Carter and his family New York Times bestselling author Jonathan Alter tells the epic story of a man of faith and his improbable journey from barefoot boy in the vicious Jim Crow South to global icon We learn how Carter evolved from a timid child into an ambitious naval nuclear engineer and an indefatigable born again governor how as a president he failed politically amid the bad economy of the 1970s and the seizure of hostages in Iran but succeeded in engineering peace between Israel and Egypt amassing a historic environmental record moving the government from tokenism to diversity setting a new global standard for human rights and normalizing relations with China among dozens of other unheralded achievements After leaving office Carter revolutionized the postpresidency with the bold global accomplishments of the Carter center Cover

*Inside* Scott Hoffman, 2016-03-10 Inside by Scott M Hoffman Inside by Scott M Hoffman is an intriguing work detailing the internal workings of the Outfit an organized crime family which originated on the South Side of Chicago during prohibition and rose to power in the 1920s The Outfit has been involved in a wide variety of criminal activities including gambling loan sharking prostitution drug trafficking money laundering extortion labor racketeering adult and child pornography political corruption and murder The individuals and events in Inside are composites of real people and real events Inside begins in 1956 with Jimmy Williams a 47 year old man with two families his wife and two children and the Outfit He s a good man a good husband and a good father while at the same time he is a physically powerful man who is well respected as a consigliere in the Outfit He keeps his two lives separated to the point his wife is unaware of what he does The story is written from the perspective of Jimmy s son Bobby who from the age of 8 begins to accompany his father on Outfit business Jimmy wants him to know what the life is like in order for Bobby to decide if this is the future he wants for himself Take this remarkable journey with Bobby Will he follow in his father s footsteps or choose another path

**Gangs and Youth Subcultures** Kayleen Hazlehurst, Cameron Hazlehurst, 2018-01-16 Gangs are growing in many different social economic and political environments coupled with an alarming breakdown of public order Failures to contain or reduce gang crime in European Asian South American African and North American cities may be symptoms of fundamental problems threatening the fabric of many societies The spread of gangs to suburbia and remote locations is a palpable worldwide threat But despite nearly a century of scholarly inquiry into street gangs and youth subcultures no single work systematically reflects on comparative international experiences with gangs Gangs and Youth Subcultures takes up this challenge Kayleen Hazlehurst and Cameron Hazlehurst argue that theories of gang behavior in immigrant communities and the influence of

transnational crime syndicates are better tested in more than one host society Similar phenomena would be better understood if placed in a comparative context To this purpose the editors assembled expert scholars and policy advisers from North America Europe South Africa and Australasia *Gangs and Youth Subculture* lays the groundwork for an explanation of why gangs continue to grow in strength and influence and why they have spread to remote locations Kayleen Hazlehurst and Cameron Hazlehurst present new findings and innovative preventive strategies in a clear concise fashion No other work brings together experts on gangs and youth subcultures from so many countries As such this trailblazing book will interest scholars and teachers of criminology and sociology justice system administrators as well as law enforcement officers and youth workers internationally **American Indian Reservations and Trust Areas** Veronica E.
