J. Youngson, 2001 Long overdue Revised updated freshly illustrated Edinburgh joins the Companion Guide series informative on Edinburgh's and Scotland's past and present Edinburgh is one of Europe's most elegant and cosmopolitan cities the Old Town rebuilt on the medieval street plan after being burned down by the English in 1544 and the eighteenth century classical New Town more extensive than anything else of its kind in Europe Edinburgh was the capital of an independent kingdom for more than two hundred and fifty years and it has the air of a capital with buildings where kings were born or where some of their more prominent subjects were assassinated streets once trodden by Mary Queen of Scots and Bonnie Prince Charlie and a rich artistic life that comes into exhilarating full flower in August with the Edinburgh Festival Edinburgh is also the gateway to some of the most spectacularly beautiful country in Britain lying southward is the romantic landscape of the Borders where Alexander Youngson is an admirable guide to the ruined abbeys the castles that have withstood countless sieges and the great houses still owned by families that the Flood could not wash away A J YOUNGSON is former chairman of the Fine Art Commission for Scotland **Blood on His Hands** Max Afford, 2024-09-12 Blood on His Hands by Max Afford is a gripping murder mystery that delves into the dark corners of guilt deception and justice When a respected figure is found dead with seemingly no motive or suspect the investigation quickly spirals into a web of lies and hidden agendas As the authorities close in on the truth one man is forced to confront the evidence that points directly at him Is he truly innocent or is there blood on his hands In this electrifying tale of suspense readers will be kept guessing until the shocking conclusion The Guide and Companion F.D Harding, 19?? eighth grade *The New Nancy* Jeff Karnicky,2023-09 In *The New Nancy* Jeff Karnicky explores how today's successful daily comic strips are flexible and relatable and he uses Olivia Jaimes's 2018 reboot of the long running comic strip *Nancy* to illustrate the ways that contemporary comics have adapted to twenty first century technology and culture Because comic creation has become part of the gig economy flexible comics must be accessible to both online and print readers and they must quickly grab readers attention Flexible comic creators like Jaimes must focus both on the work of producing comics and on building an audience Daily comics also must form a relatable connection with readers Most contemporary comic creators cultivate an online persona through which they engage readers with specific identities beliefs and expectations This work might form a mutually beneficial bond that results in a successful daily comic strip but it risks becoming fraught toxic and sometimes even dangerous Jaimes cultivates a relatable persona in connection with longtime readers and new fans *Nancy* finds its humor in both nostalgic objects like cookie jars and contemporary technological objects like smartphones Rebooted comic strips like *Nancy* directly confront the stereotypical representations that haunt the past of comics Focusing on *Nancy*'s role in contemporary culture Karnicky uses literary studies cultural studies and media studies to argue that Jaimes's comic strip has something to say about comics contemporary culture and the intersection of the two *Five Minutes with Jesus* Randal A. Wiedemann,2015-10-29 Today's culture is overscheduled typically characterized by short attention spans We want to compress our lives into small bite sized pieces Taking this approach with *Jesus* can draw us into a relationship that becomes the focus of our delight Eventually our desire for true life is whetted by brief meetings with *Jesus* The longer we spend with Him the more His divinely radioactive life infuses ours with the power of an endless life The irony of the book title is that five minutes with *Jesus* is never enough *Five Minutes with Jesus* presents a daily devotional that focuses on meeting with *Jesus* in ways that may be new to some Christians Each day author Randal Wiedemann takes a look at a different aspect of *Jesus* the most discussed person in history Wiedemann focuses on how to live the Christian faith with delight depth meaning compassion and joy You will discover and be reminded that this is only possible when *Jesus Christ* lives in and through us *Five Minutes with Jesus* is about spending quality time with God For those who know *Jesus* it is a joy to go to that secret inner place of the heart and meet with Him For those who do not there may be a vague sense of looking for something You may not know what it is you are looking for but when you find it don't be surprised if it's *Jesus* **The White Boy** Trace Conger,2017-04-07 WINNER Fresh Ink Award for Best Novella of 2020 From award winning author Trace Conger comes a ghost story that explores the fine line between what is real and what is the product of a child's vivid imagination Quinn Becker doesn't believe in ghosts Or coincidences That changes when his five year old son Drew tells him about the white boy who visits him at night Drew recounts his ghostly experience with a boy who looks like him but doesn't have a face As Drew's encounters with the white boy escalate Quinn and his wife Mel are forced to decipher what is real and what is the product of their son's vivid imagination As the family searches for answers they discover a link to a 40 year old mystery and a
