**Becoming the Compassion Buddha** Thubten Yeshe, 2012-06-04 Not only was Lama Yeshe one of the most beloved Tibetan Buddhist masters of the late twentieth century he was also a remarkably effective teacher and communicator In *Becoming the Compassion Buddha* just as he did with his bestselling *Introduction to Tantra* he once again demonstrates his extraordinary ability to present practices that once were considered arcane or hidden in a way that is clear and understandable to the general reader In these pages Lama Yeshe guides readers through the tantric practice of Avalokiteshvara the Buddha of Compassion basing his instructions on a text written by His Holiness the Dalai Lama at age nineteen He gives special emphasis to mahamudra the emptiness of one's own mind and demystifies these esoteric techniques clearly showing them for what they are highly developed psychology Throughout Lama Yeshe presents his approachable teachings by drawing on examples from daily life and introducing meditation practices that all can follow *Becoming the Compassion Buddha* is an extraordinary book that opens new doors for countless readers **Documentary**

**History of the State of Maine** Maine Historical Society, 1916 *Victor Frankenstein, the Monster and the Shadows of Technology* Robert D. Romanyshyn, 2019-04-25 In *Victor Frankenstein the Monster and the Shadows of Technology* The Frankenstein Prophecies Romanyshyn asks eight questions that uncover how Mary Shelley's classic work *Frankenstein* haunts our world Providing a uniquely interdisciplinary assessment Romanyshyn combines Jungian theory literary criticism and mythology to explore answers to the query at the heart of this book who is the monster In the first six questions Romanyshyn explores how Victor's story and the Monster's tale linger today as the dark side of Frankenstein's quest to create a new species that would bless him as its creator Victor and the Monster are present in the guises of climate crises the genocides of our god wars the swelling worldwide population of refugees the loss of place in digital space the Western obsession with eternal youth and the eclipse of the biological body in genetic and computer technologies that are redefining what it means to be human In the book's final two questions Romanyshyn uncovers some seeds of hope in Mary Shelley's work and explores how the Monster's tale reframes her story as a love story This important book will be essential reading for academics and students of Jungian and post Jungian theory literature philosophy and psychology psychotherapists in practice and in training and for all who are concerned with the political social and cultural crises we face today **Compassion and**

**Education** Andrew Peterson, 2016-12-01 This book makes a defence of compassion as an essential and significant quality that should be at the heart of the education of young people It provides a careful exploration of what compassion means how it is relevant to the various relationships among students teachers and the wider community and the particular pedagogical processes that can and might develop compassion Understanding and justifying compassion as a virtue this book argues that compassion is a virtue central to all human relationships from the familial to the communal and to the global It will be of interest to academics research and students of education **Forgotten British Film** Philip Gillett, 2017-05-11 Some films

are remembered long after they are released others are soon forgotten but do they deserve oblivion Are factors other than quality involved This book exhumes some of the films released in Britain over the last seventy years from Daybreak 1948 to 16 Years of Alcohol 2003 and considers the reasons for their neglect As well as exploring the contributions of those involved in making the films the book examines such issues as marketing and the response of critics and audiences Films are grouped loosely into categories such as B films and television films Some works were little seen when they were first released and have stayed that way others were popular in their day but have slipped into obscurity In some cases social change has overtaken them making the attitudes or subjects they depict seem dated Even being released as a DVD does not guarantee that a title will be rehabilitated In addition how significant is the American market This book should appeal to lovers of British film as well as to film studies students and everybody curious about the vagaries of success and failure in the arts

**Polish Film** Charles Ford, Robert Hammond, 2015-05-07 When the Lumiere brothers introduced the motion picture in 1895 Poland was a divided and suffering nation yet Polish artists found their way into the new world of cinema Boleslaw Matuszewski created his first documentary films in 1896 and Poland's first movie house was established in 1908 Despite war and repression Polish cinema continued to grow and to reach for artistic heights The twentieth century closed with new challenges but a new generation of Polish filmmakers stood ready to meet them Here is a complete history of the Polish cinema through the end of the twentieth century with special attention to political and economic contexts
