relative poverty yet the rapidly shifting social ecology of Pentecostal Christians includes many middle class individuals as well as an increasing number of young adults attracted by the music and vibrant worship of these churches The stereotypical view of Pentecostals as other worldly and disengaged from politics and social ministry is also being challenged as Pentecostals including many who are committed to working for social and political change constitute growing minorities in many countries Spirit and Power addresses three main questions Where is Pentecostalism growing globally Why it is growing What is its social and political impact The contributors to this volume include theologians historians and social scientists who bring their diverse disciplinary perspectives to bear on these empirical questions The essays draw on extensive survey research as well as in depth ethnographic field methods with analyses offering diverging and sometimes competing explanations for the growth and impact of Pentecostalism around the world **Birth**

then we will use everyday moments to impart Scripture share stories and offer next steps to those with whom we re walking alongside      Beyond the Door Rhonda Ambrose,2015-02-24 There is a vast difference between knowing about God and actually knowing Him So often we stop short of the very thing that completes us which is a personal revelation and acceptance of Gods unconditional love Go beyond what you have heard or thought about God and step into living every day intimately connected to the ultimate Father Experience firsthand Gods love and presence Hear Him speak to you Enjoy the freedom of forgiveness and living without offense Receive healing from pain and wounds Allow the Holy Spirit to become your best friend comforter and guide Discover your true identity Live in the boldness of being a child of God Become a nexus like Jesus and broker the kingdom of heaven on earth Everything you truly need and desire is wrapped up in the gift of knowing God      *Against the Twilight* Donald James Parker,2010-01-21 Heather has reached the pinnacle of the publishing world through weaving suspenseful plots in romantic novels featuring vampires She s the toast of the town to most but to David her fiction threatens to toast a whole generation of readers in the broiler of Hell He writes his own book to enlighten the world about the dangers and evil of vampire glorification He and Heather appear to be perfect candidates for a fierce war of words but the ardor for battle is diminished by their mutual attraction Despite their attempts to squelch the magnetic pull their chemistry causes romance to bubble under the surface through all of the twists and turns of their adversarial relationship While Heather s mother schemes to get the two together an old gentleman at the nursing home attempts to set David up with Cindy a nurse at the home Cindy s beauty falls short of Heather s but her spiritual beauty surpasses and grows as she places her love for David on the alter and focuses on worshipping God rather than one of His creatures As David s life of service to God poses continual challenges he struggles to deal with the romantic tug of war which threatens to paralyze him and unravel the tapestry of his ministry As a man who communes with God on a daily basis he receives the word from the Lord that he needs to trust that all will be well He does trust when faced with a dangerous situation on the streets but finds that allowing God to safeguard his heart proves to be a tougher assignment      Living to 120 and Beyond Dr. Edmund Chein MD JD,2013-08-27 Enter a contest to win a 25 000 prize for having the biggest difference between your chronological age and your telomere length biological age Be in the know for the latest method to achieve longevity Do you know how many more millions you can earn by extending your life span This book will teach you how to feel 21 at 61 and sing When I was a hundred and one it was a very good year This book is a practical guide to help individuals extend their health span and life span so they can live to a God promised time of 120 and beyond      **Gospel Without Borders** Jim Rotholz,2015-03-04 To what degree does culture facilitate or distort the Christian faith the gospel of Jesus and the life of the church In America the distortion is enormous Gospel Without Borders carefully examines the complex intersection of culture and faith in America providing insights that allow for better understanding and a more genuine experience of biblical and historic Christianity Gospel Without Borders analyzes the formative and interactive roles that human nature and cultural history play in

contemporary expressions of Christianity in America It outlines their profound but little appreciated influence upon the shape and scope of Christian faith within society at large the church and the lives of individuals The study illuminates the dimensions of a largely unheralded gospel message characterized by unimpeded faith that fully accords with the kingdom Jesus stridently proclaimed It outlines the dimensions of faith freed from the disappointing forms of culturalized Christianity that always prove insufficient on a personal level and woefully inadequate to the demands of contemporary life within our globalizing world Today s world can only be effectively impacted through a gospel without borders a compelling gospel most Americans have yet to hear and too many Christians of every cultural and denominational background have yet to fully embrace
