**Feasting and Fasting** Aaron S. Gross, Jody Myers, Jordan D. Rosenblum, 2020-01-07 How Judaism and food are intertwined Judaism is a religion that is enthusiastic about food Jewish holidays are inevitably celebrated through eating particular foods or around fasting and then eating particular foods Through fasting feasting dining and noshing food infuses the rich traditions of Judaism into daily life What do the complicated laws of kosher food mean to Jews How does food in Jewish bellies shape the hearts and minds of Jews What does the Jewish relationship with food teach us about Christianity Islam and religion itself Can food shape the future of Judaism Feasting and

Fasting explores questions like these to offer an expansive look at how Judaism and food have been intertwined both historically and today. It also grapples with the charged ethical debates about how food choices reflect competing Jewish values about community, animals, the natural world, and the very meaning of being human. Encompassing historical, ethnographic, and theoretical viewpoints and including contributions dedicated to the religious dimensions of foods including garlic, Crisco, peanut oil, and wine, the volume advances the state of both Jewish studies and religious studies scholarship on food. Bookended with a foreword by the Jewish historian Hasia Diner and an epilogue by the novelist and food activist Jonathan Safran Foer, *Feasting and Fasting* provides a resource for anyone who hungers to understand how food and religion intersect.

*Eating Right in the Renaissance* Ken Albala, 2002-02 Albala's engaging tour through the host of Renaissance dietary theories reminds us that our preoccupations with food and susceptibility to cranky advice about nutrition are nothing new. This is superior scholarship delivered with a light touch. Rachel Laudan, author of *The Food of Paradise: Exploring Hawaii's Culinary Heritage*. This stimulating work is an important contribution to social and especially medical/dietetic history. Albala is the first to explore in detail the role of dietetic literature in the development of the European nation-state. His book is a pleasure to read.

***The Delectable Negro*** Vincent Woodard, Dwight McBride, Justin A. Joyce, E. Patrick Johnson, 2014-06-27 A groundbreaking study of the connections between homoeroticism, cannibalism, and cultures of consumption in American literature and US slave culture. Scholars of US and transatlantic slavery have largely ignored or dismissed accusations that Black Americans were cannibalized. Vincent Woodard takes the enslaved person's claims of human consumption seriously, focusing on both the literal starvation of the slave and the tropes of cannibalism on the part of the slaveholder, and further draws attention to the ways in which Blacks experienced their consumption as a fundamentally homoerotic occurrence. *The Delectable Negro* explores these connections between homoeroticism, cannibalism, and cultures of consumption in the context of American literature and US slave culture. Utilizing many staples of African American literature and culture, such as the slave narratives of Olaudah Equiano, Harriet Jacobs, and Frederick Douglass, as well as other less-circulated materials like James L. Smith's slave narrative, runaway slave advertisements, and numerous articles from Black newspapers published in the nineteenth century, Woodard traces the racial assumptions, political aspirations, gender codes, and philosophical frameworks that dictated both European and white American arousal towards Black males and hunger for Black male flesh. Woodard uses these texts to unpack how slaves struggled not only against social consumption but also against endemic mechanisms of starvation and hunger designed to break them. He concludes with an examination of the controversial chain-gang oral sex scene in Toni Morrison's *Beloved*, suggesting that even at the end of the twentieth and beginning of the twenty-first century, we are still at a loss for language with which to describe Black male hunger within a plantation culture of consumption. Praise for *The Delectable Negro*: Winner of the 2015 LGBT Studies Award presented by the Lambda Literary Foundation. A bold and brilliant book. Carla L. Peterson
