Contemplative Bible Reading Experiencing God Through Scripture:

Contemplative Bible Reading Richard Peace, 2015-06-22 A new way to read the Bible Spiritual disciplines are simply ways to open ourselves to God They help us become aware of the many ways God speaks to us and provide us with ways to respond to God This book explores and explains how the historical disciplines and perspectives of the Christian faith can deepen both our walk with God and our community with others Reading the Bible is something that most of us are familiar with Some even do it regularly But do we really think about how we read and respond to Scripture How deeply do we allow ourselves to be impacted by it Contemplative Bible reading or lectio divina as it is often called is an ancient method of approaching Scripture Consisting of four parts this method begins with the selected biblical passage and moves to meditating praying and contemplating what God is revealing through the Bible Many of us tend to think of meditation as something done individually but reflecting on Scripture in a small group invites us to act and encourages us to share with others how God is calling us to respond Contemplative Bible Reading examines this spiritual discipline and invites your small group to approach Scripture in a new and challenging way By exploring different passages and learning to hear God's voice in them this guide will help you meditate and act on the truth of the Bible **Contemplative Bible Reading** Richard Peace, 1998

Noticing God Richard Peace, 2012-04-13 Richard Peace unpacks what it means to make a conscious practice of noticing God in daily life He explores the various ways people experience and recognize God's presence in mystical encounters ordinary life our hearts through other people through Scripture nature and the church God is present in our world You can encounter him Here's how **Understanding Faith Formation** Mark A. Maddix, Jonathan H. Kim, James Riley Jr.

Estep, 2020-10-27 Three leading Christian educators offer a survey of faith formation from various perspectives biblical theological pastoral practical and global They present a biblical theology of faith formation for individual and congregational life and show how faith can be formed through the life and mission of the local church through practices such as communal worship Bible study and mission They also explore the faces of faith formation in multicultural and global contexts The book includes practical exercises for those beginning in ministry and reflection questions [The Kingdom Life](#) Bruce McNicol, Dallas Willard, Keith Matthews, Bill Hull, Bill Thrall, Keith Meyer, Richard Averbeck, Paula Fuller, Peggy Reynoso, Bruce Demarest, Michael Glerup, 2016-06 The Kingdom Life provides an integrated approach to spiritual formation This rich compilation from an extraordinary team of thinkers offers sound theology and key practices to strengthen you and those you disciple in light of Christ's lordship and life in the kingdom back [The Complete Book of Everyday Christianity](#) R. Paul Stevens, Robert Banks, 2018-12-01 I am thrilled to know that The Complete Book of Everyday Christianity is being relaunched A well worn first edition of this book sits next to my office desk and I consult it often There is no better collection of everyday issues examined from a Christian perspective A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives informed by thoughtful biblical and theological reflection This is a wonderfully useful

tool I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life Alistair Mackenzie Senior Lecturer School of Theology Mission and Ministry Laidlaw College Christchurch New Zealand Also Director of Faith at Work NZ Preaching That Comes Alive Maggie Low, 2017-03-30 People go to church every Sunday hoping to hear a life giving word from the Lord but often find that they have to make do with either the dry crust of cognitive sermons or the empty calories of emotional exhortations This book provides preachers with the tools to feed their flock with hearty sustenance Using real life sermon examples from across Asia that reflect issues facing Asian Christians Maggie Low builds a picture of a sermon as a body taking you step by step through guidelines for what this body needs to come alive Whether you are a beginner or an experienced preacher you will learn to preach more confidently and relevantly through this skillful integration of biblical theology homiletical theory spirituality and communication skills Preaching cannot deliver life unless preachers themselves listen to the Word of Life Dr Low guides the reader to exegete the Scriptures and to listen to God personally so that they can deliver a life giving word to the hearers

Subversive Spirituality L Paul Jensen, 2011-06-30 Subversive Spirituality links the practice and study of Christian spirituality with Christian mission It develops a twofold thesis grace spiritual disciplines and mission practices are inseparably linked in the mission of Jesus of the early church and of several historical renewal movements as well as in a contemporary field research sample and amidst the collapse of space and time evidenced by our culture s increasingly hurried pace of life more time and space are needed for regular solitary and communal spiritual practices in church mission and leadership structures if Christian mission is to transform people and culture in our time This requires a subversion of the collapsed spatial and temporal codes that have infected our Christian institutions Jensen employs methods and approaches from a variety of academic disciplines to explore both spirituality in terms of space and time and mission in terms of deed and word Specifically Jensen examines the spirituality and mission of Jesus the early church the apostolic fathers Origen the Devotio Moderna the early Jesuits David Brainerd and several women in 19th century Protestant missions He considers the spirituality and mission that have arisen within the postmodern generations born after 1960 Based on the theological historical cultural and field analyses of this study a model for spirituality and mission is proposed The model addresses the contemporary collapse of space and time and appears to have widespread applicability to diverse cultures and eras Jensen s model is applied to the pluralistic and postmodern milieu of North America with recommendations for spirituality and mission in church mission and educational structures A derivative model for teaching and practicing spirituality and mission in the academy which also has application for non formal leadership development structures is also proposed *Conversion in the New Testament* Richard Peace, 1999 A landmark work in the study of conversion With the tools of scholarship and as a seasoned practitioner Richard Peace explores the New Testament understanding of the turning points of conversion from the night of our captivities to the light of Christ into the church and out to the neighbor in need Our contemporary efforts in

evangelism have much to learn from this full orb view of conversion Gabriel Fackre on back cover **The Transformed Heart** Michael Warden, 2008-06-01 It's a Big Life you're called to lead There's a Big Dream in your heart placed there by God himself A desire deep down to do something more to be something more It's like you're being summoned to a Higher Purpose and a Bigger Life Because in fact you are The Transformed Heart devotional is your personal guide to experiencing that bigger life Covering a period six months the weekday readings invite you to connect with Christ through his Word on a truly intimate relational level by learning to notice where God is already actively at work in your heart and life and intentionally partnering with him in a way that leads to authentic life transformation Your big life in Christ is waiting to be revealed So take heart and hold on to your courage Jesus loves you and he is with you right now Let the journey begin *Made Healthy in Ministry for Ministry* C. John Weborg, 2011-08-11 Clarity of vocational practice is key to clergy health The center of clergy practice is the ministry of Word and Sacrament What takes place at the pulpit font or pool and table is the divine intent and extent of ministry While this may sound in house and parochial in the extreme it is both priestly and prophetic John Weborg's argument in this book is that the clergy can be made healthy in ministry for ministry by maintaining vocational clarity The priestly and prophetic acts of Word and Sacrament address the clergy before they address the congregation Hence what is offered here is a spirituality through practices the clergy are hearers before preachers baptized before baptizers communicants before celebrants Neither a how to book nor a work of pastoral theology *Made Healthy in Ministry for Ministry* is aimed toward helping clergy appropriate the gifts and graces of the practices they are called and authorized to carry out *Serving a Crucified King* Jesse Steven Wheeler, 2021-11-11 *Serving a Crucified King* speaks to a growing crisis within the contemporary church one of misplaced allegiance and misguided discipleship If Jesus Christ is who we claim him to be then we must ask ourselves Are we truly conducting our lives and constructing our communities in light of that astonishing reality But as long as the contemporary church continues to act in a manner so seemingly at odds with the mission and message of Jesus it remains in a state of emergency Albeit a serious charge solving this crisis is of the utmost importance if we are to live once again in faithful obedience to Jesus Christ as king The magnitude of the problem necessitates the establishment of a movement of kingdom citizens devoted to the cruciform reign of Christ and committed to a wholesale transformation in thinking and practice within the church To this end *Serving a Crucified King* is a clarion call back to the real work of being a disciple of Jesus in our society Expect to have your thinking challenged your heart moved and your action re-oriented Soul Recreation Tom Schwanda, 2012-04-11 Spiritually there is a great hunger today for contemplative and more satisfying experiences with God Puritanism might seem to be an unlikely source for this yet few groups in the history of Christian spirituality have written more extensively or wisely on the subject Isaac Ambrose 1604-64 a relatively forgotten English Puritan developed a theological foundation for the spiritual life based upon the Christian's intimate union with Christ which the Puritans often called spiritual marriage Schwanda demonstrates that this vibrant

relationship of union and communion with Jesus inspired by the Holy Spirit was manifested in a deep contemplative piety of gazing lovingly and gratefully upon God At the same time Ambrose did not neglect loving his neighbors This study reveals how heavenly meditation was one of the significant practices engaged by Ambrose to cultivate spiritual intimacy and enjoyment of God Further his experiential reading of Scripture in particular the Song of Songs provided him with a language of ravishment and delight in God This book provides a distinctively Protestant foundation for recovering the contemplative life while recognizing the significant contributions of the Western Catholic tradition *Ancient Paths* David Robinson,2010 This field tested guidebook presents Benedictine spirituality and monastic spiritual practices as a source of wisdom and practical guidance for Christian formation today *Journey With Me* Herbert F. Lamp Jr.,2021-07-27 Have you ever wondered Is this all there is to life and ministry with the Lord Why am I so tired all the time How can I grow in my intimacy with God in practical ways Am I so busy doing that I have forgotten how to be with God As ministry workers we too often face these questions because we too often expect a thriving personal relationship with God to be an outcome of our ministry *Journey With Me* illustrates that ministry is the result of the overflow of our relationship with God rather than vice versa Exploring over fifteen ancient spiritual graces such as Lectio Divina rule of life silence and solitude and prayer of Examen Herbert F Lamp Jr invites us to prioritize soul care rather than treating ministry as a replacement for intimacy In the process of knowing and being known God fills us up with his love joy peace and wisdom Only then can we minister to others balancing a heart for God with hands for service After almost four decades of missionary service Lamp has experienced the joys and potential pitfalls of serving Christ cross culturally Sharing his experiences and offering practical time tested methods to grow spiritually Lamp invites you to journey with Our Father intimately as you cross your cultural linguistic ethnic and geographic borders serving him wholeheartedly and passionately **Meditative Prayer** Richard Peace,2015-06-22 Our prayers should go as deep as our souls Spiritual disciplines are simply ways to open ourselves to God They help us become aware of the many ways God speaks to us and provide us with ways to respond to God This book explores and explains how the historical disciplines and perspectives of the Christian faith can deepen both our walk with God and our community with others In today s society we are often handicapped in our spiritual growth by too narrow a horizon when it comes to spiritual practices Each generation suffers a kind of collective amnesia forgetting the practices and perspectives that nourished countless followers of Christ in centuries past Rediscovering these skills is one way to respond to our culture s and our own deep spiritual hunger While it is seemingly preposterous for us to suppose we can interact with the God of this universe Scripture repeatedly invites us to do that very thing Prayer is not a minor idea tucked into the cracks of the text it is central normative and expected Why is it then that our prayers are so often dry and difficult In *Meditative Prayer* you ll discover those ways of prayer that make use of your mind and imagination that address your needs as well as strengthen your spirit By drawing from a number of different sources from Scripture from wise men and women who have

gone before and from one another this study guide will enable your soul to drink deeply from the inexhaustible well of prayer Though you can use this guide for a personal journey of prayer it is ideally suited for exploration with a small group of like minded friends Spiritual Transformation Richard Peace,2016-10-21 Transformation is what Christianity is all about To follow Jesus is to enter into a journey from an old way of living to a new way of being As Christians our goal is to become ever more conformed to the image of Christ Of course we cannot attain this high goal in our lifetime But we can make progress We can become more of who we long to be We can leave behind old ways that have not served us well We can become more loving to others more open to God more in tune with who we are called to be Such transformation does not happen automatically even though it is the Holy Spirit working in us to change us We are asked to work out your own salvation with fear and trembling for it is God who is at work in you enabling you both to will and to work for his good pleasure Phil 2 12 13 We work God works in us This book is about our part in the work of transformation Spiritual Transformation examines two main themes 1 The Dynamics of Spiritual Transformation are explored in six small group sessions what it is and how it happens 2 The Goal of Spiritual Transformation is described in six small group Bible studies focusing on Romans 12 13 where Paul provides a blueprint for how we are meant to live as followers of Jesus A Burden Too Heavy Paul Alan Smith,2025-05-26 What comes to your mind when you hear the word confession Is confession a dreary command to be slavishly followed or a liberating grace to cherish How much do you know about your faith and why you believe what you believe Consider this your invitation to examine your faith and experience the spiritual discipline of confession Study guide included **The Contemplative Mom** Ann Kroeker,2000 Are the demands of motherhood keeping you from a rich relationship with God Given the inherent busyness of being a parent the concept of a contemplative mom makes many people laugh When Ann Kroeker s husband almost died she realized that her life had gotten out of control In this book she passes on to others what she learned in the process of getting her life back in perspective She discusses some ways moms can live a life filled with reflective moments even in chaos including finding solitude walking with God making use of some of the traditional spiritual disciplines using the senses and listening to God This is not a theological treatise but one woman s thoughts from the trenches **Knowing Grace** Joanne J. Jung,2012-01-05 Knowing Grace complements the spiritual discipline writings out there by looking at the disciplines through a grace filter the key dimension to discipline empowerment
