Contemporary China Society And Social Change:

Contemporary China Tamara Jacka, Andrew B. Kipnis, Sally Sargeson, 2013-09-30 China's rapid economic growth, modernization and globalization have led to astounding social changes. *Contemporary China* provides a fascinating portrayal of society and social change in the contemporary People's Republic of China. This book introduces readers to key sociological perspectives, themes and debates about Chinese society. It explores topics such as family life, citizenship, gender, ethnicity, labour, religion, education, class and rural/urban inequalities. It considers China's imperial past, the social and institutional legacies of the Maoist era and the momentous forces shaping it in the present. It also emphasises diversity and multiplicity, encouraging readers to consider new perspectives and rethink Western stereotypes about China and its people. Real-life case studies illustrate the key features of social relations and change in China. Definitions of key terms, discussion questions and lists of further reading help consolidate learning. Including full-colour maps and photographs, this book offers remarkable insight into Chinese society and social change.

Contemporary China Tamara Jacka, Andrew B. Kipnis, Sally Sargeson, 2013-07-22 Introduces readers to key sociological perspectives about modern Chinese society and social change.

Great Changes and Social Governance in Contemporary China Peilin Li, 2015-11-18 This book offers a comprehensive review of the far-reaching social changes that have taken place since the start of the Chinese economic reform and opening up of Chinese society over 30 years ago. As such, it examines various aspects of the social transformation of China from urbanization, population aging and social governance to family structure, youth, society and social mentality. It identifies major issues and challenges emerging during the process of the great social change and proposes solutions to aid in future strategic planning. The analysis is supported by a wealth of empirical data collected in the course of extended social survey research. The book also provides a systematic summary of the most important research findings from the past few years, helping readers to understand and interpret the ongoing and complex process of transformation in Chinese society.

Social Change in Contemporary China Wenfang Tang, Burkart Holzner, 2010-11-23 *Social Change in Contemporary China* offers a wide-ranging examination of Chinese institutional change in areas of education, religion, health care, economics, labor, family and local communities in the post-Mao era. Based on the pioneering work of sociologist C. K. Yang (1911-1999) and his institutional diffusion theory, the essays analyze and develop the theory as it applies to both public and private institutions. The interrelationship of these institutions composes what Yang termed the Chinese system and affects nearly every aspect of life. Yang examined the influence of external factors on each institution, such as the influence of Westernization and Communism on family and the impact of industrialization on rural markets. He also analyzed the impact of public opinion and past culture on institutions, therein revealing the circular nature of diffusion. Perhaps most significant are Yang's insights on the role of religion in Chinese society. Despite the common perception that China had no religion, he uncovers the influence of classical Confucianism as the basis for many ethical value systems and follows its diffusion into state and kinship systems as

well as Taoism and Buddhism Writing in the early years of Communism Yang had little hard data with which to test his theories The contributors to this volume expand upon Yang s groundbreaking approach and apply the model of diffusion to a rapidly evolving contemporary China providing a window into an increasingly modern Chinese society and its institutions

Changing State-society Relations In Contemporary China Wei Shan,Lijun Yang,2016-08-30 This book attempts to provide an overview of social and political changes in Chinese society since the global financial crisis Rapid economic development has restructured the setup of society and empowered or weakened certain social players The chapters in this book provide an updated account of a wide range of social changes including the rise of the middle class and private entrepreneurs the declining social status of the working class as well as the resurgence of non governmental organisations and the growing political mobilisation on the internet The authors also examine the implications of those changes for state society relations governance democratic prospects and potentially for the stability of the current political regime *Social Transformation in Modern China* Xin Zhang,2000-09-25 In this book Xin Zhang sheds light on the sources of China s modernization

Handbook on Class and Social Stratification in China Yingjie Guo,2016-01-29 This comprehensive and interdisciplinary Handbook illustrates the patterns of class transformation in China since 1949 situating them in their historical context Presenting detailed case studies of social stratification and class formation in a wide range of settings the expert international contributors provide invaluable insights into multiple aspects of China s economy polity and society The Handbook on Class and Social Stratification in China explores critical contemporary topics which are rarely put in perspective or schematized therefore placing it at the forefront of progressive scholarship These include state power as a determinant of life chances women s social mobility in relation to marriage the high school entrance exam as a class sorter class stratification in relation to health China s rural migrant workers and labour politics Eminently readable this systematic exploration of class and stratification will appeal to scholars and researchers with an interest in class formation status attainment social inequality mobility development social policy and politics in China and Asia *Chinese Society* Peilin Li,2012 There is growing interest in social transformation in contemporary China with much work published on the subject This book is different from other books in that it presents an overview of the work of Chinese sociologists on how Chinese society is changing It reports on a great deal of original research by leading outstanding Chinese scholars including extensive fieldwork and large scale social change survey data and covers comprehensively the full range of aspects of the subject It assesses developments since the beginning of reform in China and provides overall a comprehensive understanding of China s social development and of the likely impact of future social changes on China Television and Dating in Contemporary China Chao Yang,2017-06-29 This book considers the changing nature of intimacy in contemporary China providing a unique case study of romantic subjectivities in young people in the world s fastest growing economy Since the implementation of reform in 1978 the economic and socio cultural environment of modern China has experienced a dramatic transformation

under the influence of urbanization and globalization facilitating more individualized identity among Chinese youth This book bridges the gap between an emergent emphasis on individualisation and the country's traditional norms and values It focuses on young people's understandings of various forms of relationships such as cohabitation extramarital relationships and multiple relationships suggesting a challenge to traditional familial values and an increasingly diversified understanding of the concepts of love and romance By examining the formation of relationships among 21st century Chinese youth notably through the lens of popular Chinese TV dating programs this book considers how dating and relationships mirror China's changing societal structure and examines social and cultural transformations in Chinese society **Modern China** Xiaobing Li, 2015-11-23 Providing an indispensable resource for students educators businessmen and officials investigating the transformative experience of modern China this book provides a comprehensive summary of the culture institutions traditions and international relations that have shaped today's China In **Modern China** author Xiaobing Li offers a resource far beyond a conventional encyclopedia providing not only comprehensive coverage of Chinese civilization and traditions but also addressing the values issues and critical views of China As a result readers will better understand the transformative experience of the most populous country in the world and will grasp the complexity of the progress and problems behind the rise of China to a world superpower in less than 30 years Written by an author who lived in China for three decades this encyclopedia addresses 16 key topics regarding China such as its geography government social classes and ethnicities gender based identities arts media and food each followed by roughly 250 short entries related to each topic All the entries are placed within a broad sociopolitical and socioeconomic contextual framework The format and writing consistency through the book reflects a Chinese perspective and allows students to compare Chinese with Western and American views

Social Change in the Age of Globalization Tiankui Jing, Masamichi Sasaki, Peilin Li, 2006-08-01 The 36th World Congress of the International Institute of Sociology IIS was a true milestone in the history of IIS for it heralded many firsts the first World Congress to be held on the Asian Continent the first to be held in China and the largest attendance by far of any of the organization's World Congresses This book is a compendium of 18 papers presented by plenary speakers from 10 different nations It addresses sweeping issues related to the age of globalization and social change including cultural diversities migration and equality social transformation and national identity Notable is an extraordinary diversity of viewpoints approaches and opinions **Social Change in the Age of Globalization** should be especially useful for those interested in learning more about social change in the context of globalization especially in nations whose sociological communities are emerging such as China and many other Asian nations **Social Structure Of Contemporary China** Xueyi Lu, 2012-07-24 This book is the third study done by the Research Group on Social Structure Change in Contemporary China a group affiliated with the Institute of Sociology Chinese Academy of Social Sciences The group has focused on the process of development and change in contemporary Chinese social structure and come to the following conclusions Contemporary China is transitioning

from a traditional agricultural and rural society to a modern industrialized and urban society from a highly centralized planned economy to a robust socialist market economic system The entire society is undertaking an unprecedented evolution During the three decades of reform and opening up China has made brilliant achievements never seen before in history Now China is in a critical period of reform and opening up with very complex far reaching and closely intertwined social problems which are also unprecedented After deep and detailed analysis the Research Group believes that these problems cannot be resolved only by economic methods In order to get to the roots of these social problems China must develop new social policies strengthen the social structure and carry out social system reform The core purpose of the book is to recommend theories and methods on social structure to society and readers and to investigate the development and change in China s social structure We believe that social structure theory a brand new point of view to analyze the current situation is capable of deciphering the social contradictions in China s development to some extent as opposed to mere economic theory which is inadequate to fully address the structural problems in China

Visual Culture in Contemporary China I Zhou

Xian,2023-07-21 As the first volume of a two volume set that examines the interaction between social transformation and visual culture in contemporary China this book explores the visual construction of popular culture avant garde art and grassroots media culture Drawing on an approach of Marxist historic materialism and academic resources of sociology communication and art this study of contemporary China s visual culture emphasizes two inter related aspects the visual construction of society and the social construction of the visual It seeks to unravel how visual culture is produced and constructed as well as how it reflects the profound social transformation and reshapes people s understanding and experience of modernization In this volume the contributors revisit popular culture avant garde art and grassroots media culture in contemporary China analyzing the visual image and representation and visual culture s role in social construction In doing so the book also reveals the cultural tension of contemporary China in which the visual aspect figures prominently This book will serve as an essential read for scholars and students of China studies and cultural studies as well as all levels of readers interested in visual culture in contemporary China

Social Development and Social Changes in China Yi

Zhang,2024-04-10 From a sociological perspective this book explores issues related to population mobility family pensions and the lives of workers and peasants during the 70 years of urbanization since the founding of New China from the perspectives of population pension security employment structure transformation and social insurance systems thus exploring the deep logic behind China s successful experience The relevant issues studied in this book are a systematic summary of the experiences and lessons learned from social reforms since the founding of the country and also provide guidance for the future direction of social development and change

Redefining Nationalism in Modern China S.

Shen,2007-11-13 Why do the Chinese sometimes speak out against U S and yet at other times remain silent This book uses a variety of previously untapped sources including a range of news sources within China itself weblogs and interviews with

prominent figures to make a powerful new argument about the causes and consequences of the new Chinese nationalism

A Study of the Stability of Contemporary Rural Chinese Society Xing Ying, 2014-07-08 This book is the last work of the author's trilogy on Chinese rural politics. In the background of prominent social conflicts since the 1990s during China's social transformation, the author conducted in-depth comparative analyses of several conflicts to understand the changes in goals, driving forces, and operating systems in the Chinese rural group contentions. His analyses also focused the changes in techniques and strategies of the governments' stability maintenance as well as the complicated social and political consequences brought by these changes. This book applies a very unique perspective and vigor in the Chinese culture to understand contemporary rural contentious politics in an attempt to overcome the problem brought by sense and sensibility and the confrontation between power and morality in the current contentious politics studies. And such a perspective successfully avoids the opposition between the transplanting school and rural school, which pushes forward the frontier of research on contentious political theories and rural societies. *Chinese Society - Change and Transformation* Li

Peilin, 2012-07-26 There is growing interest in social transformation in contemporary China, with much work published on the subject. This book is different from other books in that it presents an overview of the work of Chinese sociologists on how Chinese society is changing. It reports on a great deal of original research by leading outstanding Chinese scholars, including extensive fieldwork and large-scale social change survey data, and covers comprehensively the full range of aspects of the subject. It assesses developments since the beginning of reform in China and provides overall a comprehensive understanding of China's social development and of the likely impact of future social changes on China. **Civil Society in China** Karla W. Simon, 2013-03-22 This is the definitive book on the legal and fiscal framework for civil society organizations (CSOs) in China from earliest times to the present day. *Civil Society in China* traces the ways in which laws and regulations have shaped civil society over the 5,000 years of China's history and looks at ways in which social and economic history have affected the legal changes that have occurred over the millennia. This book provides an historical and current analysis of the legal framework for civil society and citizen participation in China, focusing not merely on legal analysis but also on the ways in which the legal framework influenced and was influenced in turn by social and economic developments. The principal emphasis is on ways in which the Chinese people, as opposed to high-ranking officials or cadres, have been able to play a part in the social and economic development of China through the associations in which they participate. *Civil Society in China* sums up this rather complex journey through Chinese legal, social, and political history by assessing the ways in which social, economic, and legal system reforms in today's China are bound to have an impact on civil society. The changes that have occurred in China's civil society since the late 1980s and most especially since the late 1990s are nothing short of remarkable. This volume is an essential guide for lawyers and scholars seeking an in-depth understanding of social life in China, written by one of its leading experts. **Politics, Economy, and Society in Contemporary China** Bill Brugger, Stephen Reglar, 1994 This analytic

overview of contemporary Chinese politics focuses on six major themes agriculture urban life and industry law and policing intellectuals women and the family and minority nationalities State-Society Relations and Confucian Revivalism in Contemporary China Qin Pang, 2018-05-25 This book is a study of the causes of the Confucian revival and the party state's response in China today It concentrates on the interactions between state and society and the implications for the Chinese state's control over society or in other words its survival over a rapidly modernizing society The book explores the answers to questions such as Why has Confucianism suddenly gathered great momentum in contemporary Chinese society What is the role of the Chinese state in its rise Is the state really the orchestrator of the Confucian revival as has been widely assumed This book will be of interest to think tank and policy researchers sinologists and those with an interest in Chinese society

Contemporary China Society And Social Change Introduction

In the digital age, access to information has become easier than ever before. The ability to download Contemporary China Society And Social Change has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Contemporary China Society And Social Change has opened up a world of possibilities. Downloading Contemporary China Society And Social Change provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Contemporary China Society And Social Change has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Contemporary China Society And Social Change. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Contemporary China Society And Social Change. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Contemporary China Society And Social Change, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Contemporary China Society And Social Change has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Contemporary China Society And Social Change Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Contemporary China Society And Social Change is one of the best book in our library for free trial. We provide copy of Contemporary China Society And Social Change in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Contemporary China Society And Social Change. Where to download Contemporary China Society And Social Change online for free? Are you looking for Contemporary China Society And Social Change PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Contemporary China Society And Social Change. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Contemporary China Society And Social Change are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented.
