Austronesia: The Revival Gerardo L. Bautista, 2020-12-08 The main objective of this book is to reinstate the family of the forgotten region of Austronesia and the Archipelago presently called Philippines Its story was summarized into nine chapters while the tenth chapter was the author's opinion to replace the name Philippines into Archesia The first nine chapters were based on a true story where the name Austronesia is the introductory feature followed by the migration of different ethnicity into an Archipelago caused by the breakup of the forgotten region The book is written in tri lingual sentences and contains humorous add ons including pictures to serve as evidence that supports the factual story As the Archipelago was conquered by the Spanish Empire the name Philippines was derived from King Philip of Spain From the Spanish Conquistadors 1521 through the invasion of the British Empire 1762 and invasion of the Americans 1898 the Philippines had experienced turnovers of rulers However after 377 years of its administration in the Philippines Spain surrendered the territory to the United States of America at the Treaty of Paris in December 1898 Eventually the Philippine is no longer owned by Spain and it's appropriate to rename the Archipelago with title such as Archesia which blends with the rest of the ESIAN family Furthermore the survey from the American Census Bureau in 2017 concerning reclassifying the inhabitants of the Philippine Island as Pacific Islanders in the year 2020 has triggered the author to race against time in presenting the name ARCHESIA if the Filipinos are ready for change
