Classical Dispensationalism And Its Eschatological Foundations:

Classical Dispensationalism and Its Eschatological Foundations Charles Jerry Robinson, 2006 **Dispensationalism and the History of Redemption** D. Jeffrey Bingham, Glenn R. Kreider, 2015-08-25 Top level scholarship on an enduring tradition Dispensationalism has long been associated with a careful trustworthy interpretation of Scripture Reflective of its past and present status and strategic to its future Dispensationalism and the History of Redemption is a fresh defense of a time tested tradition Made up of ten essays from leading dispensationalist scholars this volume covers the critical elements to know An introduction to dispensationalism including its terms and biblical support The history and influence of dispensationalism from its roots in John Nelson Darby to its global reach through missions The hermeneutic of dispensationalism the interpretive principles behind the system Dispensationalism and redemptive history the story of salvation traced through the Old and New Testaments including their unity and diversity in relation to Christ Dispensationalism and covenant theology a comparison and contrast between two main evangelical perspectives on Scripture s unity With contributors from top tier schools like Dallas Theological Seminary and Wheaton College Dispensationalism and the History of Redemption is an expert treatment of an enduring yet developing tradition *The End of History: Pentecostals and a Fresh Approach to the Apocalypse* Robert P. Menzies, 2022-02-03 Many have grown tired of confusing interpretations of the book of Revelation which feature end time scenarios that either miss the mark or appear largely irrelevant to their lives A fresh approach is needed if we are to recapture the vitality of John s message and receive its desperately needed truths The End of History offers precisely this with its call for Pentecostals in general and the Assemblies of God in particular to reassess doctrinal statements rooted in a dispensational premillennial perspective In their place Menzies offers eight eschatological essentials all of which flow from a careful reading of the Apocalypse that call us to face the future with purpose and hope *African Pentecostalism and Eschatological Expectations* Marius Nel, 2019-09-16 The Pentecostalisation of African Christianity has been called the African Reformation of the past thirty years African Pentecostalism is a diverse movement characterised by its emphases on Spirit baptism divine healing charismatic worship and eschatological expectations This work investigates its eschatological systems in terms of its unrealised expectation of the second coming of Christ and suggestions are presented for the movement to keep its eschatology at the heart of its impetus This is accomplished through a hermeneutical awareness of the distinctiveness of Pentecostalism as a restorationist movement Written for pastors church leaders and believers this book discusses the literalistic way of reading the Bible in most of the classical Pentecostal components of African Pentecostalism supporting their premillennialist and even dispensational eschatological views It suggests a new Pentecostal hermeneutics developed by scholarship in the past forty years in line with significant elements of the way in which early Pentecostals read the Bible This new hermeneutical awareness implies new and exciting ways of thinking about eschatology that will enrich and enlighten African Pentecostalism

in its hope for the second coming of Christ Towards a Pentecostal Eschatology Larry R. McQueen, 2019-05-21 Growing out of the need to articulate an eschatology that is consistent with the theological beliefs spiritual experience and hermeneutical insights of the Pentecostal movement this volume applies an interdisciplinary approach to the subject integrating historical biblical and theological studies After providing a comprehensive review of the current state of Pentecostal eschatology the study explores the periodical literature of the earliest years of the movement understanding this period to be the heart or originating source of the tradition Drawing upon insights gained from this exploration the boundaries for discerning a contemporary Pentecostal eschatology are established and a constructive biblical theological contribution to this subject is offered focused upon a fresh reading of Revelation 21 22 and framed around the narrative testimony of the fivefold gospel that emerges from the heart of the tradition **Perspectives in Pentecostal**

Eschatologies Peter Althouse, Robby Waddell, 2012-03-29 This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology for them but can stand as scholars and thinkers in their own right **Progressive Dispensationalism** Craig A.

Blaising, Darrell L. Bock, 2000-09-01 Thoughtful and accessible An up to date comprehensive overview of the most important issues in dispensationalism underpinned with accurate scholarship and summarized with clarity The Gospel Of the

Prince, and the Already, Not Yet TK Dunn, 2023-07-27 Using the enigmatic theological expression of P T Forsyth TK Dunn explores how a holistic and comprehensive interpretation of the threefold office of Christ undermines three critical areas of dispensational theology the literal hermeneutic disdain for the church catholic and a convoluted interpretation of the end times focused on ethnic corporate Israel Interacting with liberalism as Forsyth s foil and using the exegetical analysis of Scripture by G E Ladd Dunn argues that the kingdom of God is not the human driven utopia dreamed of by liberal scholars nor a dystopic disconnected future realm exclusively for ethnic corporate Israel rather the kingdom must be understood as the dominion of Christ s reign over a redeemed people who order their lives according to his gospel Access to the kingdom therefore is open to all who are redeemed by the priestly work of Christ submit to the king s constitution and thereby live according to the prophetic proclamations of kingdom life *The Dualism of Eternal Life, a Revolution in Eschatology*

Progressive Dispensationalism Richard Fountain, 2016-07-29 Modern scholars have varied responses to apocalyptic narrative in the Synoptic Gospels Some ignore it others reinterpret it and don't think that Jesus' warning about persecution works in this setting In order to understand apocalyptic in the New Testament we need to understand Jewish apocalyptic and its similarities and differences with Jesus We need to know the key themes and where those themes develop in the Synoptic Gospels Eschatological Relationships and Jesus begins by exploring the components of prophetic and apocalyptic eschatology figurative language history sequence and juxtaposition of ideas and then develops some of the major theological themes in Meyer Wright and Progressive Dispensationalism from the Synoptic Gospels As readers work through Eschatological Relationships and Jesus they begin to see and interpret the various patterns and themes in the eschatological discourses Samples from Mark's Gospel to Matthew and Luke and a table of key eschatological relations makes this study a practical guide to the gospels

Eschatology and Ecology Paul Hang-Sik Cho, 2011-05-01 This book raises the question of why Korean people and Korean Protestant Christians in particular pay so little attention in theory or practice to ecological issues The author argues that there is an important connection or elective affinity between this lack of attention and the otherworldly eschatology that is so dominant within Korean Protestant Christianity Dispensational premillennialism originally imported by American missionaries resonated with traditional religious beliefs in Korea and soon came to dominate much of Korean Protestantism This book argues that this of all forms of millennialism is the most damaging to ecological concerns It also suggests how Korean churches may effectively respond to the ecological challenge

A Victorian Dissenter David E. Seip, 2018-04-24 This book introduces the reader to Robert Govett 1813-1901 dissenting clergyman and author who wrote as a scholar of biblical prophecy primarily on the subject of the exclusion of believers in the Millennial Kingdom an idea of which he conceived The purpose of the book is threefold 1 to describe Govett his life and his printed work 2 to analyze Govett's eschatological beliefs especially those he originated and 3 to investigate why a respected theologian in England who had published over 180 books and tracts disappeared from dissenting print culture early in the twentieth century Govett's doctrine of exclusion was heavily intertwined with most of his writings It was a topic that he developed throughout his career Yet as the center of dispensationalism shifted to America Govett's views of the Rapture began to be seen as extreme The book explains why Govett was eclipsed as the center of the evangelical movement shifted and its theology ossified Since his death Govett has been occasionally remembered in scholarship but with increasing inaccuracies and skepticism This book seeks to remove the mystery

A Commentary on the Holy Scriptures: Critical, Doctrinal, and Homiletical Johann Peter Lange, 1874

Kingdom Come Matthew K. Thompson, 2019-05-21 In his *Pentecostal Spirituality A Passion for the Kingdom* 1993 theologian Steven J Land issued a clarion call for Pentecostal theologians to reconsider eschatology outside the categories of premillennial dispensationalism *Kingdom Come Revisioning Pentecostal Eschatology* is Matthew Thompson's constructive answer to Land's invitation Thompson persuasively argues that Pentecostalism's adoption of premillennial

dispensationalism as a hermeneutic as a philosophy of history and as an eschatology robs the movement of the potential for dynamic growth and of profound experiences of the power of the Holy Spirit Thompson concludes his account with an engagement of the eschatologies of John Fletcher J rgen Moltmann and Sergius Bulgakov in order to construct what he terms a genuinely Pentecostal eschatology formulated thematically through the lens of the five fold Pentecostal Full Gospel The Remaking of Evangelical Theology Gary J. Dorrien,1998-01-01 In this in depth historical analysis of evangelical theology Gary Dorrien describes how evangelicalism has developed and matured Beginning at the turn of the century and the start of the fundamentalist modernist controversies he notes the key figures and institutions of the evangelical movement He also shows how evangelicalism has both diversified and entered into the broader theological discussions of today **Israel's Last Prophet** David L. Turner,2015 Jesus words of indictment and judgment in the Gospel according to Matthew have fueled centuries of Christian anti Judaism But what did those words originally mean within Matthews narrative David L Turner examines how Matthew has taken up Deuteronomic themes of prophetic rejection and judgment and woven them throughout the Gospel culminating in Matthew 23 32 Matthew was engaged in a heated intramural dispute with other Jewish groups Turner argues The legacy of Christian anti Jewish violence reflects a gross misunderstanding of Matthew by generations who have failed to recognize the authors worldview and allusions **The Spirit of Atonement** Steven M. Studebaker,2021-01-14 Steven M Studebaker proposes a Pentecostal approach to a major Christian doctrine the atonement The book moves Pentecostal theology of the atonement from a primarily Christocentric and crucicentric register to one that articulates the pneumatological and holistic nature of Pentecostal praxis Studebaker examines the irony of Classical Pentecostalism relying on the Christocentrism of Protestantism evangelical atonement theology to articulate its experience of the Holy Spirit as well as the Pneumatological nature of Pentecostal praxis He then develops a Pentecostal theology of atonement based on the biblical narrative of the Spirit of Pentecost and returns to re imagine an expanded vision of Pentecostal praxis based on the theological formation of the biblical narrative The result is a Pentecostal atonement theology that shows the integrated nature of pneumatology creation and Christology in the biblical narrative of redemption It gives theological expression to not only the pneumatological nature of Pentecostal praxis but also the fundamental role of the Holy Spirit in the biblical narrative of redemption The book challenges popular western atonement theologies to re think their Christocentrism and crucicentrism as well as their atomistic tendency to separate soteriology into objective Christological and subjective pneumatolglcal categories *Doing Theology in the New Normal* Jione Havea,2021-07-30 Responses to the recent pandemic have been driven by fear with social distancing and locking down of communities and borders as the most effective tactics Out of fear and strategies that separate and isolate emerges what has been described as the new normal which seems to mutate daily Truly global in scope with contributors from across the world this collection revisits four old responses to crises assure protest trick amend to explore if how those might still be relevant and effective and or how they

might be mutated during and after a global pandemic Together they paint a grounded earthy context focused picture of what it means to do theology in the new normal **Dispensationalist Eschatology and Its Influence on American and British Religious Movements** Peter E. Prosser,1999
