Clear Lower Deck A Collection Of My Naval Yarns:

Clear Lower Deck Roger Paine, 2018-07-28 Do you know where the expression grog comes from Or what happened when the admiral's parrot got seasick Or why a gun toting generalissimo in the Philippines distributed medals from a shoebox Do you know why a distinguished royal visitor had difficulty in flushing the ship's toilet in Antigua or why Invergordon was referred to as dump Or have you heard about a cat called Oscar who was sunk with the German battleship Bismarck in World War II but survived to be sunk twice more in the ships which rescued him The answers to these questions and other true salty stories can be found in this book by former Royal Navy officer Roger Paine as he charts the ups and downs of life both ashore and afloat Together with recipes for rum punch and Christmas cake plus the traditional RN toasts for each day of the week this delightfully irreverent and occasionally indiscreet collection of yarns is here to be savoured and treasured Shortlisted for a Mountbatten Maritime Media Award 2010 **Naval Yarns** William Henry Long, 1904 [Naval Yarns of Sea Fights and Wrecks, Pirates and Privateers from 1616-1831](#) William H. present day saying nothing of the pretty quiet little fishing village of Swampscot and the panorama of sailing craft that always ornament the sea view Near the base of the rock there resided until a few years since the celebrated fortune teller known by the name of Moll Pitcher a soubriquet given her by the town s people her rightful name never having been ascertained She lived to a remarkable old age and to the day of her death the visitor who crossed her palm with broad pieces was sure to receive in return some truthful or fictitious legend of the neighborhood There are many among us to this day who remember with pleasure their visits to the strange old fortune teller of Lynn at the base of High Rock To be continue in this ebook
