Mechanical Ventilation Susan P. Pilbeam,2006 Vicki walked nervously up to the podium to speak about World Peace and Unification She wasn't sure she was the right person for the job after the World News showed part of a clip of her standing with a bloody tomahawk Hence her nickname General Tomahawk in her right hand and a blood dripping knife in her left hand fighting

hand to hand with those that wished to kill her She was a warrior Some called her a cold blooded killer but she was not Laying her tomahawk and pistol on the podium she heard several gasps when she took them out like they were expecting her to open fire on the audience Instead she removed her hands from them and started speaking Vicki was shocked how well her short little speech was shown around the world and the people agreed with her it was time to stop all wars Appointed as a Senator in the newly added state of Indonesia Vicki found out how popular her speech made her when she arrived to a million chanting supporters The price of popularity Vicki found out quickly when she was kidnapped by a group of Terrorists trying to force a change in the boundaries of one of the states to create their own little state Patty who had retired as General Bitch and Toni put together a team to go rescue her in the jungles of the Amazon forest Brad the President of the Republic of Terra really didn't want to send troops in because he would appear to be the war monger that his enemies made him out to be so he let Bitch and Toni handle the rescue knowing they were quite capable of doing so As the world joins together in hopes of ending all wars and saving the planet politics becomes the center of their lives until Brad has served his two consecutive terms as President and moves the family to the ranch that the wives bought Michele is elected to take his place as World President of a united world that is being rapidly rebuilt and space is the new frontier as they Colonized the Moon Mars and had swarms of people going to the Asteroid Belt trying to get rich off all that was there Two of his wives led deep space exploration taking mining fleets to Jupiter Jackson and to Saturn Cat There were many surprises in store for the family members in space and heartaches The Martian Bug cost them the life of one of his children
