intervention and advocacy techniques program planning and marketing approaches Special Populations gives attention to four special population groups indigenous elders African American older adults elderly Latinos and disabled elders Special Issues Pertaining to Rural Elders covers five essential issues for rural gerontological social workers health promotion older workers and retirement preparation aging in place specialized housing and ethical practice Training and Policy Recommendations future training and education recommendations for social workers are explored as well as service capacity building the aging network and the future of long term care While a variety of theoretical perspectives are explored in Gerontological Social Work in Rural Towns and Communities the book's empowerment orientation and strengths based approach will enhance your abilities to improve quality of life for elderly individuals in rural communities Each chapter contains a comprehensive review of the literature on the subject it addresses and several chapters include tables and graphs to further establish their revealing empirical findings An appendix provides additional sources to turn to for more information

The Oxford Handbook of Social Work in Health and Aging Daniel B. Kaplan, Barbara Berkman, 2016 This Second Edition of the Handbook addresses the evolving interdisciplinary health care context and the broader social work practice environment as well as advances in the knowledge base which guides social work service delivery in health and aging This includes recent enhancements in the theories of gerontology innovations in clinical interventions and major developments in the social policies that structure and finance health care and senior services In addition the policy reforms of the 2010 Patient Protection and Affordable Care Act set in motion a host of changes in the United States healthcare system with potentially profound implications for the programs and services which provide care to older adults and their families In this volume the most experienced and prominent gerontological health care scholars address a variety of populations that social workers serve and the arenas in which they practice followed by detailed recommendations of best practices for an array of physical and mental health conditions The volume's unprecedented attention to diversity health care trends and implications for practice research policy make the publication a major event in the field of gerontological social work This is a Must Read for all social work social work educators practitioners and students interested in older adults and their families

Gerontological Social Work Supervision Carlton Munson, Ann Burack Weiss, Frances C Brennan, 2014-02-25 This unique book clearly depicts a need for supervision in gerontological social work settings and provides a framework for approaching supervision Grounded in two distinct bodies of literature social work supervision and gerontological social work this important book thoroughly examines present gerontological practice and principles and focuses on the stages and styles of helping and teaching case workers to improve agency efficiency Gerontological Social Work Supervision assumes some gerontological knowledge and experience with aging on the part of the supervisor yet provides an abundance of informative and practical methods to aid agency success rates with their clients The authors discuss the supervisory position as a positive asset in all aspects of case work and management Throughout the chapters the value of a supervisor is compounded whether

the supervisor is helping a worker in seeing a broader scope of the field of social work with the elderly providing guidance through gray areas of ethics or teaching practice skills for work with individuals groups or families the need for an involved and prepared case worker supervisor becomes increasingly clear through the theories and scenarios presented Extensive examples and helpful considerations make this an invaluable book for agency supervisors and workers An entire chapter is devoted to providing supervision in the educational arena promoting a greater awareness of gerontological social work in students preparing for the field The appendices are packed with lists of additional works on supervision in social work bibliographies of selected readings in case management entitlement long term care and family caregiving

Introduction to Social Work Lisa E. Cox, Carolyn J. Tice, Dennis D. Long, 2021-09-03 The award winning *Introduction to Social Work* An Advocacy Based Profession takes students on an exploration of what social work is what it was historically and how to be an effective advocate as a social worker moving forward Built on a unique advocacy practice and policy model comprised of four components economic and social justice a supportive environment human needs and rights and political access the book provides a crucial lens for viewing today's social issues Best selling authors Lisa E Cox Carolyn J Tice and Dennis D Long emphasize advocacy throughout all sectors of social work with a focus on environmental international and military social work The Third Edition closely aligns with the latest Educational Policy and Accreditation Standards EPAS from the Council on Social Work Education CSWE references the 2018 Code of Ethics from the National Association of Social Workers NASW and includes profound discussions of societal impacts on areas of public health policy juvenile justice race inequality social movements and self care This title is accompanied by a complete teaching and learning package

Gerontological Social Work in Action Wendy Hulko, Shari Brotman, Louise Stern, Ilyan Ferrer, 2019-12-06 *Gerontological Social Work in Action* introduces anti oppression gerontology AOG a critical approach to social work with older adults their families and communities AOG principles are applied to direct and indirect practice and a range of topics of relevance to social work practice in the context of a rapidly aging and increasingly diverse world Weaving together stories from diverse older adults theories research and practical tools this unique textbook prompts social workers to think differently and push back against oppressive forces It pays attention to issues realities and contexts that are largely absent in social work education and gerontological practice including important developments in our understanding of ageism theories of aging and social work sites and sectors of health and social care managing risk and frailty moral ethical and legal questions about aging including medical assistance in dying caregiving dementia and citizenship trauma and much more This textbook should be considered essential reading for social work students new to or seeking to specialize in aging as well as those interested in the application of anti oppressive principles to working with older adults and researching later life

Mutual Aid Groups, Vulnerable and Resilient Populations, and the Life Cycle Alex Gitterman, Lawrence Schulman, 2005-02-23 The contributors to this volume examine the role of mutual aid groups and social workers in helping members of oppressed

vulnerable and resilient populations regain control over their lives The chapters reveal the ways in which mutual aid processes help individuals overcome social and emotional trauma in contemporary society by reducing isolation universalizing individual problems and mitigating stigma Using the life cycle as a framework the editors establish a theoretical model for practice and demonstrate how social workers as group leaders can foster the healing and empowering process of mutual aid The contributors also consider the fundamentals of the mutual aid process the institutional benefits of group service and specific clinical examples of mutual aid groups Each chapter offers detailed case materials that illustrate both group work skills and developmental issues for a variety of populations and settings including HIV positive and AIDS patients the homeless and perpetrators and victims of sexual abuse and family violence New chapters in this completely revised and updated third edition illustrate the power of mutual aid processes in dealing with children traumatized by the events of September 11 adult survivors of sexual abuse parents with developmentally challenged children people with AIDS in substance recovery and mentally ill older adults

Gerontological Supervision Ann Burack Weiss, Frances C.

Brennan, 2013-05-13 The growing population of aging Americans is bringing with it thousands of new workers into agencies serving the elderly each year Now the need for supervisors to administer and train staff in programs for older persons is increasing as well This is a practical how to guide for the supervision of case managers personal care providers and interns working in community services and long term care of ill or disabled older persons This updated edition expands its focus by offering the latest up to date ideas and proven practice wisdom for handling many of the field s most common problems Filled with direct and composite case examples this useful guide looks at concerns central to the changing field of practice Part one gives an overview of the social work perspective Parts two and three consider practice and administrative issues Supervision of interns is covered in part four and part five expands the scope of original edition by discussing the similarities and differences between home care and long term care settings Chapters include coverage of dual emphasis on person and environment treatment with dignity and respect stages of helping learning and teaching negotiating the balance between dependence and independence styles of learning and teaching tuning in and anticipatory empathy assessment case planning on going work and termination empowerment mediation and advocacy the supervisor as middle management staff development the supervisory conference and recording requirements evaluation in group supervision home care residential care Gerontological Supervision is an invaluable resource for supervisors with or without MSWs and RNs as well as case managers personal care providers interns and educators and students in social work

Social Work Approaches to Conflict Resolution B Harold Chetkow-Yanoov, 2013-10-11 Social Work Approaches to Conflict Resolution helps readers understand the nature and causes of conflict and offers suggestions for coping with conflict effectively It is based on two assumptions that conflict is a basic part of the life of normal human beings groups organizations communities and nations and that resolving conflict is part of the ongoing interventions of all social workers A practical text for theory practicum courses for

MSW and doctoral students it is filled with information also useful to therapists group workers community workers administrators scholars in the social sciences practitioners in other helping professions and trainers in the emerging field of conflict resolution itself Deliberately linking conflict resolution and systems analysis *Social Work Approaches to Conflict Resolution* tackles a number of related themes to help you see the connections between topics not normally presented together in social work literature You ll see how unmet needs may cause conflict to evolve and escalate and learn about the connections between strongly held feelings and the destructive relations that have developed between diverse ethnic peoples in many parts of our planet Author Benjamin Chetkow Yanoov draws on his own background of being a minority as well as his experience in Arab Jewish reconciliation in Israel as he offers readers thorough explanations of a systems model for analyzing conflict problem solving versus resolving conflict how value clashes and victimization are some of the basic causes of conflict escalation 9 professional roles required for resolving conflicts the effectiveness of volunteers in conflict resolution teaching conflict resolution skills to various audiences trends in the evolution of voluntary conflict resolution efforts You can apply much of what you learn in *Social Work Approaches to Conflict Resolution* not only to your professional life but also to your personal relationships and experiences Also since victimized people and groups are major contributors to the perpetuation and escalation of conflict the book suggests 10 steps for helping victims free themselves from repeated conflict generating behaviors

Handbook of Social Work in Health and Aging Barbara Berkman, 2006-02-09 The *Handbook of Social Work in Health and Aging* is the first reference to combine the fields of health care aging and social work in a single authoritative volume These areas are too often treated as discrete entities while the reality is that all social workers deal with issues in health and aging on a daily basis regardless of practice specialization As the baby boomers age the impact on practice in health and aging will be dramatic and social workers need more specialized knowledge about aging health care and the resources available to best serve older adults and their families The volume s 102 original chapters and 13 overviews written by the most experienced and prominent gerontological health care scholars in the United States and across the world provide social work practitioners and educators with up to date knowledge of evidence based practice guidelines for effectively assessing and treating older adults and their families new models for intervention in both community based practice and institutional care and knowledge of significant policy and research issues in health and aging A truly monumental resource this handbook represents the best research on health and aging available to social workers today

Encyclopedia of Social Work , 1965 *Social Work Intervention in an Economic Crisis* Martha Baum, Pamela Twiss, 2014-03-18 With the collapse of the steel industry in the 1980s economic devastation hit the Pittsburgh Pennsylvania region *Social Work Intervention in an Economic Crisis* strives to deepen understanding of the impact of the economic tragedy in the Pittsburgh region and to present social workers efforts to enhance recovery This case study serves as a model for social workers human service educators and agency personnel public health professionals community organizers

policymakers economic strategists and researchers in social work public health sociology anthropology and political science to design and implement human service interventions for similar communities using techniques of action research community organization and demonstration projects Social Work Intervention in an Economic Crisis shows readers relatively simple and highly effective ways of assessing the social economic situation in their given geographical area This allows professionals to be in touch with their surrounding communities and estimate the clientele to be served their particular needs and their abilities to access services Chapters in Social Work Intervention in an Economic Crisis describe the responses of local institutions the roles of informal and formal support networks and the economic devastation inflicted upon individuals households and whole communities To this end Hide Yamatani Lambert Maguire Robin K Rogers and Mary Lou O Kennedy take the socioeconomic pulse of six communities launching a longitudinal monitoring effort that can be replicated elsewhere for long range planning and intervention Martha Baum Barbara K Shore and Kathy Fleissner address the special problems women face Mary Page and Myrna Silverman focus upon the elderly and their families Phyllis D Coontz Judith A Martin and Edward W Sites look at fathers facing altered childrearing and Lambert Maguire and Hide Yamatani discuss youth facing altered economic opportunities With this knowledge in hand readers acquire skills for using action research to assess how economic tragedy affects people s lives mobilizing appropriate actors to engage in intervention learning from community groups and leaders about their concerns to work with them rather than for them recognizing the properties of community cohesion versus fragmentation as they affect efforts of renewal identifying individuals and families suffering most under economic devastation realizing the limits of micro level intervention generating macro policies at the state and federal levels disseminating findings from action research and intervention demonstration efforts Finally Social Work Intervention in an Economic Crisis offers proposals for new societal mechanisms that might reduce the impact of future recessions The findings and policy proposals set forth in this book help households and institutions deal with the effects of economic change which continue to afflict many families and small communities in the 1990s

Whispering the Secrets of Language: An Emotional Quest through **Clinical Gerontological Social Work Practice**
