Literature Circles in the Primary Grade Classroom S. Shawn Kim, 2014-08-27 The purpose of this study was to examine the effectiveness of Transactional Strategies Instruction such as Literature Circles in teaching reading comprehension to a diverse group of second graders The diversity included various levels of readiness in reading language status such as English learners and native speakers of English and various levels of participation by children in a whole class setting The findings suggested that TSI was effective with students in the primary grades such as second grade in teaching comprehension and in increasing autonomy in children as learners and as members of Literature Circles In addition there were unexpected findings of increased motivation and enjoyment in children increased teacher like facilitating and helping behaviors and evidence of children informing instruction for the teacher The study concluded with the suggestion that there was interaction among various factors found as the result of Literature Circles such as reading comprehension autonomy motivation and enjoyment children helping each other and children informing instruction for the teacher

Balancing Reading and Language

Learning Mary Cappellini, 2024-11-01 Teaching reading to children in a language that is not their own is a daunting task. Balancing Reading and Language Learning: A Resource for Teaching English Language Learners K-5 provides the strategies proven to be effective in a balanced reading program while at the same time valuing the native culture and first language skills of the English language learner. Combining the best classroom practices and research on teaching reading and language acquisition, author Mary Cappellini integrates effective reading instruction with effective language instruction. Through the framework of a balanced reading program, she emphasizes the importance of constantly listening for and assessing children's language and reading strategies during read aloud, shared reading, guided reading, and independent reading, including literature circles. Included in this text are: How to set up an environment that will allow all English language learners to succeed; Stages of English language proficiency and stages of reading development, how they compare, and how to use them to assess and plan for individual children; A focus on tapping into children's prior knowledge in their primary language while teaching reading in English and using Spanish-English cognates to help develop academic language; A collection of in-depth lessons and mini-lessons based on children's language proficiency and reading strategy needs with ongoing assessment, teacher reflection, and with an emphasis on choosing the right books to match their reading and language level; How to manage numerous guided reading groups with children of all stages of reading and language proficiency; Thematic planning with sample units for primary and upper grades to support academic language and meet content standards; Ideas for literacy evenings, school tours, and other events to involve parents with the learning community; Extensive resources, numerous forms and checklists, observation sheets, planning sheets, literature response sheets, focus sheets for shared and guided reading, and more. Regardless of how many or how few ELL students a teacher has, this invaluable resource helps them meet the challenges and reap the rewards of teaching children to read as they learn the language.

Informational Texts in Pre-Kindergarten through Grade-Three Classrooms Elaine M.

Bukowiecki, Marlene P. Correia, 2016-11-14 This book presents a myriad of instructional techniques and critical literacy strategies while serving as a professional resource for inservice and preservice primary grade teachers as they include informational texts in their classrooms. In each of the nine chapters, there is a particular topic that guides the focus of the chapter. These themes include a rationale for incorporating informational texts in the primary grade classroom; a discussion of the unique features of informational texts; the selection of high-quality informational materials for primary readers; critical literacy; prereading, during reading, and post-reading strategies; the writing of informational texts and inquiry projects for the primary classroom. This book also contains a preface, an introduction, and an afterword in which the controversy regarding the Common Core State Standards is discussed. Unique features of each chapter are specific standards reflecting the Common Core State Standards; strategies for all students to be successful with the Standards; transcriptions of lessons from primary grade classrooms; examples of pupils' work as they interact with informational materials; and a Give It a Try section where a
