Cleopatra's Nose 39 Varieties Of Desire By Thurman Judith 2008 Paperback:

A Balthus Notebook Guy Davenport, 2020-08-11 In his 1989 book on Balthus the storied and controversial artist who worked in Paris throughout the twentieth century Guy Davenport gives one of the most nuanced literary and compelling readings of the work of this master Reading it today highlights the change in perspectives on sexuality and nudity in art in the past thirty years Written over several years in his notebooks Davenport's distinct reflections on Balthus's paintings try to explain why his work is so radical and why it has so often come under scrutiny for its depiction of girls and women Davenport throws the lens back on the viewer and asks is it us or Balthus who reads sexuality into these paintings For Davenport the answer is clear Balthus may indeed show us periods in adolescent development that are uncomfortable to view but the eroticization exists primarily on the part of the viewer Arguing that Balthus's figures are erotic only if we make them so and that their innocence is more present than anything pornographic in them Davenport posits that the paintings hold up a mirror to our own perversities and force us difficultly to confront them He writes The nearer an artist works to the erotic politics of his own culture the more he gets its concerned attention Gauguin's naked Polynesian girls brown and remote escape the scandal of Balthus's although a Martian observer would not see the distinction Davenport's critique helps us understand Balthus in our times something we need more than ever as we crucially confront sexual politics in visual art
