*Clever Fox* Jeanine Pirro, 2012-09-18 Prosecutor Dani Fox finds herself amidst warring crime families in the aftermath of a murdered Mafia capo's daughter. Drawing from her own past as a dynamic hard charging district attorney and judge Emmy award winner Jeanine Pirro's page turner is ripped from the headlines full of gripping details authentic thrills and suspenseful realism that can only come from a courtroom litigator who's been in the trenches. Prosecutor Dani Fox has handled some gruesome homicide cases but her investigation into the brutal murder of a local Mafia capo's daughter goes from tricky to downright dangerous. Although the victim has ties to the New Jersey Mafia she was also secretly engaged in an affair with someone from a rival New York crime family. As if squaring off against two powerful crime families weren't enough Dani suspects that the murder is more than a simple crime of passion and getting to the bottom of this grisly homicide puts Dani and her long term boyfriend Will in harm's way. *Clever Fox* has you rooting for Dani in this deadly fight between the ace prosecutor and an elusive and dangerous killer.

**Plain Jane 3** Jane Coma, 2012-11-27 The stories contained in this book were told to children in Albania many years ago. Some may appear harsh confusing or antiquated to contemporary readers but they are best understood as stories written for us and not to us. Albania is an ancient and rich culture with centuries of tradition so please read these stories with that in mind. In *Plain Jane 3* I will share childhood stories that I heard growing up. Although my grandparents and great grandparents were uneducated people they were very smart though quite old fashioned. They taught me the value of hard work and how to enjoy the simple pleasures of life.

**Thomas And Jane Carlyle** Rosemary Ashton, 2012-03-31 They were the most remarkable couple in London the great sage Carlyle with his vehement prophecies and his witty sardonic wife Jane. It was a strong close mutually admiring yet often mutually antagonistic partnership fascinating to all who observed it. The Carlyles lived at the heart of English life in mid

Victorian London but both were outsiders a largely self educated Scottish pair who took a sometimes caustic look at the society they so influenced Carlyle through his copious writings and both through their network of acquaintances and correspondents Carlyle's fame was confirmed by his *Sartor Resartus* of 1843 The French Revolution his lectures on heroes and hero worship and by his radical account of contemporary industrial Britain in *Past and Present* 1843 Both husband and wife were great letter writers Carlyle commenting on the matters of the day dashing off pen portraits of those he met and Jane with her brilliant stories and her sharp dry humour Yet despite her brilliance Jane suffered especially from Carlyle's infatuation with the lion hunting Lady Ashburton and the tensions in their marriage grew The letters they wrote both to each other and to others make theirs the most well documented marriage of the nineteenth century and give us an unequalled portrait of a famously unhappy marriage This moving and vivid biography describes their relationship with each other from their first meeting in 1821 to Jane's death in 1866 and also their relationship with the world outside Rosemary Ashton's inimitable blend of rigorous scholarship warm sensitivity and lively wit makes this not only a portrait of a marriage but a picture of a whole age elegant erudite and entertaining *Captain Otway Burns, Patriot, Privateer and Legislator ...* ,1905
