Creative License Margherita Spagnuolo Lobb,Nancy Amendt-Lyon,2011-06-28 The time is ripe more than fifty years after the publication of the magnum opus by Perls Hefferline Goodman to publish a book on the topic of creativity in Gestalt therapy The idea for this book was conceived in March 2001 on the island of Sicily at the very first European Conference of Gestalt Therapy Writers of the European Association of Gestalt Therapy Our starting point was an article on art and creativity in Gestalt therapy which was presented there by one of the editors and illuminated by a vision held by the other editor of bringing together colleagues from around the world to contribute to a qualified volume on the

subject of creativity within the realm of Gestalt therapy We wanted to continue the professional discourse internationally and capture the synergetic effects of experienced colleagues reflections on various aspects of our chosen subject Moreover we intended to explore how the theoretical reflection of one's practice can inspire effective interventions and vice versa how the discussion of practical experiences can shape new theoretical directions Hence our aim in this book is to create a forum on the concept of creativity in Gestalt therapy

The Quick Theory Reference Guide Karin Jordan, 2007 Since the beginning of the concepts of family therapy mental health professionals have known that the family the system is a powerful source of support for change or a powerful force for resistance to change Some professionals work with individuals some with families and some with groups However all work with the context of the systems family group community country etc Students especially beginning students are overwhelmed and confused at the variety of approaches to working with clients Many programs introduce students to individual as well as systems concepts in the course of training Students need assistance in learning this variety of theories They need to be able to compare and contrast theories and techniques to determine when and where to utilise the best skills in order to facilitate client change Dr Karin Jordan has compiled a comprehensive text that enables the students to discover each theory as it is presented in its purist form The text is accessible yet the content provides comprehensive knowledge of each theory Dr Jordan has brought together the master educators and clinicians in our fields to write about their particular expertise

Psychopathology of the Situation in Gestalt Therapy Margherita Spagnuolo Lobb, Pietro Cavaleri, 2023-03-24 This collection explores the impacts and new ways of treatment of difficult clinical situations in the uncertainty of a world in crisis through a phenomenological and aesthetic field oriented lens Each author offers a Gestalt centered perspective on clinical issues a situational window which includes the therapist and avails itself of tools configured to modify the entire experiential field Through clinical case studies and theoretical reflections the book examines the experience of children difficult childhood situations such as separations abuse neurodevelopmental disorders adolescent social closure the experience of dependency couples and family therapy the condition of the elderly and the end of life interventions for degenerative diseases and the trauma of loss and mourning all of which are considered according to two cardinal points first the description of the relational ground experiences of patients and second the aesthetic relational knowing a field perspective which allows the presence of the therapist to be modulated

Psychopathology of the Situation in Gestalt Therapy A Field oriented Approach is essential reading for Gestalt therapists as well as all clinicians with an interest in phenomenological and aesthetic understanding of the complexity of clinical situations

Fritz Perls Petruska Clarkson, Jennifer Mackewn, 1993-04-20 A well researched clearly written book Petruska Clarkson and Jennifer Mackewn did a splendid job organizing the theoretical material Their judicious use of graphics enhances their discussions The chapter on Perls contributions to practice is nicely peppered by samples of his actual therapy work and this is true for other chapters This I imagine is how Fritz would have liked it to let his work speak for itself Petruska Clarkson and

Jennifer Mackewn have carefully crafted and produced a powerfully informative book Its pages are crammed with up to date facts and issues relating to Perls The work is lean not one word is wasted Congratulations British Gestalt Journal Fritz Perls was the co founder of Gestalt Therapy which is based on a holistic view of people and their relationship to the environment and which remains one of the most influential approaches in counselling and psychotherapy today This book provides a clear account of the diverse life of this popular but controversial psychotherapist and discusses his ideas simply and lucidly The book includes examples of Perls work drawn from transcripts and films of his demonstration sessions A further feature is a full acknowledgement of the criticisms and appreciations which Perls life and work have attracted and an honest evaluation of whether and to what extent they are justified

Sketches Joseph C. Zinker, 2013-04-15 To all of those familiar with the Gestalt model and its many creative extensions and applications the name Joseph Zinker needs no introduction A master Gestalt therapist and a cofounder of the Gestalt Institute of Cleveland Joseph trained with Fritz Perls in the 1960 s and has been influential in the growth and development of Gestalt theory and methodology for over three decades His groundbreaking 1976 book Creative Process in Gestalt Therapy remains a best seller and classic It eloquently presents his unique contributions to the Gestalt method including dreamwork as theater the choreography of expressive movement experiment and application of the arts to psychotherapy In his most recent book In Search of Good Form Gestalt Therapy with Couples and Families Analytic Press 1998 Joseph inspires a return to Gestalt therapy with couples and families Joseph inspires a return to Gestalt therapy s roots in humanism holism and faith in the creative power of growth and integration that resides in each of us Aside from his books he has published many articles on psychotherapy the arts and the phenomenology of love In recent years his focus has been on the development of couple and family therapy He now leads workshops around the world and is well know as an engaging teacher helping and inspiring therapists and lay people alike Joseph has experienced drama and struggle in his rich life resulting in a deep compassion for his fellow man He is seen as lively and creative at times funny at others deeply moving as he lovingly reaches out to workshop participants
