The Wisdom Education Movement Manifesto

THEODORE RICHARDS

foreword by Bill Ayers

Richards wants to shape education by story rather than by information, by resisting consumerism rather than educating for it. The goal of education, he reminds us, "is not to make better schools, but to make a better world...."

—Matthew Fox, author of *Creativity: Where the Divine and the Human Meet*

Creatively Maladjusted The Wisdom Education Movement Manifesto:

Creatively Maladjusted Theodore Richards, 2024-07-24 Education is the subject of much public debate Politicians and bureaucrats educators and parents students and concerned citizens all have an interest and a stake in the way we educate our children But while much is said about the subject seldom are the more profound difficult questions ever asked questions that require not only changing the way schools are organized and classes are taught but also require a radical transformation of the very concept of education in the modern world **Creatively Maladjusted The Wisdom Education Movement Manifesto** approaches the problem of education from just such a radically new perspective **Meister Eckhart** Matthew Fox, 2014-06-10 Though he lived in the thirteenth century Meister Eckhart's deeply ecumenical teachings were in many ways modern He taught about what we call ecology championed artistic creativity and advocated for social economic and gender justice All these elements have inspired spiritual maverick Matthew Fox and influenced his *Creation Spirituality Here* Fox creates metaphorical meetings between Eckhart and Teilhard de Chardin Thich Nhat Hanh Carl Jung Black Elk Rumi Adrienne Rich and other radical thinkers The result is profoundly insightful substantive and inspiring *Confessions, Revised and Updated* Matthew Fox, 2015-11-10 Matthew Fox's stirring autobiography *Confessions* reveals his personal intellectual and spiritual journey from altar boy to Dominican priest to his eventual break with the Vatican Five new chapters in this revised and updated edition bring added perspective in light of the author's continued journey and his reflections on the current changes taking place in the Catholic church Instead of living out his vows as a Dominican brother Matthew Fox was expelled from the Order after 34 years by Cardinal Ratzinger who later became Pope Benedict XVI Fox took this as a warning from the Church that henceforth thinkers should not think but get in line It is from this anti intellectual inquisition style mentality that the cover up of priestly pedophilia also grew as the Vatican appointed several generations of bishops and cardinals whose only criterion for selection was that they be uncritical yes men *Confessions* tells the inside story of what it was like standing in front of the train when the Vatican was on the attack It also reflects on the meaning of the encouragingly healthy papacy of Pope Francis but holds little hope for the institutional church Rather this book points to the main interest and accomplishments of the author's work to bring spirituality and prophetic warriorhood alive again in society and religion Fox draws inspiration from great mystics of the past such as Hildegard of Bingen a champion of the Divine Feminine and Meister Eckhart a profoundly mystical and ecumenical champion of those without a voice and the return of the archetype of the Cosmic Christ alongside the teachings of the historical Jesus and the bringing forth of the wisdom traditions from all the world's spiritual traditions to stand up for eco justice gender justice economic justice and social justice **Matthew Fox** Fox, Matthew, 2022-03-23 *Essential writings by Matthew Fox* theologian and leading proponent of creation spirituality **Heaven on Earth** Stephanie Dowrick, 2013-09-26 Winner of the 2014 Nautilus Award represents Better Books for a Better World the Gold Award Best Book of the Year in the category of Religion Spirituality Other Traditions Practices Here is
