TICHENOR, 2018      *The Creed of Constantine* Henry Mulford Tichenor, 2013-12      **The Creed of Constantine** Henry M. Tichenor, 2017-09-03 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates      The Creed of Constantine; Or, the World Needs a New Religion HardPress, Tichenor Henry M 1858-1922, 2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain

imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

**The Metaphysical World of Isaac Newton** John Chambers, 2018-02-13 Newton's heretical yet incisive writings on theology, spirituality, alchemy, and prophecy written in secret alongside his *Principia Mathematica* Shows how Newton's brilliance extended far beyond math and science into alchemy, spirituality, prophecy, and the search for lost continents such as Atlantis Explains how he was seeking to rediscover the one true religion that existed prior to the Flood of Noah when science and spirituality were one Examines Newton's alternate timeline of prehistory and his study of prophecy through the Book of Revelations including his prediction of Apocalypse in the year 2060 Isaac Newton 1643-1727 is still regarded by the world as the greatest scientist who ever lived He invented calculus, discovered the binomial theorem, explained the rainbow, built the first reflecting telescope, and explained the force of gravity In his famous masterpiece *Principia Mathematica* he described the mechanics of the physical universe with unimagined precision, proving the cosmos was put together according to laws The perfection of these laws implied a perfect legislator To Newton they were proof that God existed At the same time Newton was writing *Principia Mathematica* he was writing a twin volume that he might have called had it been completed *Principia Theologia* Principles of Theology This other masterpiece of Newton kept secret because of the heresies it contained consists of thousands of essays providing incisive answers to the spiritual questions that have plagued mankind through the ages Examining Newton's secret writings John Chambers shows how his brilliance extended into alchemy, spirituality, the search for lost continents such as Atlantis, and a quest to uncover the corrupted texts that were rife in the Bibles of his time Although he was a devout Christian Newton's work on the Bible was focused not on restoring the original Jewish and Christian texts but on rediscovering the one true religion that existed prior to the Flood of Noah when science and spirituality were one The author shows that a single thread runs through Newton's metaphysical explorations He is attempting to chart the descent of man's soul from perfection to the present day The author also examines Newton's alternate timeline of ancient history and his study of prophecy through the Book of Revelations including his prediction of an Apocalypse in the year 2060 followed by a radically transformed world He shows that Newton's great hope was that these writings would provide a moral compass for humanity as it embarked upon the great enterprise that became our technological world

**Socialism and American Life, Volume II** Donald Drew Egbert, Stow Persons, 2015-12-08 Easily the most comprehensive and useful work on American socialism including its history, theories, and impact on life, culture, and economic and political parties in the United States Volume 2 bibliography is as important a contribution as the essays Hereafter students of practically all phases of American life will turn to it for help and guidance U S Quarterly Book Review Originally published in 1952 The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of

the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Contending for the Faith** E. Daisy Rodriguez, 2014-10-10 Contending for the Faith invites readers to explore two millennia of church history and to learn how God works through the church's ministry to spread the gospel of God's kingdom and in the end to defeat the forces working to oppose him E Daisy Rodriguez combines dramatic retellings of the biblical narrative direct citations from the Scriptures and reflections that connect the lives and ministries of contemporary Christians with God's work in the church throughout its history Various chapters treat topics like God's commission the church Christ's gifts historical critique prophetic vision and assurance of God's victory The tone is approachable and energetic blending together explanations of the biblical background and the historical record with sections that speak to the contemporary mission of the church and its future mission Like a lighthouse the church has and will continue to light the way for a world lost in the darkness If you have asked yourself what God's plan is for his people and wondered how to interpret the threats made by forces opposed to God and the church then Contending for the Faith will give you both a helpful introduction to the sweep of history from the church's birth to Christ's return in power God's people can be encouraged and trust that God in the end will carry out his plans for the church the body of Christ
