

A photograph of a rusty, dark metal gallows structure set against a wall of rough-hewn stone blocks. The gallows has two large circular openings for the hands and a horizontal bar across the middle. A thick metal rod is draped over the top of the structure. The scene is outdoors, with some moss visible on the stone wall and the ground.

Crime And Punishment In And Around The Cotswold Hills Driveabout:

Crime and Punishment ,2013 This fully illustrated color book written by Cotswold publisher Nicholas Reardon shows the reader in Photographs and Sketches old time punishments such as stocks whipping posts and lock ups along with stories of murdered Kings and Court Jesters Highwaymen and War Crimes committed long ago when the Cotswold hills were not so peaceful Author Nicholas Reardon Having lived in the Cotswolds all my life and with a keen interest in history I would like to share my love of this area with you by pointing out some of the hidden features to be found in this unique part of the English countryside Over the years my father the well known Cotswold artist Peter Reardon had drawn a number of little sketches showing stocks whipping posts and old town lock ups These illustrated the historic types of punishment served up to those who broke the law in and around these lovely and now peaceful hills I was pleasantly surprised to discover that even after so many years these objects that my father had drawn were still in existence they had been well looked after and could be viewed by anyone interested in this type of unusual history Using the drawings as a starting point I photographed these objects to show how they look today Then along with a short description plus directions of how to find them I produced the book you are now holding Whilst reading this book you may notice that one of my personal interests is Gargoyles and I have scattered a few of my favorites throughout its pages The Cotswolds contain a treasure trove of history its grand stately homes and castles the far older stone circles and ancient burial mounds all in all any visitor will be able to find something to delight them in these rolling hills

Crime & Punishment Nicholas Reardon,2013-06-10 *Olde Cotswold Punishments* Nell Darby,2011-04-01 Look beyond the pretty cottages and gentle landscapes of the Cotswolds and you will find a dark history of crime and punishment From child thieves poachers conmen prostitutes and would be suicides to bigamists highwaymen and murderers the Cotswolds has had its fair share of criminals treated in what appears to us today to be an arbitrary and often unduly harsh manner by judges and juries What crimes were committed in this rural society in the past and how were they punished This book looks at the variety of punishments bestowed to miscreants from being hanged from a portable gallows at the scene of a crime to transportation or hard labour and why some were punished more than others Evidence is taken from contemporary sources prison records newspaper accounts and broadsides that celebrated the lives and deaths of local characters It is a fascinating and shocking read
