Crime And Elder Abuse An Integrated Perspective:

Crime and Elder Abuse Brian K. Payne, 2005 This book will help to advance understanding among policymakers practitioners and educators and prepare them to limit the negative consequences associated with victimization of older adults This second edition builds on the earlier edition in five ways First new research has been added into each chapter Second the tables and figures have been updated with applied critical thinking questions now included in order to make the tables and figures more interactive with readers Third various sections have been added in different chapters Fourth chapters 2 7 now include box inserts which include brief overviews written by professionals who are discussing some aspect of elder abuse Finally chapter 7 has been added This new edition will help shed some light on what can be done to prevent elderly persons from being victimized or at least minimize the consequences of victimization when abuse does occur It will be of interest to those in several different disciplines including criminology gerontology social work social welfare sociology psychology victimology medicine and other social sciences

Elder Crimes, Elder Justice David R. Snyder, 2012-09-05 The proportion of the aged in society today is greater than ever before and growing faster than any other segment of the population Law enforcement officers are increasingly called upon to manage the needs of the older population they serve Elder Crimes Elder Justice addresses all of the special needs of older people and gives the law enforcement officer the confidence that is needed to understand the aging process communicate effectively with older people understand the fears of older people develop effective crime prevention strategies and respond effectively to the older perpetrator This book offers insights into the special considerations of the growing elderly population and teaches how to handle day to day interactions astutely and empathetically resulting in a positive outcome for the law enforcement official for the older person and for the community Key Features Topics include crime and the older adult the criminal victimization of older adults communicating with and interviewing the elderly crime victim crime specific issues facing the older population and the older adult as perpetrator Each chapter contains multiple case studies These case studies prompt the reader to think about what they might do if they encounter a similar situation in the field Includes Communication Tips throughout to remind the reader of communication issues and how to communicate properly with older adults Includes Attitude Tips throughout that demonstrate to the reader how to appropriately handle issues involving older adults

Preventing Crime and Violence Brent Teasdale, Mindy S. Bradley, 2016-11-29 This insightful volume integrates criminological theories prevention science and empirical findings to create an up to date survey of crime prevention research and strategies Its interdisciplinary perspective expands on our knowledge of risk factors to isolate the malleable mechanisms that produce criminal outcomes and can therefore be targeted for intervention In addition the text identifies developmental lifespan and social areas for effective intervention Reviews of family community and criminal justice based crime prevention approaches not only detail a wide gamut of successful techniques but also provide evidence for why they succeed And as an extra research dimension the book

s chapters on methodological issues and challenges uncover rich possibilities for the next generation of crime prevention studies Included in the coverage Integrating criminology and prevention research Social disorganization theory its history and relevance to crime prevention Research designs in crime and violence prevention Macro and micro approaches to crime prevention and intervention programs Implications of life course approaches for prevention science Promising avenues for prevention including confronting sexual victimization on college campuses Spotlighting current progress and continuing evolution of the field Preventing Crime and Violence will enhance the work of researchers practitioners academicians and policymakers in public health prevention science criminology and criminal justice as well as students interested in criminology and criminal justice White-Collar Crime: The Essentials Brian K. Payne,2012-03-15 White Collar Crime The Essentials is a comprehensive yet compact text addresses the most important topics in white collar crime while allowing for more accessibility through cost Author Brian Payne provides a theoretical framework and context for students and explores such timely topics as crimes by workers sales oriented systems crimes in the health care system crimes by criminal justice professionals and politicians crimes in the educational system crimes in the economic and technological systems corporate crime environmental crime and others This is an easily supplemented resource for any course that covers white collar crime

Elderly Abuse Dr. Deepshikha Chowdhary , This book is written for anyone who works with elders and is concerned about their well being It is intended to serve both as an introduction to the subject of elder abuse and neglect and as a guide to effective intervention It is my hope that the book will contribute to the information sustenance and energy that are needed to work with these challenging situation It will also provide a comprehensive overview of the elder abuse and to closely study abuse faced by the elderly population in the Indian society It is an effort to analyse elder abuse its types reasons and frequency of abuse and so on The cases examples are cited throughout the book are real after the interaction with the elders residing in Institutional and Non Institutional setting The case studies also gives a human face to elder mistreatment The reader is moved beyond the abstract world of ethics into the concrete world of individual lives It will also enlighten the common people to develop an understanding about Elder Abuse prevention protection etc It is a hand holding process and without the support of elders family society change is difficult **Counseling Victims of Violence** Sandra L.

Brown,2013-03-15 With violence of all kinds from child abuse and domestic violence to hate crimes and stalking at an all time high today s counselors must be prepared to treat many types of victims Counseling Victims of Violence offers practical guidance and helps a counselor determine if a victim should be referred to a specialist Each chapter covers a specific type of violent victimization detailing which issues to address in each of the three stages of counseling crisis intervention short term and long term and highlighting often overlooked secondary victimizations and social services resources Quick glance reference charts summarize each chapter s contents *Understanding Victimology* Shelly Clevenger,Jordana N.

Navarro,Catherine D. Marcum,George E. Higgins,2024-03-29 Understanding Victimology An Active Learning Approach is the

only textbook with extensive discussion of both online and offline victimization reinforced by group and individual learning activities Our textbook offers instructors a variety of active learning exercises in the book itself and in the authors ancillaries that engage students in the material and shed light on the experiences of marginalized social groups Through these activities students become engaged with the material at a higher level of learning They learn how victimization happens and the challenges people who experience crime face in acquiring assistance from the criminal legal system at a more intimate level instead of simply reading about it Students also build their abilities to work with others in a collaborative learning environment encouraging professional socialization for the future The chapters in this second edition address gaps in information typically presented in victimology that ignore prevention or intervention even though these topics are currently at the forefront of the national conversation going on about sexual violence in higher education New to this edition are added coverage of immigrants and minorities and a new chapter on the media and victimization Instructor resources are available online Suitable for undergraduate courses in victimology this book also serves the needs of sociology and women s studies courses and can be taught university wide as part of diversity and inclusion initiatives

Aging Harry R. Moody, Jennifer R. Sasser, 2017-01-12 Presenting current research in an innovative text reader format Aging Concepts and Controversies Ninth Edition encourages students to become involved and take an informed stand on the major aging issues we face as a society Not simply a summary of research literature Harry R Moody and Jennifer R Sasser s text focuses on controversies and questions rather than on assimilating facts or arriving at a single correct view about aging and older people Drawing on their extensive expertise the authors first provide an overview of aging in three domains aging over the life course health care and the socioeconomic aspects of aging Each section is followed by a series of edited readings offering different perspectives from experts and specialists on that subject New readings focus on whether current federal spending on the elderly is sustainable and fair to other groups how older consumers are reshaping the business landscape and the challenges of marketing and selling to customers 60 and over More emphasis is placed on how social class and inequality earlier in life can shape our final years and the number of older Americans living in poverty The section on Aging and Health Care has been thoroughly updated to reflect the latest data about chronic diseases that affect the elderly government spending on health care and policy changes to programs like Medicaid and Medicare The section on the Social and Economic Outlook for an Aging Society gives the most current picture of the racial and ethnic diversity of older Americans their participation in the labor force and their income and wealth

Introduction to Criminal Justice Brian K. Payne, Willard M. Oliver, Nancy E. Marion, 2017-11-27 Very thorough text that makes great use of high profile cases to engage students and foster a passion for criminal justice Patricia Ahmed South Dakota State University Introduction to Criminal Justice Second Edition provides students with balanced comprehensive and up to date coverage of all aspects of the criminal justice system Authors Brian K Payne Willard M Oliver and Nancy E Marion cover criminal justice from a student centered perspective by identifying the key

issues confronting today's criminal justice professionals. Students are presented with objective research-driven material through an accessible and concise writing style that makes the content easier to comprehend. By exploring criminal justice from a broad and balanced perspective, students will understand how decision making is critical to the criminal justice process and their future careers. The fully updated Second Edition has been completely revised to include new studies and current examples that are relatable to today's students. Two new feature boxes have been added to this edition to help students comprehend and apply the content. You Have the Right to gives insight into several Constitutional amendments and their relationship with criminal justice today and Politics and Criminal Justice explores current political hot topics surrounding the justice system and the debates that occur on both sides of the political aisle.

Criminology: The Key Concepts Martin O'Brien, Majid Yar, 2008-06-23 Criminology: The Key Concepts is an authoritative and comprehensive study guide and reference resource that will take you through all the concepts, approaches, issues, and institutions central to the study of crime in contemporary society. Topics covered in this easy-to-use A-Z guide include policing, sentencing, and the justice system; types of crime including corporate crime, cybercrime, sex, and hate crimes; feminist, marxist, and cultural approaches to criminology; terrorism, state crime, war crimes, and human rights; social issues such as anti-social behaviour, domestic violence, and pornography; criminal psychology and deviance. Fully cross-referenced with extensive suggestions for further reading and in-depth study of the topics discussed, this is an essential reference guide for students of Criminology at all levels.

INCARCERATING WHITE-COLLAR OFFENDERS Brian K. Payne, 2003-01-01 This book provides corrections professionals and criminal justice students with a framework for understanding the white collar offender as well as to help guide and assist those responsible for overseeing the incarceration of white collar offenders. Four themes emerge as the basis for this book. The first is how massive white collar crime is in its consequences and how our political system tends to afford opportunities to some white collar offenders that are not afforded to street criminals. Second, how different supervision strategies are needed in order to ensure the efficiency and safety of institutional routines. Third, the author examines the imprisonment of white collar offenders and what effects this has on this type of offender. Fourth, the author visits upon why sanctions to white collar offenders should be proportionate to sanctions given to street offenders who committed similar offenses, but he also focuses on how the justice system can do a better job of meeting the needs of individual victims and the community by finding ways to restore the community rather than simply looking for ways to harm offenders. The book is intended for criminal justice professionals, academics, and researchers who want to better understand the role of the criminal justice system in punishing all types of offenders. It is also intended for use in criminal justice, corrections, sociology, and white collar courses exploring the punishment of elite offenders. Through promoting understanding about this aspect of the response to white collar misconduct, it is hoped that this book will help improve the whole justice system's response to these offenses.

Elder Abuse and the Public's Health Pamela Teaster, Jeffrey Hall, Jeffrey E. Hall, 2018-06-28 Presents an

insightful interdisciplinary approach for preventing elder abuse Encompassing the contributions of leading scholars in public health and gerontology this is a rich repository of key ideas concepts and issues regarding elder abuse and the role of public health initiatives in its prevention The text frames elder abuse as a public health problem stressing that efforts toward prevention is well within the scope of work performed by public health professionals It describes major public policy public health initiatives as they relate to elder abuse analyzes elder abuse as a global and human rights issue and supports the development of core competencies for public health work to prevent elder abuse The text describes in detail major theoretical and applied issues within elder abuse and grounds these issues within the core functions and essential services of public health It then addresses skill development using the core competencies for public health professionals The book is the first to tie the core functions and essential public health services to core public health competency domains and creates a topic specific framework for effective public health practice An annotated section includes the most up to date resources for both public health and elder abuse including toolkits stakeholder lists and references A discussion of future directions for the field sets the agenda for a committed interdisciplinary approach to ameliorating and preventing elder abuse Key Features Grounds elder abuse prevention within the core functions and essential services of public health Provides a storehouse of scientific and practical information on elder abuse Stresses skill development using core competencies for public health professionals Encompasses the contributions of outstanding leaders in public health and gerontology Includes news stories illustrative case examples resources blogs and webinars

Family Violence Across the Lifespan Ola W. Barnett, Cindy L. Miller-Perrin, Robin D. Perrin, 2010-12-14 The most comprehensive research based text on family violence now more accessible and visually inviting than ever before Streamlined and updated throughout with state of the art information this Third Edition of the authors bestselling book gives readers an accessible introduction to the methodology etiology prevalence treatment and prevention of family violence Research from experts in the fields of psychology sociology criminology and social welfare informs the book s broad coverage of current viewpoints and debates within the field Organized chronologically chapters cover child physical sexual and emotional abuse abused and abusive adolescents courtship violence and date rape spouse abuse battered women and batterers and elder abuse

Family Violence and Criminal Justice Brian K. Payne, Randy R. Gainey, 2014-09-25 The historical context of family violence is explored as well as the various forms of violence their prevalence in specific stages of life and responses to it made by the criminal justice system and other agencies The linkage among child abuse partner violence and elder abuse is scrutinized and the usefulness of the life course approach is couched in terms of its potential effect on policy implications research methods that recognize the importance of life stages trajectories and transitions and crime causation theories that can be enhanced by it

Rural Victims of Crime Rachel Hale, Alistair Harkness, 2022-12-30 Rural Victims of Crime offers a pioneering sustained assessment of the rural victim It does so by examining and analysing the conceptual constructs of a victim and challenging the urban bias of victimisation

and victimology in criminological study Indeed far too much criminological scholarship is based on the false assumption that rural areas are relatively crime free and thus free too of victims Providing international perspectives chapters in this edited collection focus centrally on notions of place and space and constructions of rural victims in a variety of contexts exploring the impact that geographic location has on the type and prevalence of victimisation The concept of victimisation is often considered in terms of interpersonal relationships between humans neglecting the potent impact of victimisation of non humans and the natural and built environment Rural Victims of Crime discusses existing notions of victimology in relation to non human subjects broadening conceptualisations of the victim and associated impacts resulting from victimisation Structured in three parts Rural Victims of Crime conceptualises the rural victim enhances understanding of the realities of rural victimisation and considers both formal and informal responses to rural victimisation Chapters are accompanied by practical contemporary case studies to connect theory with praxis This book is an essential and valuable resource for academics students and practitioners alike in the fields of criminology criminal justice rural studies victimology geography sociology and spatiality

The Encyclopedia of Human Ecology Julia R. Miller, Richard M. Lerner, Lawrence B. Schiamberg, Pamela M. Anderson, 2003-08-13 The first and only source to integrate the multiple disciplines and professions exploring the many ways people interact with the natural and designed environments in which we live Comprising more than 250 informative entries The Encyclopedia of Human Ecology examines the interdisciplinary and complex topic of human ecology Knowledge gathered from disciplines that study individuals and groups is blended with information about the environment from the fields of family science geography anthropology urban planning and environmental science At the same time professions intended to enhance individual and family life marriage and family therapy clinical psychology social work dietetic and other health professions are represented alongside those concerned with the preservation conservation and management of the environment and its resources How rampant are eating disorders among our youth Are AIDS educational programs effective What problems do adolescents transitioning into adulthood encounter Here four leading scholars in the field have assembled a team of top tier psychologists sociologists anthropologists and other experts to explore these and hundreds of other timely issues

Disciplines, Disasters and Emergency Management David A. McEntire, 2007 Disasters such as the 9 11 terrorist attacks the Indian Ocean Tsunami and Hurricane Katrina illustrate the salience and complexity of disasters Both scholars and practitioners therefore agree that we must take a more proactive and holistic approach to emergency management which should logically be derived from a sound understanding of the academic literature and the most pressing concerns facing professionals in the field today *Disciplines Disasters and Emergency Management* reviews what is known about catastrophic events from the standpoint of various academic areas of study The introduction

Victimology William G. Doerner, Steven P. Lab, 2017-03-16 Victimology Eighth Edition shows how to transform the current criminal justice system into a victim s justice system Doerner and Lab both well regarded scholars write compellingly about the true

scope of crime victims suffering in the United States They lay out the sources of evidence available to victimology researchers In later chapters theory is woven together with the description of each topic and illustrated with specific examples The second part of the book addresses the full impact of victimization Part III Types of Victimization details specific problems ranging from violent crimes child and elder abuse and property crime to crime in the workplace The authors emphasize their concern with the extent of criminal victimization explain how obstacles hinder the pursuit of justice and introduce the idea that reforms have rendered the system much more victim friendly Appropriate for undergraduate as well as early graduate students in Victimology courses in Criminology Criminal Justice and Sociology programs as well as Justice Studies this book offers an instructor s manual with a test bank as well as PowerPoint lecture slides and a companion site with student resources

The Measure of Our Age M.T. Connolly, 2023-07-18 An expert on elder justice maps the challenges of aging how things go wrong and presents powerful tools we can use to forge better long lives for ourselves our families and our communities As tens of millions of Americans are living longer lives longevity is creating challenges that cut across race class and gender Caregivers help older relatives for free but with high costs to themselves in time money jobs and health Scammers target countless seniors The institutions built to protect older people like nursing homes and guardianship too often harm them instead And epidemics of isolation and loneliness make older people vulnerable to all sorts of harm In *The Measure of Our Age* elder justice expert and MacArthur genius grant recipient M T Connolly investigates the systems we count on to protect us as we age Weaving first person accounts her own experience and shocking investigative reporting she exposes a reality that has long been hidden and sometimes actively covered up But her investigation also reveals reasons for hope within everyone s grasp Connolly s strategies and action plans for navigating the many challenges of aging will appeal to a wide range of readers adult children caring for aging parents policymakers trying to do the right thing and should we be so lucky as to live to old age all of us This book transforms how we think about aging

Comprehensive Management of Daily and Long Term Problems in Elderly K C Verma, 2024-08-28 Old age will come to everyone and brings along with many challenges particularly in socio economic status age related health problems their shelter protection from inner and outsider violence and legal rights Elderly just to exemplify is like an almost one year old child where the former has to be supported through all those processes as one year old or less in age Elderly people due to his/her physical and mental imbalance as a result of age related degeneration and younger ones due to their maturational process as mentioned above these two types of physical and mental degeneration and maturation in two groups face equal types of challenges in physical and mental wellbeing legal protection food shelter proper care of their health and education Undoubtedly infants and children are taken care their above mentioned disabilities through a well balanced parenthood but on the other hand elderly problems are solved mostly by their mentally normal grownup children supported by Governmental and non Governmental schemes including well established old age homes Govt legal support and physical and mental training backups It is well

known that as a society we are living much longer thanks to improved living conditions and health care While being able to reach old age is something to be thankful for in many ways there are several challenges facing the elderly which we all need to pay more attention to Often it is not until we start to age ourselves or we see a loved one struggling with a problem that we sit up and take notice but as a society we can do more to make life easier for our aging population This book therefore highlights these problems faced by our elderly in thirty different chapters such as Issues and challenges faced by the Elderly and their management The common chronic health conditions in Elderly Exercises for Seniors Effective ways to stay active Yoga practices by seniors Diet plans for older adults and senior citizens Chores that are safe for seniors to help keep them active Self defence for senior Citizens Spirituality and Aging Elderly sex Staying active in the bedroom Vaccines for the Elderly Current use and future challenges Elder abuse types warning signs and how to report It Elderly suicide vs death with dignity Artificial Intelligence based smart comrade Robot for Elders healthcare Implantable cardiac and Non cardiac electronic Devices in elderly population Cardiovascular diseases in the Elderly Regulation of long term care homes for older adults in India Laws for protection and National Welfare Programmes for Elderly in India Long term care Insurance for the Elderly
