

Dr. Brian Schumann

A CRISIS OF EXILE

A Brief Survey of the Development of
Monotheism in Ancient Israel

Crisis Exile Development Monotheism Ancient

Bill T. Arnold

Crisis Exile Development Monotheism Ancient:

A Crisis of Exile Dr. Brian Schumann, 2015-12-15 The concept of one God monotheism is a basic fundamental part of our culture and beliefs today However it hasn't always been that way Even the early Israelite people went wayward and worshiped other gods Yahweh was only a single God on the pantheon A Crisis of Exile delves into the biblical archaeological and historical records to uncover what the religion of Ancient Israel was really like Moreover it reveals how the Babylonian Exile became the catalyst for propelling the Israelites into monotheism *Yahweh and the Origins of Ancient Israel* Nissim Amzallag, 2023-06 Promotes a new understanding of the emergence of early Israel founded on the previously ignored metallurgical background of ancient Yahwism **Jesus and the God of Israel** Richard Bauckham, 2013-09-01 God Crucified and Other Essays on the New Testament's Christology of Divine Identity The basic thesis of this important book on New Testament Christology sketched in the first essay God Crucified is that the worship of Jesus as God was seen by the early Christians as compatible with their Jewish monotheism Jesus was thought to participate in the divine identity of the one God of Israel The other chapters provide more detailed support for and an expansion of this basic thesis Readers will find not only the full text of Bauckham's classic book God Crucified but also groundbreaking essays some of which have never been published previously **No Other Gods** Robert Karl Gnuse, 1997-05-01 This is the first full scale assessment of the theological social and ideational implications of our new understandings of ancient Israel's social and religious development Scholars now stress the gradual emergence of Israel out of the culture of ancient Palestine and the surrounding ancient Near East rather than contrast Israel with the ancient world Our new paradigms stress the ongoing and unfinished nature of the monotheistic revolution which is indeed still in process today Gnuse takes a further bold step in setting the emergence of monotheism in a wider intellectual context he argues brilliantly that the interpretation of Israel's development as both an evolutionary and revolutionary process corresponds to categories of contemporary evolutionary thought in the biological and palaeontological sciences Punctuated Equilibrium **Monotheism and Yahweh's Appropriation of Baal** James S. Anderson, 2015-08-27 Biblical scholarship today is divided between two mutually exclusive concepts of the emergence of monotheism an early monotheistic Yahwism paradigm and a native pantheon paradigm This study identifies five main stages on Israel's journey towards monotheism Rather than deciding whether Yahweh was originally a god of the Baal type or of the El type this work shuns origins and focuses instead on the first period for which there are abundant sources the Omride era Non biblical sources depict a significantly different situation from the Baalism the Elijah cycle ascribes to King Achab The novelty of the present study is to take this paradox seriously and identify the Omride dynasty as the first stage in the rise of Yahweh as the main god of Israel Why Jerusalem later painted the Omrides as anti Yahweh idolaters is then explained as the need to distance itself from the near by sanctuary of Bethel by assuming the Omride heritage without admitting its northern Israelite origins The contribution of the Priestly document and of Deutero Isaiah during the Persian era comprise the next

phase before the strict Yahwism achieved in Daniel 7 completes the emergence of biblical Yahwism as a truly monotheistic religion **Beyond Monotheism** Laurel Schneider,2007-11-13 Beyond Monotheism is an absorbing and lyrical exploration of the possibility of a new living theology of multiplicity that is grounded in fluidity change and incarnation

Deuteronomy and the Meaning of "Monotheism" Nathan MacDonald,2012 Nathan MacDonald examines the term monotheism and its appropriateness as a category for analysing the Old Testament He traces the use of monotheism since its coinage in 1660 and argues that its use in Old Testament scholarship frequently reflects a narrowed intellectualistic conception of religion Finally MacDonald s volume is a valuable contribution to the discussion because it is also a fine example of biblical theology a truly insightful exposition of some of the significant themes in the book of Deuteronomy accompanied by a fine detailed exposition of crucial passages in the book This book is highly recommended for all who are interested in the debate concerning biblical monotheism and the larger study of Israel s religious identity Robert Gnuse in *Biblica* Vol 86 2005 No 4 558 560 This is one of the most significant and exciting books of biblical theology I have read for some time illustrating how the Bible can come to life when critical attention is paid to the contemporary context of its interpretation Philip Jenson in *Themelios* Vol 29 2004 No 2 56 57 **Israel** Daniel Isaac Block,2008 Israel Ancient Kingdom or Late Invention is a collection of essays responding to the radical claims that Israel and its history actually began following the Babylonian exile and that the history of Israel we read about in the Bible is a fictionalized account Contributors are leading Bible and archaeology scholars who bring extra biblical evidence to bear for the historicity of the Old Testament and provide case studies of new work being done in the field of archaeology and Old Testament studies **The Face of Old Testament Studies** David W. Baker,Bill T. Arnold,2004-10 Leading scholars provide an overview of current issues in Old Testament studies **Images of Others** Nathaniel Levtow,2008-06-30 In this volume Nathaniel Levtow articulately interacts with Mesopotamian and Israelite iconoclastic traditions locating Israelite polemics against cult images among a spectrum of ancient West Asian literary genres and ritual practices that target the embodied deities of political opponents Levtow argues that Israelite parodies of Mesopotamian iconic cult were not unique expressions of aniconic monotheism but assertions of Israelite political potency during and shortly after the Babylonian Exile By interpreting Israelite icon parodies in this context Levtow rejects the idea of idolatry as a static native Israelite descriptive category and highlights the ability of Israelite writers to compose authoritative classifications of cult that profoundly influenced ancient and modern understandings of iconic worship practices He concludes that biblical representations of iconic cult reveal dynamic acts of Israelite social formation and exemplify the enduring power of the cult image in ancient West Asian societies **Themelios, Volume 33, Issue 1** D. A. Carson,2015-01-27 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students

and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary

Only One God? Bob Becking, Meindert Dijkstra, Marjo Korpel, Karel Vriezen, 2002-02-01 The view of ancient Israelite religion as monotheistic has long been traditional in Judaism Christianity and Islam religions that have elaborated in their own way the biblical image of a single male deity But recent archaeological findings of texts and images from the Iron Age kingdoms of Israel and Judah and their neighbourhood offer a quite different impression Two issues in particular raised by these are the existence of a female consort Asherah and the implication for monotheism and the proliferation of pictorial representations that may contradict the biblical ban on images Was the religion of ancient Israel really as the Bible would have us believe This volume provides a comprehensive introduction to these issues presenting the relevant inscriptions and discussing their possible impact for Israelite monotheism the role of women in the cult and biblical theology

The Social Roots Of Biblical Yahwism Stephen L. Cook, 2004 Sure to provoke discussion and debate as it offers a unique approach to some old and perplexing issues in the history of ancient Israel and its religion Cook's study is a bold new proposal for synthesizing the social history of Israel's religious traditions Among the many Yahwisms coexisting in ancient Israel was an initially small minority stream of theological tradition composed of geographically and socially diverse groups in northern and southern Israel These groups shared a religious commitment to a covenantal village based land oriented Yahwism that arose before the emergence of Israelite kingship It eventually rose to dominance and its theology provided robust resources for dealing with the Babylonian exile It thus came to occupy a prominent place in the present canon of the Hebrew Bible Cook combines detailed study of biblical texts with a carefully constructed social scientific method and body of data to argue for the early origins of biblical Yahwism This book is written to be accessible to lay readers and also of significant interest to Hebrew Bible students and specialists Paperback edition is available from the Society of Biblical Literature www.sbl-site.org

The Boundaries of Monotheism Maaike de Haardt, Anna-Marie J.A.C.M. Korte, 2009-01-31 What is the significance of monotheism in modern

western culture taking into account both its problematic and promising aspects Biblical texts and the biblical faith traditions bear a continuous polemical tension between exclusive and inclusive perceptions and interpretations of monotheism Western monotheism proves itself to be multi significant and heterogeneous producing boundary setting as well as boundary crossing tendencies is the common thesis of the authors of this book who have been collectively debating this theme for two years in an interdisciplinary scholarly setting Their contributions range from the fields of biblical and religious studies history and philosophy of religion systematic theology to gender studies in theology and religion The authors also explain the particular contribution of their own theological discipline to these debates

Ancient Israel Philip Francis Esler, 2006 This volume brings together essays by an international group of biblical scholars on Old Testament topics employing social scientific methods anthropology macro sociology social psychology and so forth

The crisis of Israelite religion Bob Becking, Marjo Christina Annette Korpel, 1999

Biblical History and Israel's Past Megan Bishop Moore, Brad E. Kelle, 2011-05-17 Although scholars have for centuries primarily been interested in using the study of ancient Israel to explain illuminate and clarify the biblical story Megan Bishop Moore and Brad E Kelle describe how scholars today seek more and more to tell the story of the past on its own terms drawing from both biblical and extrabiblical sources to illuminate ancient Israel and its neighbors without privileging the biblical perspective Biblical History and Israel's Past provides a comprehensive survey of how study of the Old Testament and the history of Israel has changed since the middle of the twentieth century Moore and Kelle discuss significant trends in scholarship trace the development of ideas since the 1970s and summarize major scholars viewpoints issues and developments

Introduction to the Old Testament Bill T. Arnold, 2014-04-07 This volume introduces the Old Testament and traces the legacy of monotheism first found in the pages of Israel's Scriptures

Casting Down the Host of Heaven Cat Quine, 2020-03-23 In Casting Down the Host of Heaven Cat Quine analyses the ambiguous nature of the Host and explores the role of ritual in the polemic against their worship Although commonly assumed to be YHWH's divine army the book reveals their non military and fluid nature Quine demonstrates that it was the fluidity of the Host and their roles in the divine realm that permitted the creation of wide ranging polemic against their worship Her analysis shows that this polemic was expressed in ritual terms which persuaded its audiences both ancient and modern of its legitimacy and authority

Crisis Exile Development Monotheism Ancient Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Crisis Exile Development Monotheism Ancient PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing

individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Crisis Exile Development Monotheism Ancient PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Crisis Exile Development Monotheism Ancient free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Crisis Exile Development Monotheism Ancient Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Crisis Exile Development Monotheism Ancient is one of the best book in our library for free trial. We provide copy of Crisis Exile Development Monotheism Ancient in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Crisis Exile Development Monotheism Ancient. Where to download Crisis Exile Development Monotheism Ancient online for free? Are you looking for Crisis Exile Development Monotheism Ancient PDF? This is definitely going to save you time and

cash in something you should think about.
