This new paperback edition deals with the Transporter's development, its technical evolution, the model codes, the specification details, changes, the factory-fitted M-codes and Transporter export. Using this book, Bus enthusiasts can crack the codes of their own specific vehicle to find out the factory-fitted specifications like paint and trim colours, engine and transmission types and even the date of manufacture, model and destination code. The first guide to tell the whole story of the VW Bay Window Transporter. The photographs took over three years to collect from Volkswagen archives, resulting in an invaluable source of crucial information for restoration. Superbly illustrated with 470 colour photographs. Vincent Molenaar and Alexander Prinz are keen experts on Bay Window buses.

VW Camper - The Inside Story David Eccles, 2020-09-21. This revised and expanded third edition updates the story across six generations of the VW Bus and includes additional information and pictures, including more conversions as well as new information about the very early years and the latest models. Using archive and period brochure images and photographs of original condition models still surviving to illustrate the detailed text, it documents the various specifications, layouts, fitments and optional equipment of over forty different conversion companies, from well-known names like Devon and Westfalia to lesser-known or unusual models such as Slumberwagen and Arcomobil. Since publication of the first edition in 2005, followed by a revised expanded edition in 2012, **VW Camper The Inside Story** has been acclaimed by enthusiasts and lovers of the VW Camper and has become a definitive guide to the many different camping conversions built on the VW Transporter and Microbus.
