The Substitute Duchess Krystina Daryl, 2017-06-06 Ana Hughes always considered herself unlucky until the day her father announced she was to be a duchess. Saved from the shelf and with a high title to boot, short of becoming a princess, there is nothing any better than that. But this glittering gold is misleading. Ana can't help but feel that she is nothing but a substitute to her husband.

Kosh's Omega Carolyn Faulkner, 2017-11-01 He will tame her to the hand she's bitten. The termagant being brought into the small clinic isn't exactly what second in command and Alpha soldier Kosh envisioned as his perfect Omega, but he knows beyond a shadow of a doubt that she is his. She's a fierce little thing, more of a threat than most would take her for, but he isn't one of the unfortunate ones who will get caught underestimating her. They wouldn't be given the chance to do so again. Tura doesn't want to be here, even though she knows it's a well-controlled, relatively safely run small city. And she most definitely doesn't want to be paired off with some giant who thinks he has a claim on her, no matter what her lady parts want her to do. She almost succeeded in taking him out like she had the others, but instead, he will just wear the scar she's given him for the rest of his life. A life he absolutely intends to spend taming her to the very hand she's bitten.

Publisher's Note: The second book in The Alpha's Woman series contains explicit scenes and power exchange. If either of these offend you, please do not purchase.

His Sweet Kitten Lynn Coppersmith, 2018-06-12 She wants to be claimed. Leslie has loved Gabe for most of her life. But while she wants him as her husband, he sees her more as a childish little sister than as a woman. If only she could make him understand that she has grown up. She wants nothing more than for him to claim her as his own. When she finds out he is poised to marry someone else, she decides it is time to take drastic action. Gabe is ashamed that he has secretly lusted after Leslie for years. He's convinced that they can never be anything other than friends, and he feels guilty for fantasizing about a girl who has been almost like a sister to him. Besides the tomboyish little hellion, could he ever be the kind of wife he wants? He needs a submissive woman, and he's convinced that Leslie would never surrender control to him. But when Leslie shows up at his home in the middle of the night, she presents too much of a temptation for him to resist. Can he ever grow to love her the way she needs him to, or will they forever be at odds?
