Can You Hear Me Tuning In To The God Who Speaks:

Can You Hear Me? Brad Jersak, 2006 Brad Jersak a biblical scholar discovered a big gap between what he found in the Bible and his own experience As he wrestled with how to hear God more clearly he discovered how to listen more deeply and what halted his spiritual growth This profound but accessible book is full of illuminating testimonies God desires to transform your prayers into intimate conversations real meetings with a living Friend *Can You Hear Me? (2012)* Brad Jersak, Jason Upton, 2013-05-10 2012 Edition includes foreword by Jason Upton and a study guide for each chapter God desires to transform your prayers into intimate conversations real meetings with a Living Friend In this book Brad Jersak lays out the biblical foundation for the practice of listening prayer CAN YOU HEAR ME combines solid research inspiring testimonies and 33 spiritual exercises all to help you hear God more clearly Inside Can You Hear Me you will Learn the simplicity of listening prayer and connect with God deeply and personally Experience personal meeting places in different rooms of your heart in God s Word and in your world that you can access freely whenever you need to meet with Jesus Identify and overcome blocks to connecting intimately with God Stop the silence Apply listening prayer in decision making parenting in your local church and for inner healing Jesus alone is the wonderful counselor who delights to answer your questions Test and Distinguish between God s voice and all those competing voices Spirit-Filled Truth Joshua Shaw, 2015-04-20 For many of Christians no matter how many church services we attend podcasts we listen to or conferences we sign up for we often feel a deep sense of emptiness or void in our relationships with Jesus Feelings of being orphaned by God divorced from His family and enslaved to our sins consume our hearts We do everything we can to try and fill our spiritual emptiness but nothing seems to change Despite our best efforts to apply what we are learning from our daily Bible readings and church s weekly sermons what we know in theory rarely becomes what we encounter on a day to day basis Because of this our relationships with Jesus are in desperate need of rejuvenation In John 16 13 Jesus says When the Spirit of Truth comes he will guide you into all truth Within this passage Jesus teaches his followers that it is by the guiding work of the Holy Spirit that we will encounter the truths of God s Word that brings us life The Spirit will be the active agent in guiding our hearts to God s loving truths for our lives Therefore Spirit Filled Truth speaks to the longing many Christians have to encounter God s truths for themselves and how His presence alone can satisfy their deepest needs by means of Unveiling who the Spirit of Truth is and our need for His guidance in our lives Illustrating how to walk in our identity as adopted children of God Revealing how to actively be a part of God s family Displaying how to be used as effective ambassadors for His Kingdom **How to Hear God** Pete Greig, 2022-03-01 You were created to enjoy a real conversational relationship with God The Bible says that hearing the voice of our Creator is both central and natural to our existence as humans When life falls apart we need God s comfort In moments of cultural turmoil we need his clarity Facing difficult decisions we need his guidance Desiring a deeper faith we need God to say something anything to turn the monologue we call prayer into a genuine conversation But how do we really

hear God Nothing could possibly matter more than learning to discern his authentic voice and yet few things in life are more susceptible to delusion deception and downright abuse Having addressed God's silence in *God on Mute* and then *How to Pray* in his previous bestseller Pete Greig is back to bring wisdom and guidance to one of the most pressing and perplexing aspects of universal Christian experience *How to Hear God* Exploring the story of Christ's playful poignant conversation on the road to Emmaus after his resurrection Pete draws deeply from the insights of a wide range of Christian traditions weaving together the evangelical emphasis on hearing God in the Bible and the charismatic commitment to hearing God in the prophetic with the contemplative understanding of God's still small voice within Pete transcends the Christian tribalism of our day rooting us in something far more ancient unchanging timeless What the early Christians called the Way This ancient form of Christianity is the antidote to much of the modern church's pain The cure for our ills John Mark Comer

Hellrazed? Kevin Miller, 2017-11-15 In September 2012 the feature length documentary *Hellbound* was released in theaters across North America Joining a growing chorus of voices that were questioning the traditional view of hell as a place of eternal conscious torment the film asked a handful of burning questions Does hell exist If so who goes there and why More importantly what do our views about hell say about us and our understanding of God And how do our beliefs about these issues affect the kind of world we create the kind of people we become Five years later the debate over hell is far from settled but the landscape in which such questions are being asked has changed radically Hence filmmaker Kevin Miller decided it was time to go back to some of the people who appear in *Hellbound* and others he met along the way to get their input on how the debate has shifted and how it's remained the same The result is a plethora of voices offering all sorts of perspectives some highly academic some polemic some intensely personal and all bound to impact how readers think and feel about this issue

Missional Discipleship After Christendom Andrew R. Hardy, Dan Yarnell, 2018-03-14 It is not a changing culture reduced resources or a rescinding Christian memory that creates the greatest challenges for the church in the West It is the lack of a clear commitment to the intentional authentic and contextual expressions of missional disciple making which will shape current and future generations of followers of Jesus to express the values of the Kingdom today This book offers stimulating historical biblical and theological reflections on discipleship and considers some of the possibilities and opportunities afforded to us by our post Christian context Missional discipleship allows the missio Dei to shape us in our engagement our practices and sustain us in the lifelong journey of becoming and developing disciples that follow Jesus today Out of the Embers Bradley Jersak, 2022-11-22 Deconstruction Trendy brand name for falling away from belief in God Or a process essential to authentic faith Liberation or trauma Prison break or exile It's complicated Just like you Christian history records a Great Reformation and a Great Awakening But today's Great Deconstruction will surely leave an equally profound impact In *Out of the Embers* Bradley Jersak explores the necessity perils and possibilities of the Great Deconstruction how it has the potential to either sabotage our communion with God or infuse it with the breath of life the light and life of Christ himself In this collection of vulnerable memoirs philosophical memos and candid provocations Jersak resists both the hand wringing urge to corral stray sheep and the exultant desire to play the happy clappy Ex vangelical cheerleader He employs the wisdom and expertise of the great deconstructionists Christianity's ancient influences Moses Plato Paul and the Patristics beloved frenemies from Voltaire to Nietzsche and the masters of deconstruction Dostoevsky Kierkegaard and Weil to double down and deconstruct deconstruction itself Where is faith after deconstruction The author's heart is to engage and empathize with the bereft and disoriented stoking the brittle ashes for live embers In this quest for the resilient gospel of the martyrs the marginal and those outside the threshold inexplicably in this liminal space life stirs A Light shines through the ashes We find often for the first time that living connection Jersak calls presence in communion There is a sea change occurring across the Western church and civilization Whether we're watching a radical course correction or a complete collapse remains to be

seen and how it pans out will likely depend on how we see what's happening who we are becoming how we live in response and most important where we find Christ situated in this storm

Bottomless Cup Andrew A. Bauer, 2019-05-15 Are you tired of being tired Have you worn yourself out trying to do the work of God Jesus says to you Come to me all you who labour and are heavy burdened and I will give you rest But you've heard that before In *Bottomless Cup* the author leads us to a discovery within these familiar words of scripture the discovery of a way of life Jesus was trying to teach us We don't have to live in an ongoing cycle of exhaustion We can learn to live with a continuous supply of God's strength to do God's work In this well known passage of scripture Jesus doesn't lay another impossible expectation on us rather He invites us to a new way of living that frees us from so much expectation Come learn from the one who came to show us the Father's true heart

Nail Scarred Hands Made New John Shorack, 2012-06-01 Cutting edge missional witness just got bloodier and yet more hopeful than ever Many Christians in America have lost loved ones who gave their lives in military service to save the country and the free world John Shorack is one of them His father Theodore James Shorack Jr was shot down in Vietnam in 1966 Unlike many John didn't conform to his father's legacy of military sacrifice for the nation He found a completely different way to give his life for Christ and his kingdom among the poor of the nations *Nail Scarred Hands Made New* speaks from the trenches of a violent Latin American slum With deeply personal and theologically probing reflections John speaks to the next generation of mission workers who feel compelled to lay down their lives in the surprising hopefulness of God's ability to use the good bad and ugly of our kingdom seeking efforts to accomplish his restoration of all creation

All Things Wise and Wonderful E. Janet Warren, 2021-01-19 The Covid 19 pandemic provoked many questions It is human nature to want to know how and why things happen The sovereign God has created a beautiful intricate world in which multiple factors interact to cause an event We are called to properly understand creation but often fail because we tend to be lazy fearful and self serving We make judgments based on often incorrect assumptions about cause and effect relations and we seek reassuring explanations for both trivial and serious events Christians have the added complication of figuring out God's role in making things happen *All Things Wise and Wonderful* examines what the Bible and Christian

theology say about cause and effect how science views causation in the world and how human mind brains judge causation Using illustrations from everyday life it offers guidance for Christians to think and act wisely with respect to how and why things happen in creation

A More Christlike Word Bradley Jersak, 2021-07-20 The Scriptures are an essential aspect of the Christian faith But we have often equated them with the living Word Himself even elevating them above the One to whom they point In doing so we have distorted their central message and our view of God Tragically this has caused multitudes of people unnecessary doubt confusion and pain in their encounters with the Scriptures Many people understand God as being truly loving and good Yet they struggle with depictions of God in Scripture as wrathful violent and genocidal These toxic texts have caused some to set aside their Bibles as R rated and unreliable They have led others to completely reject their faith

Author and theologian Bradley Jersak has wrestled deeply with such passages over many years He has experienced the same questions doubt and pain In *A More Christlike Word* he offers a clarifying and freeing path forward Whether readers consider themselves believers doubters or skeptics all are invited to a more beautiful and ancient way of reading the Scriptures

Bradley calls this path the Emmaus Way because it demonstrates how Jesus regarded all Scripture as fulfilled in himself the final Word of God who reveals the true nature of the Father After deconstructing the modern biblicist literalist approaches to Scripture interpretation that have failed us Brad turns to the early church for a hermeneutic of prefigurement treating the Bible as the grand narrative of redemption told through a polyphony of voices and worldviews culminating in the arrival of Christ as the eternal Word of God what God has to say about himself The interpretive system of the church fathers and mothers who gathered the New Testament and preached the gospel from the Old Testament has largely been ignored or dismissed by both evangelical and liberal movements the twin children of modernity The patristics explain and model the apostles Christ centered interpretation of the Scriptures Brad applies their approach to unwrath sample passages from each genre of the Bible showing how even the cringe worthy texts have an important place in the Christotelic saga of divine love Your journey on the Emmaus Way will open up to you the fullness of the Scriptures and most important lead you to the God who deeply loves and welcomes you
