date with analysis of recent sexual discrimination cases and the Somalia inquiry He explains how the law has served a strictly functional purpose in maintaining discipline and demonstrates how it claims its legitimacy and distinct status in relation to civil law It becomes clear that military law has responded to pragmatic needs in a reactive rather than a planned manner Another Kind of Justice describes the statutes and regulations that govern Canada's armed forces the institutions responsible for overseeing military law and how knowledge about military law is disseminated Madsen concludes that longstanding organizational problems and training deficiencies bear some of the responsibility for the unfortunate behaviour of Canadian soldiers in Somalia     The Sale Catalogues of British Government Publications, 1836-1921 Great Britain.
