Cancer Cure Sanchita Pandey:

REBOUND: Redemption from Cancer-Journey of Life SUBHASH SETHI, This book aims to inspire readers to know some facts surrounding cancer and face the adversities in life and win over them through practical life lessons that I have shared from my valuable learning and experiences The book is primarily about my fight against cancer and recovery from it In different chapters I have tried to share my learning in this journey from detection to treatment and my personal experiences I am a strong believer in destiny and one of the lessons I have learnt is that destiny only decides our direction and our destination I therefore advise you to not fret and rue over the past or be worried about the uncertain future Life is all about living in the present and enjoying the moment This book also focuses on expressing gratitude and being thankful to family members and close friends who stand firmly with us through the ups and downs in our lives It is also about enjoying the little gifts of life that bring happiness and positivity to our lives With a positive mindset and strong self belief we can take on any adversity in life even a lethal disease like cancer The chapters in this book are meticulously written to provide insights into cancer cells in the human body and the prime reasons for its occurrence while recommending that we should follow healthy patterns in life to be safe from this lethal disorder This book also talks about different aspects of human traits that need to be revisited during moments of solitude This tough and painful journey starting from diagnosis to treatment helped me understand a lot about life and the different attributes attached to it The book also tells us to purposefully slow down sometime to reflect on life and its numerous facets It also shares valuable lessons and I definitely hope that it will be able to impact lives and bring hope and positivity to the readers **Cancer to Cure** Sanchita Pandey,2015-12-13 Truly I tell you if

you have faith as small as a mustard seed you can say to this mountain Move from here to there and it will move Nothing will be impossible for you Remember that healing is possible Cancer to Cure is a real life story of treatment and cure using the power of thought faith love and spirituality along with medicines This book makes you believe in yourself and tells you how you can be fine again if you have unflinching faith in yourself and in God If God gives us difficult times He also gives us the power to steer ourselves through despair and darkness back to light and laughter Use the healing energies of your own mind to cure yourself of Cancer Choose to be an inspiration for others Every loving thought will bring in cure for your body and spirit So just smile and welcome the good days ahead of you **Being in Peace** Sanchita Pandey,2017-06-20 For

experiencing peace in life we need to become more spiritual than religious Peace has to emanate from within us not from without It first needs to find place in the mind in the form of serene thoughts and in our heart in the form of love for all living creatures Peace can flower in a space filled with love happiness appreciation creativity kindness compassion gratitude and generosity It flows inside out and is crucial for nourishing life on Earth and sustaining it too Every peaceful person is a harbinger of happiness for individuals around him **Cancer to Cure** Sanchita Pandey,2017-08-15 Truly I tell you if you have faith as small as a mustard seed you can say to this mountain Move from here to there and it will move Nothing will be
