Research Handbook of Innovation and Creativity for Marketing Management Eric Shiu, 2017-04-28 This groundbreaking Handbook is a collection of the most recent research in innovation and creativity as it applies to marketing management. It uniquely combines the work of innovation and creativity scholars in the same book. Marketing Chris Hackley, 2009-03-19 I see this book as an important addition to the marketing literature. A weakness in critical approaches to marketing is that they are often not made easily accessible to undergraduate students. Chris Hackley has done a wonderful job in producing a rigorous text that remedies this situation and makes critical perspectives accessible to all. Professor Rob Lawson, University of Otago. Does marketing really work for organizations, managers and citizens? How can marketing management be studied and practised critically? This key text introduces the essentials of critical thinking within the field of marketing in easy to read and understandable terms. Integrating critical perspectives with the topics of the typical marketing curriculum. Chris Hackley has produced an indispensable supporting text for upper level undergraduate and postgraduate Marketing courses. A wide range of issues are covered including Historical origins and influences in marketing. Introduction to the concepts of Critical Theory. Marketing orientation and the marketing mix. Critique of marketing principles. Marketing and strategy. The role of research in marketing. Marketing and managerial ideology. Marketing ethics. Each chapter includes Chapter Review questions. Case studies reflecting issues in the chapters along with supporting case questions and reflections as well as stimulating practical examples. *Directory of Publishing 2012*, 2011-11-03 Now in its 37th edition and compiled in association with the Publishers Association, this is the most authoritative detailed trade directory available for the United Kingdom and the Republic of Ireland, listing over 900 book publishers.
