Canaan And Israel In Antiquity An Introduction Biblical Seminar

Jonathan M Golden

Canaan And Israel In Antiquity An Introduction Biblical Seminar:

Canaan and Israel in Antiquity K. L. Noll, 2001-01-01 This is a classroom tested introduction to academic study of the ancient world that produced the Bible It offers a general and yet flexible programme of study that enables a range of approaches to be understood and applied Biblical History and Israel's Past Megan Bishop Moore, Brad E.

Kelle, 2011-05-17 Although scholars have for centuries primarily been interested in using the study of ancient Israel to explain illuminate and clarify the biblical story Megan Bishop Moore and Brad E Kelle describe how scholars today seek more and more to tell the story of the past on its own terms drawing from both biblical and extrabiblical sources to illuminate ancient Israel and its neighbors without privileging the biblical perspective Biblical History and Israel's Past provides a comprehensive survey of how study of the Old Testament and the history of Israel has changed since the middle of the twentieth century Moore and Kelle discuss significant trends in scholarship trace the development of ideas since the 1970s and summarize major scholars viewpoints issues and developments **Philosophy and Practice in Writing a History of**

Ancient Israel Megan Bishop Moore, 2009-07-01 An examination of current methodologies for writing Israel's history

The A to Z of Ancient Israel Niels Peter Lemche, 2010-04-09 Of the many ancient civilizations we are aware of few are smaller than the ancient Kingdom of Israel Small both in geographical area and population it was barely noticed by the major civilizations of the time in Egypt Mesopotamia and elsewhere which either ignored or crushed it Yet several millennia later Israel is the civilization we remember most acutely which we know or think we know the most about and which has even been revised after a manner Alas what we know or think we know about Israel comes partly from the Old Testament and partly from fragmentary and sometimes distorted bits of historical evidence For these very reasons because Ancient Israel means so much to us and because we actually know so little for sure *The A to Z of Ancient Israel* is particularly important It examines the usual sources in the Old Testament and surveys the findings of more recent archaeological research to help us determine just what happened and when a far from simple task It includes entries on most of the persons places and events which are generally considered and shows more broadly what the Kingdoms of Israel and Judah were like and what role they played in the ancient world but it also defines them as closely as possible according to the latest data While the results may differ from traditional views they are essential correctives Israel's Past Bob Becking, 2021-10-04 How should one write a

history of Ancient Israel In the last few decades a lively discussion has taken place on the historiography of ancient Israel Minimalists such as Philip Davies Thomas Thompson and Niels Peter Lemche challenged the usefulness of the Hebrew Bible as a source for constructing Israel's past Maximalists like Baruch Halpern and William Dever argued instead that the data from the Hebrew Bible should be trusted until otherwise proven Others among whom we can name Hans Barstad Rainer Albertz and Lester Grabbe took a third road The essays in this volume follow that third road by applying insights from the field of philosophy of history A dozen case studies from David to the earliest Samaritans demonstrate how difficult it is to

write a history of ancient Israel without falling in the abyss of an ideology in one direction or another The matrix designed by Manfred Weippert to look at the past through five windows landscape climate archaeology epigraphy and only at the end the Hebrew Bible turned out to be more helpful The conclusion of this research is that there are some stable pillars in the swamp of the past but it comes with the warning that the space between these pillars is large and cannot easily be filled

Between Evidence and Ideology Bob E.J.H. Becking, Lester Grabbe, 2010-11-11 The essays in this volume deal with the re construction of the history of Ancient Israel and how that historywriting is influenced by ideology and informed by the evidence

Joshua 1-12, Volume 7A Trent C. Butler, 2017-10-10 Trent C Butler s excellent commentary on Joshua is updated and revised This new edition takes into account the most recent scholarly work on the book of Joshua The commentary includes Butler s translation of the text explanatory notes and commentary to help any professor student or pastor with research and writing Features include solid biblical scholarship for teachers pastors and students updated bibliography commentary for deeper study thorough coverage of the biblical languages close analysis of ancient manuscripts of Joshua The Word Biblical Commentary series offers the best in critical scholarship firmly committed to the authority of Scripture as divine revelation It is perfect for scholars students of the Bible ministers and anyone who wants a theological understanding of Scripture

Prophets, Prophecy, and Ancient Israelite Historiography Mark J. Boda, Lissa Wray Beal, 2013-01-18 The 18 essays by members of the Canadian Society for Biblical Studies published in this volume showcase the work of leading authorities on ancient Israelite and Jewish historiography as it intersects with the phenomenon of prophecy A deep divide exists between the traditions of historiography and prophecy in the academic study of the Hebrew Bible and the concern of the contributors is to close that gap to expose the close relationship between these two traditions in the literature of the Hebrew Bible The first section of the book explores prophecy and prophets in ancient Israelite and Jewish historiographic books Torah Deuteronomistic History Chronicles Ezra Nehemiah Second Temple Jewish historiography The second section surveys historiography in Israelite and Jewish prophetic books Isaiah Jeremiah Ezekiel Book of the Twelve Daniel 1 Enoch The contributors engage diverse methodological perspectives in these studies the goal first being to show the role that the prophets played within the great Hebrew historiographic works and second to demonstrate the role that historiography plays within the great Hebrew prophetic works this makes it clear that the influence is bidirectional Prophets Prophecy and Ancient Israelite Historiography will be of value for advanced students and scholars working on historiographic and prophetic materials in the ancient Israelite and Jewish traditions featuring the best of research and analysis and interacting with many major ancient literary traditions of historiography and prophecy

Israel's Prophets and Israel's Past John Haralson Hayes, 2006-11-01 A festschrift for John Hayes that highlights the intersection between the prophetic texts and Israelite historiography

Reframing Her Judith E. McKinlay, 2004 How does one read the story of Sarah and Hagar or Jezebel and Rahab today if one is a woman reader situated in a postcolonial society This is the

question undergirding this work which considers a selection of biblical texts in which women have significant roles Employing both a gender and a postcolonial lens it asks sharp questions both of the interests embedded in the texts themselves and of their impact upon contemporary women readers Whereas most postcolonial studies have been undertaken from the perspective of the colonized this work reads the texts from the position of a settler descendant and is an attempt to engage with the disquietening and challenging questions that reading from such a location raises Letters from early settler women in New Zealand contemporary fiction and personal reminiscence become tools for the task complementing those traditionally employed in critical biblical readings Historical Dictionary of Ancient Israel Niels Peter Lemche, 2003-12-10

Of the many ancient civilizations we are aware of few are smaller than the ancient Kingdom of Israel Small both in geographical area and population it was barely noticed by the major civilizations of the time in Egypt Mesopotamia and elsewhere which either ignored or crushed it Yet several millennia later Israel is the civilization we remember most acutely which we know or think we know the most about and which has even been revised after a manner Alas what we know or think we know about Israel comes partly from the Old Testament and partly from fragmentary and sometimes distorted bits of historical evidence For these very reasons because Ancient Israel means so much to us and because we actually know so little for sure this Dictionary is particularly important It examines the usual sources in the Old Testament and surveys the findings of more recent archaeological research to help us determine just what happened and when a far from simple task It includes entries on most of the persons places and events which are generally considered and shows more broadly what the Kingdoms of Israel and Judah were like and what role they played in the ancient world but it also defines them as closely as possible according to the latest data While the results may differ from traditional views they are essential correctives

The Old Testament World Philip R. Davies, 2005-01-01 Written by two leading Old Testament scholars with a wide range of expertise this unique introduction describes the historical social and cultural setting in which the Old Testament was written and a description of the major genres of literature that it contains It seeks therefore to illuminate the literature of the Old Testament by showing how it was shaped by the events social structures and religions and intellectual ideas of the ancient civilizations and cultures in which it was produced Unlike most Introductions it does not build largely on the traditional formats It also reflects the huge changes that our understanding of the Old Testament has undergone in the recent decades Rather than a conventional canonical theological approach the book offers an approach for those interested in the Old Testament as a monumental cultural achievement ideal for students of ancient history and religion in general as well as theology and requires a minimum of prior knowledge or expertise *The Old Testament World* Philip R. Davies, John William Rogerson, 2005-01-01 Rogerson's name appears first on the earlier ed **A History of Ancient Israel and Judah** James Maxwell Miller, John Haralson Hayes, 2006 Miller and Hayes has long been my number one recommended textbook for classes on the history of ancient Israel and Judah While I may not agree with every word I know of nothing like it for the

systematic way in which it sets out the whole range of evidence discusses it critically and bases its historical reconstruction on the results. The field has been moving so rapidly however with new discoveries and radically different interpretations of familiar material that it was reaching the point where this book would need to be replaced. This new edition represents such a significant revision with account taken of all the most recent main discussions that it will again immediately resume its premier position in the field.

G M WILLIAMS N REGIUS PROFESSOR OF HEBREW UNIVERSITY OF OXFORD

More than two decades have passed since Miller and Hayes's *History* helped us absorb the lessons learned when a regnant synthesis that largely authenticated Israel's version of its past had shattered. As presented in its pages Israel's history was far more complicated and exhilarating than the one presented in Scripture and its people proved concerned with much more than just communion with God. In this completely rewritten edition the frame is basically the same but the details are richer and more absorbing if only because archaeological discoveries and scholarly debates since then have multiplied the questions. Writing a limpid prose shaping a story that is neither bland nor boring Miller and Hayes continue to guide us reliably through thorny issues.

JACK M SASSON MARY JANE WERTI JAN PROFESSOR OF JUDAIC AND BIBLICAL STUDIES VANDERBILT UNIVERSITY

Miller and Hayes's comprehensive work has clearly and superbly represented an important scholarly tradition in the study of the history of ancient Israel. This revision with substantial bibliographic updating and increase in illustrations and visuals will preserve its status as a standard in the field.

K LAWSON YOUNGER JR PROFESSOR OF OLD TESTAMENT SEMITIC LANGUAGES AND ANCIENT NEAR EASTERN HISTORY TRINITY EVANGELICAL DIVINITY SCHOOL

In a time of polarization over the veracity and usefulness of various forms of data this volume is a welcome addition both for its level headed and even handed treatment of all relevant materials and the sheer volume of material presented. The authors respect the intelligence of their readers and supply them with the data, the range of scholarly debate on the topic and their own analysis allowing both beginning students and seasoned scholars to soundly evaluate the situation.

TAMMI J SCHNEIDER PROFESSOR SCHOOL OF RELIGION CLAREMONT GRADUATE UNIVERSITY

One Text, Thousand Methods Patrick

Chatelion Counet, Ulrich Berges, 2021-08-30

Essays in this volume describe the shift in biblical exegesis within the last several decades from the interpretation of biblical texts as the outcome of historical development or diachronic methodology to the exploration of the text as the result of a reading process rather than a historical process or synchronic methodology. Each essay examines a text from the Old or New Testament through the lens of one of the many modern synchronic methods used in postmodern literary interpretation. The methods discussed include ideology criticism, semantic and poetic analysis, cognitive linguistics, drama theory, narratology, deconstruction and anthropology and intertextuality. The authors of this work challenge biblical scholars not to just perform exegesis but to explore the methods and aims underlying their interpretations.

Bible Trouble Teresa J. Hornsby, Ken Stone, 2011-06-09

The essays in *Bible Trouble* all engage queer theories for purposes of biblical interpretation, a rare effort to date within biblical scholarship. The title phrase *Bible Trouble* plays on

Judith Butler's *Gender Trouble* gesturing toward a primary text for contemporary queer theory. The essays consider among others the Lazarus story, the Ethiopian eunuch, gender trouble in Judges 4 and 5, the Song of Songs, and an unorthodox coupling of the books of Samuel and the film *Paris Is Burning*. This volume troubles not only the boundaries between biblical scholarship and queer theory but also the boundaries between different frameworks currently used in the analysis of biblical literature, including sexuality, gender, race, class, history, and literature. The contributors are Ellen T. Armour, Michael Joseph Brown, Sean D. Burke, Heidi Epstein, Deryn Guest, Jione Havea, Teresa J. Hornsby, Lynn R. Huber, S. Tamar Kamionkowski, Joseph A. Marchal, Jeremy Punt, Erin Runions, Ken Stone, Gillian Townsley, Jay Twomey, and Manuel Villalobos.

The Boundaries of Monotheism Maaïke de Haardt, Anna-Marie J.A.C.M. Korte, 2009-01-31. What is the significance of monotheism in modern western culture, taking into account both its problematic and promising aspects? Biblical texts and the biblical faith traditions bear a continuous polemical tension between exclusive and inclusive perceptions and interpretations of monotheism. Western monotheism proves itself to be multi-significant and heterogeneous, producing boundary setting as well as boundary crossing tendencies. This is the common thesis of the authors of this book, who have been collectively debating this theme for two years in an interdisciplinary scholarly setting. Their contributions range from the fields of biblical and religious studies, history, and philosophy of religion, systematic theology, to gender studies in theology and religion. The authors also explain the particular contribution of their own theological discipline to these debates.

The Interpretation of the Hebrew Word אָדָם (People) in Samuel-Kings Luke Emehiele Ijezie, 2006. This study of the word *people* in the biblical context touches one of the central issues of biblical literature. The author addresses the semantic and literary critical problems involved in interpreting the Hebrew word within the complex texts of 1-2 Samuel and 1-2 Kings. While the word is often rendered by the English word *people*, and its cognates in the modern languages, it is also shown that the idea of *people together* with its semantic range in the modern usage is not identical to the ancient Hebrew. Concerted effort is thus made to identify the basic factors and patterns that explain its meaning in various Hebrew contexts. The study explains how *people* expresses both Israel's identity as a secular polity as well as its identity as a religious entity. The discussion is carried out in the light of a number of chosen texts, and these are analyzed both synchronically and diachronically.

Far From Minimal Duncan Burns, John W. Rogerson, 2012-03-22. Marking the 60th birthday of Professor Philip R. Davies, Dr Duncan Burns and John W. Rogerson, his former student and colleague respectively, aim to do him justice. They have comprised articles from their peers to reflect on the impact Professor Davies has made in three particular areas of study: Hebrew Bible, Qumran and Palestinian Archaeology, New Testament, and Early Judaism and Biblical Interpretation. The breadth of this volume aims to reflect the scope, interest, and influence of Professor Davies from the last 30 years.

Ancient Canaan and Israel Jonathan M. Golden, 2009-05-15. Where did the Israelites originate? What was the fate of the Canaanites? In this revealing introduction, Jonathan M. Golden tackles these and other hotly debated questions. Drawing on the extensive and often surprising archaeological record, he looks at daily

life in antiquity providing rich portraits of the role of women craft production metallurgy technology political and social organization trade and religious practices Golden traces the great religious traditions that emerged in this region back to their most ancient roots drawing on the evidence of scriptures and other texts as well as the archeological record Though the scriptures stress the primacy of Israel the author considers the Canaanites and Philistines as well examining the differences between highland and coastal cultures and the cross fertilization between societies He offers a clear objective look at the evidence for the historical accuracy of the biblical narrative based on the latest thinking among archeologists worldwide

This is likewise one of the factors by obtaining the soft documents of this **Canaan And Israel In Antiquity An Introduction Biblical Seminar** by online. You might not require more grow old to spend to go to the books establishment as capably as search for them. In some cases, you likewise do not discover the declaration Canaan And Israel In Antiquity An Introduction Biblical Seminar that you are looking for. It will very squander the time.

However below, following you visit this web page, it will be fittingly unquestionably easy to acquire as competently as download lead Canaan And Israel In Antiquity An Introduction Biblical Seminar

It will not put up with many time as we run by before. You can do it even if work something else at home and even in your workplace. appropriately easy! So, are you question? Canaan And Israel In Antiquity An Introduction Biblical Seminar Introduction

Canaan And Israel In Antiquity An Introduction Biblical Seminar Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Canaan And Israel In Antiquity An Introduction Biblical Seminar Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Canaan And Israel In Antiquity An Introduction Biblical Seminar : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Canaan And Israel In Antiquity An Introduction Biblical Seminar : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Canaan And Israel In Antiquity An Introduction Biblical Seminar Offers a diverse range of free eBooks across various genres. Canaan And Israel In Antiquity An Introduction Biblical Seminar Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Canaan And Israel In Antiquity An Introduction Biblical Seminar Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Canaan And Israel In Antiquity An Introduction Biblical Seminar, especially related to Canaan And Israel In Antiquity An Introduction Biblical Seminar, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Canaan And Israel In Antiquity An Introduction Biblical Seminar, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Canaan And Israel In Antiquity An Introduction Biblical Seminar books or magazines might include. Look for these in online stores or libraries. Remember that while Canaan And Israel In Antiquity An Introduction Biblical Seminar, sharing copyrighted material without permission is

not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Canaan And Israel In Antiquity An Introduction Biblical Seminar eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Canaan And Israel In Antiquity An Introduction Biblical Seminar full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Canaan And Israel In Antiquity An Introduction Biblical Seminar eBooks, including some popular titles.

FAQs About Canaan And Israel In Antiquity An Introduction Biblical Seminar Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Canaan And Israel In Antiquity An Introduction Biblical Seminar is one of the best books in our library for free trial. We provide a copy of Canaan And Israel In Antiquity An Introduction Biblical Seminar in digital format, so the resources that you find are reliable. There are also many eBooks related to Canaan And Israel In Antiquity An Introduction Biblical Seminar. Where to download Canaan And Israel In Antiquity An Introduction Biblical Seminar online for free? Are you looking for Canaan And Israel In Antiquity An Introduction Biblical Seminar PDF? This is definitely going to save you time and cash in something you should think about.
