Caputo, 2012-08-06 This exciting and timely collection brings together international and national scholars and advocates to provide historical overviews of efforts to pass basic income guarantee legislation in their respective countries and or across regions of the globe *Struggles for Justice in Canada and Mexico* Linda Snyder, 2017-01-03 *Struggles for Justice in Canada and Mexico* examines Canadian and Mexican communities engaged in collective action to address problems related to the context of aggressive capitalism which favours economic freedom of the powerful over the needs of people and the planet The book s several case examples portray income generating projects action to promote health adequate housing and a safe environment including resistance to mining women s resource and advocacy programs as well as grassroots support organizations and independent organizers The author gathered stories in six states in the south of Mexico and two provinces in Canada between 2004 and 2010 with follow up to 2012 Thematically they centre on oppression and struggles for rights experienced by the poor women and Indigenous peoples The author s case

study method bolsters her narratives by including interviews observation and some participant observation with analysis that draws on social movement theory from sociology and community organizing theory from social work as well as knowledge from social psychology liberation theology popular education and political science The book presents the common themes and illustrates the central theories for practitioners in the many fields that promote social justice social work social development health human rights environmental protection and faith based justice movements among others The conclusion presents a framework for conceptualizing social justice practice as a congruent paradigm composed of values theory objectives and practice methods

Child Welfare Kathleen Kufeldt,Brad McKenzie,2011-07-22 Children who receive child welfare services are a vulnerable group and their numbers are growing All who care about them need to be fully informed about current outcomes indicators of success and failure and best practices This second edition of *Child Welfare Connecting Research Policy and Practice* has a special focus on Canadian child welfare and contains entirely new material on these important themes The book highlights major developments in child welfare and shows how these inform directions taken in research policy and practice The book includes new sections on Indigenous issues and best practices and several of its chapters review efforts to increase supports for families in need Contributions from new and international authors illustrate the endemic nature of child welfare challenges and how we can learn from these experiences Contributors provide recommendations for promoting best practice and enhancing resilience among children and families Closing chapters within each section and at the end of the book summarize key theoretical and practice issues along with recommendations to improve the research policy and practice continuum in child welfare The challenge is to translate good research into policy and practice in ways that enhance the life chances of children who need our care and protection

Poor Women in Rich Countries Gertrude Schaffner Goldberg,2010-04-10 The first book to study women s poverty over the life course this wide ranging collection focuses on the economic condition of single mothers and single elderly women while also considering partnered women and immigrants in eight wealthy but diverse countries Canada France Germany Italy Japan Sweden the United Kingdom and the United States In a rich analysis of labor market and social welfare sectors Gertrude Schaffner Goldberg and a team of outstanding international contributors conclude that both living wage employment and government provision of adequate benefits and services are necessary if lone women are to achieve a socially acceptable living standard Taken together the chapters extend a feminist critique of welfare state theories and chart nations disparate progress against poverty probing for instance how Sweden emerged a leader in the prevention of women s poverty while the United States continues to lag By identifying the social and economic policies that enable women to live independently *Poor Women in Rich Countries* provides nothing less than a blueprint for abolishing women s poverty

Child Protection Systems Neil Gilbert,Nigel Parton,Marit Skivenes,2011-05-01 *Child Protection Systems* is a comparative study of the social policies and professional practices that frame societal responses to the problems of child maltreatment in ten countries USA Canada

England Sweden Denmark Finland Belgium the Netherlands Germany and Norway Focusing on the developments in policy and practice since the mid 1990s this volume provides a detailed up to date analysis of the similarities and differences in how child protection systems operate and their outcomes The findings highlight the changing criteria that define child maltreatment trends in out of home placement professional responses to allegations of maltreatment and the level of state responsibility for child and family welfare providing an in depth understanding of the different ways modern welfare states assume the sensitive responsibility of balancing children s rights and parents rights The changing character of child protection systems worldwide reflects dramatic and rapid organizational policy and legislative changes the expansion of child welfare systems the rise of formal procedures and evidence based initiatives the increased challenges posed by race and ethnicity and the extent to which countries adopt either a child protection or a family service approach to child abuse Each chapter analyzes these developments and the directions in which they are heading such as movements toward privatization and devolution of child welfare service delivery Against this backdrop a third approach begins to emerge a child focused orientation that aims to promote and improve children s development and well being A vital book for understanding contemporary trends and policy issues in the design of child protection systems this will be must reading for comparative scholars of child welfare family policy and the welfare state Engendering Migrant Health Denise L. Spitzer,2011-01-01 Voluntary migrants to Canada are generally healthier than the average Canadian but after ten years in the country they report poorer health and higher rates of chronic disease than those born here Troublingly women particularly those from non European countries experience the most precipitous decline in health What contributes to this deterioration and how can its effects be mitigated Engendering Migrant Health brings together researchers from across Canada to address the intersections of gender immigration and health in the lives of new Canadians Focusing on the context of Canadian policy and society the contributors illuminate migrants testimonies of struggle resistance and solidarity as they negotiate a place for themselves in a new country Topics range from the difficulties of Francophone refugees and the changing roles of fathers to the experiences of queer newcomers and the importance of social unity to communal and individual health **They Have No Idea** Barbara Morrissey,2023-01-06 They Have No Idea Love and Desperation in Mothering a Child with Severe Autism and Epilepsy is a powerful account of a mother s struggle to understand what it means to be a good mother to her child who struggles with both issues In this book Barbara Morrissey bravely pulls back the curtain so others might catch a glimpse of what some families with special needs children experience The author reveals the distress of learning her son s diagnosis the determined efforts she and her husband undertake on his behalf and the impact this has on their family She describes the devastation of realizing that their efforts are futile and the heart wrenching process of deciding to seek an alternative care setting for their son The guilt of being unable to provide the level of care her son needs and the pain of watching his suffering intensify and his care needs increase over time drives her to wrestle deeply with her faith and perception of God It

is Barbara's hope that families with special needs children will draw comfort from this book in discovering that their feelings of fear, desperation, and inadequacy at times are not unusual. Those wanting to support these families through meaningful relationships, church ministries, civic programs, or government policies are apt to find this book helpful as well.

Mental Illnesses Luciano LaBate, 2012-01-13 In the book *Mental Illnesses: Evaluation, Treatments, and Implications*, attention is focused on background factors underlying mental illness. It is crucial that mental illness be evaluated thoroughly if we want to understand its nature, predict its long-term outcome, and treat it with specific rather than generic treatment such as pharmacotherapy for instance. Additionally, community-wide and cognitive-behavioral approaches need to be combined to decrease the severity of symptoms of mental illness. Unfortunately, those who should profit the most by combination of treatments often times refuse treatment or show poor adherence to treatment maintenance. Most importantly, what are the implications of the above for the mental health community? Mental illness cannot be treated with one single form of treatment. Combined individual, community, and socially oriented treatments, including recent distance writing technologies, will hopefully allow a more integrated approach to decrease mental illness world-wide.

International Indigenous Voices in Social Work Michael Anthony Hart, Amanda Burton, Kimberly Hart, 2016-08-17 In 2013 the International Indigenous Voices in Social Work Conference was held in Winnipeg, Canada, with Indigenous and non-Indigenous participants from all over the world. This book is a collaboration of works stemming from this conference and reflects the conference's theme of Indigenous Knowledges, resurgence, implementation, and collaboration. As Indigenous scholars and practitioners and non-Indigenous allies, the contributors here see the importance of Indigenous Knowledges for social work and related professions. Furthermore, they recognize that the colonial structures that are in place throughout the globe can only be dismantled through reliance on Indigenous knowledges and practices. This book makes a leading and impactful contribution to these anti-colonial and Indigenous efforts.

Changing Politics of Canadian Social Policy James J. Rice, Michael J. Prince, 2013-01-01 *Changing Politics of Canadian Social Policy* is a one-of-a-kind resource in the fields of political science and social work.

Protecting Children Kathleen Kufeldt, Barbara Fallon, Brad McKenzie, 2021-06-25 Focusing on children who are subject to welfare intervention, *Protecting Children* addresses the challenges and issues of the child welfare system and provides foundational knowledge on the theoretical and practical aspects of the field. This edited collection begins with a review of key concepts including child development, attachment, and resilience theories, social policies, family law, and ethics. Highlighting the translation of theory into practice, the contributors discuss current services and the search for best practice internationally, as well as explore Indigenous child welfare and offer conclusions and recommendations to promote positive outcomes for children and families involved in the system. Scholars, researchers, and practitioners from across the globe provide insight on a wide range of timely issues such as the risk of reductionism, limits to predictability, pragmatic issues, as well as the disproportional presence in the care system of minority groups, including Indigenous children, children of new immigrants, and

refugees children in LGBTQ communities and children of the poor This foundational volume is an important resource for courses in social work and child welfare FEATURES includes contributions from researchers practitioners and scholars from Australia Canada New Zealand the United Kingdom and the United States highlights Indigenous authors and personal stories of service users and includes figures and tables throughout the text as well as section introductions and conclusions to situate main theories and concepts for students Canadian Social Policy Anne Westhues,2006-09-20 The objective of this new edition is the same as that of previous editions to help students understand social policy from a Canadian perspective and to stir them to discussion and debate Part One provides a general overview of social policy and Part Two discusses the policy making processes from the international factors that influence them to the ways in which a social worker can become part of this process Part Three focuses on current social policy issues and Part Four offers a look to the future Each chapter of this best selling book has been thoroughly updated for this new edition with regard to current policy debated issues and resources cited Three new chapters have been added including an overview of adult mental health policy and a critical look at risk assessment in child welfare There is also a discussion of current challenges to the Charter of Rights and Canadians increasing use of the justice system to shape social policy As a result the reader gains an informed perspective of policy development and evaluation Although designed primarily for use by social workers the book will benefit anyone who is involved in the policy making process *Canadian Perspectives on Immigration in Small Cities* Glenda Tibe Bonifacio,Julie L. Drolet,2016-10-31 This book examines immigration to small cities throughout Canada It explores the distinct challenges brought about by the influx of people to urban communities which typically have less than 100 000 residents The essays are organized into four main sections partnerships resources and capacities identities belonging and social networks health politics and diversity and Francophone minority communities Taken together they provide a comprehensive multi disciplinary perspective on the contemporary realities of immigration to small urban locations Readers will discover how different groups of migrants immigrants and Francophone minorities confront systemic discrimination how settlement agencies and organizations develop unique strategies for negotiating limited resources and embracing opportunities brought about by changing demographics and how small cities work hard to develop inclusive communities and respond to social exclusions In addition each essay includes a case study that highlights the topic under discussion in a particular city or region from Brandon Manitoba to the Thompson Nicola Region in British Columbia from Peterborough Ontario to the Niagara Region As a complement to metropolitan based works on immigration in Canada this collection offers an important dimension in migration studies that will be of interest to academics researchers as well as policymakers and practitioners working on immigrant integration and settlement **Analyse de Politiques** ,2006 **Greening Social Work Education** Susan Hillock,2024-03-01 Despite urgent calls for global action sustainable social work practice and a solid green theoretical knowledge base North American social work and helping professions have been slow to learn from community activists

acknowledge the international climate emergency and act collectively to achieve climate justice Greening Social Work Education examines how social work educators can best incorporate sustainability content into social work curricula integrate green teaching methods and mobilize students and colleagues towards climate action justice and leadership Drawing on Canadian content this collection highlights Indigenous eco feminist collective action and multi interdisciplinary approaches to social work The book provides a rationale for why the topic of greening is important for social work and the helping professions discussion of current debates tensions and issues useful ideas related to innovative interdisciplinary theoretical approaches analyses and constructs and practical recommendations for teaching green social work education In doing so Greening Social Work Education strives to help social workers and educators gain the confidence and tools they need to transform their teaching and curricula
