Valdrón,1900 Welcome to the first but not the last Pirate s History of Doctor Who What s a Pirate s History you ask Well there s the official sanitized orderly histories that are approved by and all about the powers that be Then there are the Pirate s histories the things that they don t want you to know about or that they don t care about things that are great and marvellous and intriguing but unapproved It s a history of secret and forgotten corners of the Whoniverse Thrill to the story of the first Woman Doctor Barbara Benedetti whose four adventures during the end of the Colin Baker era and the start of the McCoy reign rivalled the official BBC in quality and launched an entire series of women Doctors Sharon Horton Lily Daniels Krystal Moore thirty years before Jody Whittaker Or how about BBC s attempt to kill Doctor Who in 1984 the fan campaign that saved the show the hiatus and the slow secret war the BBC waged to end one of its most popular shows There s the tragic tale of the decline and fall of John Nathan Turner There s a history that includes a fan group s attempt to create a feature length Doctor Who movie with Super 8 cameras in the 70s and a whole lost generation of fans and films Here s the story of the explosion of Doctor Who in the 80s the emergence of fan culture and the rise of fan films beginning with the woman Doctor As Doctor Who was driven into oblivion by the BBC it was fans who stepped up creating their own stories building their own adventures creating Daleks and Cybermen producing parodies and even re creating the show that the BBC had abandoned with astonishingly professional productions Here are the tales of stories and adventures aspiring to and sometimes rivalling the classic series Wrath of Eukor Visions of Utomu Ocean in the Sky Regenesi s Phase Four Spectre from the Past the Experiment the Chronotron Effect Resurrection of Evil Time and Again and others Subsequent volumes will explore Doctor Who s history of stage plays the recreation and resurrection by fans of Lost stories in every way from pioneers audio recording the entire series to fan artists and animators re creating the episodes to the astonishing diversity and imagination of fan art Witness the creation of audio Who universes or the stories of fans who figured out how to make legal films and videos in the Doctor Who universe whether the BBC approved We ll bring you adventures and epics you ve never heard of and never dreamed of open new worlds in time and space show how the fans creativity and accomplishments often against the BBC s wishes opened up creative possibilities for the show And how people driven by nothing more than sheer love were inspired to create amazing and wonderful works You may think you know Doctor Who but we ll show you places in the Whoniverse that you never dreamed of **Reprints in Print-serials, 1969** Sam P. Williams,1970 Doctor Faustus - Second Edition Christopher Marlowe,2007-02-12 Doctor Faustus is a classic its imaginative boldness and vertiginous ironies have fascinated readers and playgoers alike But the fact that this play exists in two early versions printed in 1604 and 1616 has posed formidable problems for critics How much of either version was written by Marlowe and which is the more authentic Is the play

orthodox or radically interrogative Michael Keefer's early work helped to establish the current consensus that the 1604 text was censored and revised the Keefer edition praised for its lucid introduction and scholarship was the first to restore two displaced scenes to their correct place Most competing editions presume that the 1604 text was printed from authorial manuscript and that the 1616 text is of little substantive value But in 2006 Keefer's fresh analysis of the evidence showed that the 1604 quarto's Marlovian scenes were printed from a corrupted manuscript and that the 1616 quarto though indeed censored and revised preserves some readings earlier than those of the 1604 text This edition has been updated and revised Keefer's critical introduction reconstructs the ideological contexts that shaped and deformed the play and the text is accompanied by textual and explanatory notes and excerpts from sources
