Francis,1997-01-05 In this fascinating and original book Leslie J Francis applies personality type theory to the way we study the bible Why when two people are asked what they find important in a biblical text are they likely to come up with different answers Why when a sermon speaks strongly to someone do others find it incomprehensible In recent years both inside and outside the Christian community the Myers Briggs Type Indicator MBTI has been extensively used as an aid to spiritual growth self knowledge and community building Type theory has become an invaluable resource in the spheres of education management and pastoral care Here Lesie J Frances suggests that in learning to understand our own preferred pattern of spirituality we do not only deepen our understanding of the gospels but also increase our sensitivity to the approaches of others Personality Type and Scripture brings together the texts from St Mark s gospel which are included in Year B of the

Revised Common Lectionary and uses the insights of MBTI theory to explore the range of possible responses to them Accessible enough for use in personal Bible reading its disciplined and professional approach makes it an invaluable companion for Bible study leaders and preachers **Mark** Warren Carter,2019-10-31 The Academy of Parish Clergy 2020 Reference Book of the Year 2020 Association of Catholic Publishers first place award in Scripture 2020 Catholic Press Association third place award for best new religious book series This reading of Mark s Gospel engages this ancient text from the perspective of contemporary feminist concerns to expose and resist all forms of domination that prevent the full flourishing of all humans and all creation Accordingly it foregrounds the Gospel s constructions of gender in intersectionality with the visions structures practices and personnel of Roman imperial power This reading embraces a rich tradition of feminist scholarship on the Gospel as well as masculinity studies particularly pervasive hegemonic masculinity Its politically engaged discussion of Mark s Gospel provides a resource for clergy students and laity concerned with contemporary constructions of gender power and a world in which all might experience fullness of life **The Problem of Jesus** Mark Clark,2021-02-23 The modern world portrays Jesus in many ways for many reasons Some are well intentioned but misguided others are aberrations still others have some but not all the essential keys In order to see and understand the real Jesus and what the Gospels say about him we have to see him in his first century context and work out from there Here is a portrait of Jesus that in some ways will affirm what traditional Christianity has always understood about him and in other ways upend it altogether Award winning author Mark Clark delves into the person and work of Jesus of Nazareth his parables and miracles his controversial challenge of discipleship and obedience his seemingly insane claim to be God and what his death and resurrection if they did happen actually mean Mark is unafraid to tackle questions such as What would first century Jews have immediately recognized about Jesus that modern Christians often miss What do the Gospels accomplish and can we trust them Is there a problem with science and Jesus miracles What are the barriers stopping people from following him And what is Christianity in light of an accurate portrayal of the object of its faith The Problem of Jesus engages with ideas from all realms of study from Malcolm Gladwell and Jordan Peterson to historians scientists and philosophers from N T Wright to C S Lewis from Star Wars to Pretty Woman all unite to form a breathtaking and accurate portrait of Jesus the man the message and the mission who forever altered the course of human history As a former atheist I would call this book philosophical dynamite The Problem of Jesus will take your thinking about Jesus and your relationship with him to whole new levels Pastor and author Ray Johnston **Filmstrip Guide** H.W. Wilson Company,1948 **Begging for Their Daily Bread** Zhenya Gurina-Rodríguez,2022-09-29 In Begging for Their Daily Bread Zhenya Gurina Rodriguez formulates a beggars centric hermeneutic and interprets Matthew 6 through this lense arguing that this text could be both engaging and alienating to beggars in the first century Jesus movement Gurina Rodriguez establishes that beggars come from different backgrounds and diverse perspectives on their realities of life while sharing particular life experiences marked by destitution homelessness

lack of any safety net and controversial reactions from the public to their means of survival Gurina Rodriguez constructs three beggar characters explores the differences and similarities in their possible interpretations of a portion of the Sermon on the Mount and brings to our attention some of the blind spots that many traditional readings of the text written by non poor Western scholars have concerning life in poverty
