Tillie Alleman, 2014-08-31 Tillie Pierce was a 15 year old girl when the battle erupted in her hometown of Gettysburg Just before the battle began Tillie was sent by her worried parents to what they thought was the safety of a farm outside of town the Jacob Weikert farm 3 or so miles down the Taneytown road on the east side or behind the round tops This was a relatively good place to be on the first day of battle But on the second day and to a certain extent the third it was a terrible place On the second day with the battle rolling toward the Union left and centering in the wheat field the peach orchard and especially the round tops the Weikert farm became a vast field hospital Tillie saw her share of dead and wounded men her description of the amputation benches and piles of severed limbs is hair raising and lived through the peril of sniper bullets and artillery shells She gave a drink of spring water to a grateful General Meade and talked with General Stephen Weed desperately wounded on Little Round Top the night before he died She tended wounded soldiers fed hungry and exhausted ones and in general saw and experienced more violence than any teenager ought to Although written when she was in her 40s Tillie s memoir captures the innocence and wide eyed amazement of a teenager Of the 80 some firsthand accounts of the battle written by inhabitants of Gettysburg Tillie s ranks as a favorite Historians have only begun to explore the impact of the Civil War on children both the boy soldiers who actually served in combat and the children left at home while dad went off to war or caught up in the total warfare into which the war sunk during its final two years Tillie s memoir is a valuable resource in this new line of research *Ghostly Encounters* Jeff Scott Cole, 2015-08-18 Mumbled voices in an empty attic heavy footsteps on the stairs when all in the house are asleep darting shadows across a darkened room It should come as no

surprise that with the dawn of the digital age people have turned their new technology toward the mysterious stories they've heard or events they've personally experienced. Here in the dusky gloom where traditional science has refused to enter, a new breed of investigator has introduced us to the strange sounds and weird images from these nocturnal adventures. Like most people, Jeff Cole has always been intrigued by aspects of the paranormal: does the human spirit endure after the body dies, and are there such things as ghosts? Though the deeper questions are best left to priests and scholars, his investigations of well and lesser known historical sites indicate the existence of a truly inexplicable phenomenon. *Ghostly Encounters* chronicles Cole's journey into the world of ghost hunting, other ghost hunting groups he has met, and the team he ultimately joins. *Ghostly Encounters* also provides a first person account of the haunted locations explored, historical background and context to these sites, and audio and video clips so the reader can experience some of the startling evidence captured during these investigations.

Campbell, 2021-10-26 The information about the book is not available as of this time. **At Gettysburg** Matilda "Tillie" Pierce Alleman, 2022-12-02 Tillie Pierce, also known as Matilda Alleman, *At Gettysburg* is an intriguing book that follows the life of 15-year-old Tillie as she witnesses and experiences the Battle of Gettysburg. During the first day's fighting, Tillie's family moved her out of town to a farm, thinking she would be safer there. As it turned out, Tillie ended up right behind the Union lines on the second and third day. The farm where Tillie stayed became a field hospital where the young girl witnessed much suffering and death. The book is Tillie's own account of her memories and experiences from the battle. Though written years later, it is considered to be a very accurate and firsthand source. Not to mention a remarkable journey behind the front lines at the Battle of Gettysburg.
