Secret Strength Joni Eareckson Tada, 2011-09-07 Do you want to know a secret What s so secret about God Nothing And yet everything Scripture tells us the secret things belong to the Lord our God God has secrets Some to keep and some to tell And who doesn t want to know a secret Most of us are filled with an incurable urge to discover secrets to walk the higher and hidden roads And it is our God our wonderfully mysterious God who has placed that yearning within us He is the treasure we seek the precious gem to be mined So take the time to spend these one hundred concise life changing appointments with him And discover incredible handholds of refreshment courage and endurance you can cling to in Secret Strength Gideon's Fleece: Seeking God's Assurance Ahmed Musa , 2024-12-13 A reluctant leader A fleece of doubt God s unwavering confirmation When the Midianites oppressed Israel Gideon was called by God to deliver His people Yet Gideon struggled with doubt feeling unworthy of such a monumental task In a moment of uncertainty he placed a fleece on the ground asking God for a sign If this fleece is wet with dew and the ground is dry I will know that You have truly called me When God answered his request Gideon sought another confirmation Let the fleece remain dry and the ground wet God responded again affirming His call Gideon s Fleece Seeking God s Assurance explores this deeply human moment of doubt and faith revealing how God patiently reassures those He calls even in moments of fear and insecurity In Gideon s Fleece Seeking God s Assurance you will discover The story of Gideon s call and the challenges he faced in stepping out in faith to lead Israel against overwhelming odds The significance of the fleece and how it symbolizes the balance between human doubt and divine reassurance The deeper meaning behind Gideon s request for signs and how God s response was not a sign of weakness but an act of mercy to build Gideon s faith and courage How God meets us where we are offering His assurance in ways that speak to our hearts even when we struggle with doubt or insecurity The lessons we can learn from Gideon s story about the importance of seeking God s guidance and trusting in His promises even when we are uncertain about His plans for us Gideon s fleece is more than just a request for confirmation it is a beautiful illustration of God s grace in the midst of human weakness Gideon though uncertain and filled with self doubt was assured by God that His will would be accomplished This story shows us that it is okay to seek confirmation from God but it also challenges us to trust His voice and step forward in faith even when we don t have all the answers How often do you struggle with doubt when God calls you to something big How does Gideon s story encourage you to seek God s assurance and trust in His plans for you Gideon s fleece reminds us that our doubts do not disqualify us from God s calling God is patient with our insecurities and willing to confirm His will but He also calls us to take bold steps forward in faith knowing that His presence will guide us every step of the way Step into Gideon s Fleece Seeking God s Assurance and discover how to trust God s guidance even in moments of uncertainty God s assurances are not signs of weakness but of His love care and commitment to His people **Becoming a Woman Who Knows God by Name** Jan Harrison, 2016-08-30 Those who know your name trust in you Psalm 9 10 My Creator My Provider

Escaping Escapism Dave Griffith-Jones,2018-01-01 An inspiring book that shows how knowing and trusting Jesus enables us to do hard things rather than seeking to escape from them Almost anything that is worth doing is a struggle Almost anything that benefits other people is tough to do Almost anything that makes a difference in this world is hard to see through to the end Which is why we ll often do almost anything to escape doing it Yet we want to love people well even when they re difficult tackle challenges that we find difficult and keep moving forwards through times that prove difficult Deep down we want to get on with doing hard things fix what needs fixing and change what needs changing This book shows us how a bigger better picture of Jesus will transform us Our panic and tendency to avoid difficult things can be replaced with joyful get things done confidence and proactivity when we depend on

God's power. If you avoid difficult things but want to change, this book is for you. *When Perfect Isn't Enough* Nancy Kennedy, 2010-06-09. It's time to laugh away the myth of the perfect woman. Women juggle endless responsibilities these days from bringing home the bacon and frying it up in the pan to making sure husband and kids have a good supply of pork rinds and that's just the tip of the iceberg. Whether we're creating burnt offerings in the kitchen balancing listing checkbooks or keeping romance alive and well or at least breathing, women can quickly become burned out, stressed out, and just plain worn out. In *When Perfect Isn't Enough*, humor writer Nancy Kennedy approaches this misperception with her trademark wit describing a hilarious quest to become the Proverbs 31 Woman that will bring relief to your heart and tears of laughter to your eyes. Like Nancy, you will be profoundly changed by a life-transforming truth: God loves you just as you are and has given you all the grace and gifts you need to be exactly who he has called you to be. *"The Gospel Awakening."* Dwight Lyman Moody, 1883.

Letting Go Linda Estes, 2018-10-16. It's hard to find time for a spiritual recharge in the morning, but Linda Estes is here again to help with her mastery of the one-minute devotional. We like our stuff, don't we? We hold tight to our material things, our dreams, and our plans for our lives. We have things all lined out in our heads and hearts. Things are going along just fine, and then God interrupts our stuff. He asks us to let go of something or someone we love. When that happens, we have two choices. We can either go along with God's plan or hang on to our own. Sometimes God asks us to let go of things simply to help us grow in our faith, walk with Him. Other times He asks us to let go so that He can do what Scripture tells us in Ephesians 3:20. God wants to do far more abundantly beyond all that we ask or think. Only when we are willing to let go of whatever God is asking of us can He then bless our socks off. When we let God be God and surrender our stuff, so He

can carry out His plan for our lives that's when we really start living God's way Linda's prayer for you as you read these one minute devotions is that they will help you find the freedom and blessings in letting go These books are for everyone who wants to start their day right with God and make delightful gifts

Dangerous Church John Bishop, 2011-04-19 Dangerous churches should be norm Church leaders and church people alike shrink back from danger because we want safety Jesus said that he's overcome the world and its troubles Dangerous churches put everything on the line for the one thing that matters most reaching lost people It's dangerous not to be a dangerous church The book is less about methods or even the message of God but about a church that risks everything it has to reach lost people Living Hope was birthed 8 years ago and has grown from five families to 5000 attendees grown from one to 19 services on many campuses and baptized 5 000 people along the way A dangerous church sees what only God can do when it acts upon what the church is supposed to be It risks everything to reach people God wants us to live on the edge of our margin when it comes to mission and methods So much of Living Hope's journey has been going back to the Book of Acts and trying to live authentically with the givens of who they were where they were and what they had to work with They learned to abandon agendas and short sighted human plans especially ones that copy what other churches are doing That's when they found God's blessing We went from being a good church to being God honoring church he reports Drawing insight from the book of Acts this book unfolds the very personal journey of a pastor and then his entire church when they finally began to live a dangerous faith The transition had a dramatic impact on the pastor's life and marriage as well as on the congregation and its outreach It opened a new sense of mission and incredible spiritual fruitfulness The pastor is not only a radically different person today but the entire church has become an atmosphere that values taking dangerous steps of faith It will lead Christ's followers to become risk takers who change the world through a revolution that begins with a dangerous grace The book is story rich with examples of the grace filled culture from Living Hope Church through the experiences of its pastor John Bishop It will avoid a smug attitude that implies we've arrived we're the first to live out grace or we're the best at giving grace Instead the book will convey a humble attitude of we've got a lot to learn including examples of mistakes the church has made along the way The rapid transition of Living Hope will not be projected as a speed for other churches to follow lest the book invite a crash and burn outcome at other churches Thus the book will find its primary story in and from Living Hope In 2007 Outreach Magazine ranked Living Hope as the seventh fastest growing church in the US They have also been listed among the 50 most influential churches in America
