

A man in a dark cowboy hat, a dark jacket over a yellow shirt, and blue jeans is holding a knife. A rope is draped over his right shoulder. The background is a sunset scene with a green field and white-covered wagons.

"I have never read a Beth Williamson novel I didn't like.

Gideon Beth Williamson,2012-03-06 With no intention of following the rest of the Devils down the aisle Gideon Blackwood heads for the hills to reassess a life spent leading and caring for others And runs smack into the business end of a shotgun At the trigger a curmudgeonly woman with a broken axle and a load of responsibility **Descendants of Robert and Hannah Hickman Way of Chester County, Pennsylvania** ,1975 Genealogy of the Darlington Family Gilbert Cope,1900

Second Finding Barbara Folkart,2007-09-06 The translation of poetry has always fascinated the theorists as the chances of replicating in another language the one off resonance of music imagery and truth values of a poem are vanishingly small Translation is often envisaged as a matter of mapping over into the target language the surface features or semiotic structures of the source poem Little wonder then that the vast majority of translations fail to be poetry in their own right These essays focus on the poetically viable translation the derived poem that while resonating with the original really is a poem They proceed from a writerly perspective eschewing both the theoretical overkill that spawns mice out of mountains and the ideological misappropriation that uses poetry as a way to push agendas The emphasis throughout is on process and the poem to come to move forward in theory and practice and opens new paths in land policy research **Leading Well in Times of Disruption** Joseph W.
