*Gospel truth demonstrated, in a collection of doctrinal books, given forth by that faithful minister of Jesus Christ, George Fox: containing principles essential to Christianity and salvation, held among the people called Quakers* George Fox,1831

*The Rule of Benedict* Georg Holzherr,2016-12-12 In his introduction to this commentary on the Rule of Benedict Abbot Georg Holzherr offers this analogy The Rule is comparable to an old heavy red wine that is enjoyed in small sips Head and heart soul and mind should taste the words of the Rule just as the eye enjoys the color of the wine while tongue nose and mouth take in the delightful gift of God each in their own way In this new translation based on the completely revised seventh edition of DieBenediktsregel Holzherr has created a profoundly rich commentary using up to date research methods and the latest translations of ancient monastic texts At the same time this commentary is meant not only for experts in the field of ancient monasticism but also for all lay and monastic readers interested in delving into the teachings and spirituality of Saint Benedict and his spiritual predecessors in the East and in the West This edition also features a completely revised and expanded introduction and commentary New research in the field of early monasticism is offered including new insights into the monastic life of women Finally the updated bibliography and a detailed index are valuable tools for anyone wanting to explore the extraordinary world of Saint Benedict

*Gospel-truth Demonstrated* George Fox,1706

*Listen My Son* Dwight Longenecker,2000-09 Listen My Son the opening words of Benedict s Rule breaks the Rule into small daily portions and provides commentary specifically geared to help men be better husbands and parents Without underestimating the emotional spiritual and physical demands of fatherhood Longenecker also holds up the joys of developing a strong bond with God one that nurtures the individual man and that provides him with the ability to grow himself and his family in faithfulness service and love

**Preferring Christ** Norvene Vest,2004-10-01 A modern approach to spiritual deepening using the ancient but wise Rule of St Benedict The Rule of St Benedict continues to attract those who seek to live a deeper life connected to Christ But with such an ancient text how can we authentically engage St Benedict s Rule in a manner that is true to its profound insights and to our own spiritual journey Norvene Vest suggests that the answer lies in the way we read the Rule It shouldn t be studied like a book of regulations or a school textbook It should be read as lectio divina This profound yet very practical volume speaks to our urgent spiritual need People yearn for an interior life

deeply rooted in God humanly balanced and substantially founded in the Christian heritage Vest offers a valuable resource by rendering much more accessible the spiritual wealth of the key text of the ancient Benedictine charism Here is the solid balanced wisdom that has nourished and guided innumerable Christians for nearly fifteen centuries     **The Wandering Mind** Jamie Kreiner,2023-01-03 A revelatory account of how Christian monks identified distraction as a fundamental challenge and how their efforts to defeat it can inform ours more than a millennium later The digital era is beset by distraction and it feels like things are only getting worse At times like these the distant past beckons as a golden age of attention We fantasize about escaping our screens We dream of recapturing the quiet of a world with less noise We imagine retreating into solitude and singlemindedness almost like latter day monks But although we think of early monks as master concentrators a life of mindfulness did not in fact come to them easily As historian Jamie Kreiner demonstrates in The Wandering Mind their attempts to stretch the mind out to God to continuously contemplate the divine order and its ethical requirements were all consuming and their battles against distraction were never ending Delving into the experiences of early Christian monks living in the Middle East around the Mediterranean and throughout Europe from 300 to 900 CE Kreiner shows that these men and women were obsessed with distraction in ways that seem remarkably modern At the same time she suggests that our own obsession is remarkably medieval Ancient Greek and Roman intellectuals had sometimes complained about distraction but it was early Christian monks who waged an all out war against it The stakes could not have been higher they saw distraction as a matter of life and death Even though the world today is vastly different from the world of the early Middle Ages we can still learn something about our own distractedness by looking closely at monks strenuous efforts to concentrate Drawing on a trove of sources that the monks left behind Kreiner reconstructs the techniques they devised in their lifelong quest to master their minds from regimented work schedules and elaborative metacognitive exercises to physical regimens for hygiene sleep sex and diet She captures the fleeting moments of pure attentiveness that some monks managed to grasp and the many times when monks struggled and failed and went back to the drawing board Blending history and psychology The Wandering Mind is a witty illuminating account of human fallibility and ingenuity that bridges a distant era and our own     **The Malleus Maleficarum** Heinrich Kramer,James Sprenger,2007-04-01 A handbook for hunting and punishing witches to assist the Inquisition and Church in exterminating undesirables Mostly a compilation of superstition and folklore the book was taken very seriously at the time it was written in the 15th century and became a kind of spiritual law book used by judges to determine the guilt of the accused From publisher description     *Gospel truth demonstrated, in a collection of doctrinal books...containing principles essential to Christianity and salvation, held among the people called Quakers* George Fox,1831     *KJV Standard Lesson Commentary® 2020-2021* Standard Publishing,2020-06-01 As the world s most popular annual Bible commentary for more than two decades Standard Lesson Commentary SLC provides 52 weeks of study in a single volume and combines thorough Bible study with relevant examples and questions Key
