Ghost Stories by British and American Women Lynette Carpenter, Wendy K. The Mythical West Richard W. Slatta, 2001-11-20 This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America s most potent source of legend But it is sometimes hard to separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody s Wild West Show in the late 1800s Or that many interpreters believe that The Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlán the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs

Elam examines Wilson's published plays within the context of contemporary African American literature and in relation to concepts of memory and history, culture and resistance, race and representation. Elam finds that each of Wilson's plays recaptures narratives lost, ignored or avoided to create a new experience of the past that questions the historical categories of race and the meanings of blackness.

Tales Of Men And Ghosts Edith Wharton, 2015-10-15. He began by a quick survey of his early years, the years of drudgery and privation. His father, a charming man who could never say no, had so signally failed to say it on certain essential occasions that when he died he left an illegitimate family and a mortgaged estate. His lawful kin found themselves hanging over a gulf of debt and young Granice to support his mother and sister had to leave Harvard and bury himself at eighteen in a broker's office. He loathed his work and he was always poor, always worried and in ill health. A few years later his mother died but his sister, an ineffectual neurasthenic, remained on his hands. His own health gave out and he had to go away for six months and work harder than ever when he came back. He had no knack for business, no head for figures, no dimmest insight into the mysteries of commerce. He wanted to travel and write; those were his inmost longings. And

as the years dragged on and he neared middle age without making any more money or acquiring any firmer health a sick despair possessed him He tried writing but he always came home from the office so tired that his brain could not work For half the year he did not reach his dim up town flat till after dark and could only brush up for dinner and afterward lie on the lounge with his pipe while his sister droned through the evening paper Sometimes he spent an evening at the theatre or he dined out or more rarely strayed off with an acquaintance or two in quest of what is known as pleasure And in summer when he and Kate went to the sea side for a month he dozed through the days in utter weariness Once he fell in love with a charming girl but what had he to offer her in God s name She seemed to like him and in common decency he had to drop out of the running Apparently no one replaced him for she never married but grew stoutish grayish philanthropic yet how sweet she had been when he had first kissed her One more wasted life he reflected Scenic Driving Montana S.
