**The Ghost-Ship and Other Stories** Richard Middleton,2015-12-11 Richard Middleton was a 19th century author who wrote popular short stories including this collection of haunting tales      **The Ghost Ship** Richard Middleton,2022-06-10 A humorous tale of a town bustling with ghosts The living villagers are accustomed to the deceased going about their business around them but an element of chaos is introduced when a supernatural pirate ship appears in a turnip patch and begins to dispense a heavenly rum to both living and dead Good fun Goodreads      [The Ghost Ship](#) Richard Middleton,2015 Poet and short story writer Richard Middleton had a brief literary career that ended tragically with his suicide in 1911 But his oft anthologized short story The Ghost Ship secured a place in literary history as one of the most beloved ghost stories ever written This collection brings together The Ghost Ship and a number of Middleton s other short pieces of fiction many of which have supernatural themes      [The Ghost Ship and Other Stories, by Richard Middleton, with an Introduction by Arthur Machen](#) Richard Middleton,1912      [The Ghost-ship](#) Richard Middleton,1912      [The Ghost Ship](#) Richard Middleton,2013-07-23 The other day I said to a friend I have just been reading in proof a volume of short stories by an author named Richard Middleton He is dead It is an extraordinary book and all the work in it is full of a quite curious and distinctive quality In my opinion it is very fine work indeed It would be so simple if the business of the introducer or preface writer were limited to such a straightforward honest and direct expression of opinion unfortunately that is not so For most of us the happier ones of the world it is enough to say I like it or I don t like it and there is an end the critic has to answer the everlasting Why And so I suppose it is my office in this present instance to say why I like the collection of tales that follows I think that I have found a hint as to the right answer in two of these stories One is called The Story of a Book the other The Biography of a Superman Each is rather an essay than a tale though the form of each is narrative The first relates the sad bewilderment of a successful novelist who feels that after all his great work was something less than nothing He could not help noticing that London had discovered the secret which made his intellectual life a torment The streets were more than a mere assemblage of houses London herself was more than a tangled skein of streets and overhead heaven was more than a meeting place of individual stars What was this secret that made words into a book houses into cities and restless and measurable stars into an unchanging and immeasurable universe Then from The Biography of a Superman I select this very striking passage      **HUMOROUS GHOST STORIES BY DOROTHY SCARBOROUGH** DOROTHY SCARBOROUGH,2022-05-12 HUMOROUS GHOST STORIES by DOROTHY SCARBOROUGH is a delightful collection of spectral tales that combine chills and chuckles Scarborough s unique approach to ghost stories offers a refreshing take on the supernatural delivering scares with a side of laughter Whether you re a lover of ghost stories or in search of something different HUMOROUS GHOST STORIES will entertain and amuse Scarborough s playful prose and imaginative storytelling create a one of a kind experience that s both spooky and spirited Grab your copy of HUMOROUS GHOST STORIES today and
