Ghostly Encounters Confessions Of A Paranormal Investigator:

Ghostly Encounters Jeff Scott Cole, 2015-08-18 Mumbled voices in an empty attic heavy footsteps on the stairs when all in the house are asleep darting shadows across a darkened room It should come as no surprise that with the dawn of the digital age people have turned their new technology toward the mysterious stories they've heard or events they've personally experienced Here in the dusky gloom where traditional science has refused to enter a new breed of investigator has introduced us to the strange sounds and weird images from these nocturnal adventures Like most people Jeff Cole has always been intrigued by aspects of the paranormal does the human spirit endure after the body dies and are there such things as ghosts Though the deeper questions are best left to priests and scholars his investigations of well and lesser known historical sites indicate the existence of a truly inexplicable phenomenon *Ghostly Encounters* chronicles Cole's journey into the world of ghost hunting other ghost hunting groups he has met and the team he ultimately joins *Ghostly Encounters* also provides a first person account of the haunted locations explored historical background and context to these sites and audio and video clips so the reader can experience some of the startling evidence captured during these investigations

Ghost Hunting Dawn J. Schofield, 2024-10-24 A creak of the floorboard The wind whistling in the eaves The rustle of some small creature a mouse maybe scurrying in the basement These are all sounds you might expect to hear in an old house But what if they were signs of something more Paranormal investigator Dawn J Schofield knows from experience that not all strange phenomena have a rational explanation In her thirty years of ghost hunting she's seen heard and even smelled things she couldn't debunk and now she's here to show you how to capture your own evidence of specters and spirits In this guide she shares her approach to paranormal investigation gives tips for location sourcing explains the tools of the trade and much more Along the way she tells true spine tingling tales of ghostly encounters from her own life from unexplained apparitions to disembodied voices to terrifying contact with spirits through a Ouija board By the end of this book you'll know all about the equipment techniques and unwritten rules you need to start exploring the supernatural Now the only thing left to do is muster the courage to face the unknown

Dances with Ancestors David Kowalewski PhD, 2019-11-29 Ancestry is big business these days but mere biological genealogy fails to tap into our spiritual roots The shamans of indigenous cultures have known for millennia how to do this In this comprehensive cross cultural survey Dr David Kowalewski scholar and practicing shaman offers several techniques for engaging the Old Ones the old fashioned way Although modern people have largely lost this tradition the ancestors are coming back strong along with the shamans a welcome happening that may reverse our ancestor deficit disorder Drawing on a global survey of ethnographic reports direct teachings from shamans of many continents and experiences from his own shamanic practice the author presents a wealth of useful ways that shamans have developed around the world and across the ages to connect with ancestors in both our realm and theirs These include spirit plates effigies pilgrimages walkabouts and trips with plant spirits Using these ancient techniques indigenous peoples receive a

variety of gifts from their Old Ones including destiny guidance healing protection and wisdom teachings Yet some ancestors may behave like hooligans causing psychological distress and physical woes and even curses against a whole lineage But these maladies are both prevented and countered by shamanic methods such as home cleansing disposal of the deceased's property severance ceremonies and the like The author ends with practical takeaways lessons from the lineages so to speak showing how you and your ancestors through concerted spiritual action can co evolve to higher spiritual planes As a team

If You Should Go at Midnight Jeffrey S. Debies-Carl, 2023-04-21 Tonight across America countless people will embark on an adventure They will prowl among overgrown headstones in forgotten graveyards stalk through darkened woods and wildlands and creep down the crumbling corridors of abandoned buildings They have set forth in search of a profound paranormal experience and may seem to achieve just that They are part of the growing cultural phenomenon called legend tripping In *If You Should Go at Midnight* Legends and Legend Tripping in America author Jeffrey S Debies Carl guides readers through an exploration of legend tripping drawing on years of scholarship documentary accounts and his own extensive fieldwork Poring over old reports and legends sleeping in haunted inns and trekking through wilderness full of cannibal mutants and strange beasts Debies Carl provides an in depth analysis of this practice that has long fascinated scholars yet remains a mystery to many observers Debies Carl argues that legend trips are important social practices Unlike traditional rites of passage they reflect the modern world revealing both its problems and its virtues In society as well as in legend tripping there is ambiguity conflict crisis of meaning and the substitution of debate for social consensus Conversely both emphasize individual agency and values even in spiritual matters While people still need meaningful and transformative experiences authoritative traditional institutions are less capable of providing them Instead legend trippers voluntarily search for individually meaningful experiences and actively participate in shaping and interpreting those experiences for themselves
