Pacific Theater by a master of military adventure fiction The Last Paladin by P T Deutermann is based on the true story of the USS Holland DE 24 a World War II Atlantic Fleet destroyer escort which has spent the past two years in the unforgiving battle for survival against the German U boats of the North Atlantic Summoned to relieve destroyers that are bogged down by escort duty in the escalating Pacific Theater the Holland is met with a rather cold reception In the eyes of Pacific Fleet sailors North Atlantic convoy duty pales in comparison to the bloody carrier sinking battles of Savo Island and Guadalcanal However Atlantic Fleet ships have had to specialize in one thing anti submarine warfare The Holland is sent off into remote South Pacific operating areas with orders to find and destroy Japanese submarines but with little expectation of success Her commanders take the mission literally using radio intercepts that are being ignored at higher levels they determine that the Japanese have set up a 1000 mile long picket line of six submarines an entire squadron's worth to act as a moveable barrier against the expected American advance into the next set of islands These submarines are poised to sink every American aircraft carrier and destroyer and to change the course of the war What happens next is one of the legendary stories of the US Navy The Last Paladin is high stakes naval warfare at its best told with utter authenticity and a former ship captain's understanding of dramatic intense combat P T Deutermann continues his acclaimed series of WWII thrillers in this unforgettable novel

Iwo, 26 Charlie P. T. Deutermann, 2023-11-28 The tiny Pacific island of Iwo Jima was the focus of an epic land and sea battle that produced one of the most iconic images of World War II US Marines raising the American flag on Mount Suribachi an active volcano where American and Japanese soldiers desperate to secure the island's airfields fought hand to hand and always to the death In this gripping novel award winning author and retired commodore P T Deutermann follows a young Navy gunnery officer stationed on the battleship Nevada from the beginning of the battle to its decisive end Lieutenant Lee

Bishop serves in the main plotting room aboard USS Nevada targeting fourteen inch shells from the ship's guns against enemy positions on Iwo Jima called in by frantic Marine spotters ashore. But after the Marines suffer devastating losses of spotting personnel to the Japanese hunting teams sent out specifically to kill them, Bishop volunteers to serve onshore as a replacement, calling in coordinates to target Japanese positions with offshore naval gunships such as Nevada. But Bishop is completely unprepared for what he witnesses and experiences a literal hell on earth during which twenty six thousand Americans become casualties in desperate and often hand to hand fighting with the enemy garrison men committed to dying for Japan. Bishop goes from the safe air conditioned gunnery control spaces of a battleship to the mud, blood and sheer terror of night fighting against suicidal Japanese who come out of the night and leap into Marine foxholes with samurai swords to slaughter American Marines. The battle culminates on the stinking slopes of the volcano where Bishop calls in monster projectiles against banzai charges while using a Thompson submachine to save his own life and those of his fellow Marines.

Iwo 26 Charlie is a frighteningly dramatic, utterly authentic novel by an award winning writer and Navy veteran who is a contemporary master of World War II military fiction. **Trial by Fire** P. T. Deutermann, 2021-07-13. Based on a true story, P. T. Deutermann's *Trial by Fire* is a dramatic WWII novel of attack, survival and triumph on board an aircraft carrier in the Pacific. It's March 1945 and the war in the Pacific is approaching its apocalyptic climax. The largest wartime armada ever assembled, Task Force 58, is closing in on Okinawa; once taken, it will finally put American B-29 bombers in comfortable range of the home islands of Japan and victory. At the heart of the fleet are 14 Essex class aircraft carriers, including the USS Franklin, known as Big Ben, a 27,000 ton behemoth home to 3,600 crewmen and 100 aircraft. Just after dawn while crewmen prepare for battle, a single Japanese Yokosuka D4Y bomber breaks through the clouds and drops a 500 pound semi armor piercing bomb on Big Ben. The bomb rips through the wooden flight deck before exploding on the hangar deck amidst two dozen fully fueled and armed fighter bombers. The resulting explosion engulfs both the hangar deck and all the planes spotted on the flight deck. Bombs cook off and rockets howl in all directions, both on the flight deck and down in the hangar bays. Hundreds of men are forced to leap into the sea to escape the rivers of burning aviation gasoline, leaving the captain with only one third of his crew, of whom there are more dead, wounded and trapped men left onboard than able bodied sailors. *Trial By Fire* is the gripping novelization of how, against all odds, the sailors of the Franklin were able to save their ship after 3 agonizing days of battling the flames that ultimately claimed the lives of 832 men and injured 300 more. Readers will be astounded and humbled by the heroic actions of a few extraordinarily brave sailors in the face of unending catastrophe.
