

Here Comes the Sun

Words and Music by George Harrison

This is one of two songs on the *Abbey Road* album written by George Harrison – the other song being 'Something' which also features in this book. 'Here Comes the Sun' was written during a visit to his friend Eric Clapton's house, whilst walking in the garden and enjoying the sunshine.

Hints & Tips: Practise slowly enough to count the quavers (eighth notes), which always stay the same length. They may sound a little out of time when played with accents in bars 6–7, 21–22 and 30–31.

Upbeat ♩ = 120

Here comes the sun... (and I say)

It's all right.

Lit - tle dar - ling, it's been a long, cold, lonely win - ter.

Lit - tle dar - ling, it feels like years since it's been here.
