Re-living Britain in the 1940s Robin Wichard,2023-01-24 *The 1940s* remains an iconic period in world history and retains a fascination for so many Re enacting the 40s is becoming increasingly popular but there is little available information explaining how to start in the hobby This book is the first to offer enthusiasts of the 40s a way to advance their interest whether it be military or civilian Each chapter deals with a different aspect of re enacting from civilian roles including children to military roles with many different potential impressions explored for each area Each chapter is lavishly illustrated with many previously unseen color photographs of contemporary re enactors and events There are further chapters introducing those people who portray wartime political and military leaders as well as those who bring back to life some of the most iconic musicians and performers of the period For those choosing to enter the hobby through ownership of a civilian or military vehicle that is also covered with many examples of some of the most well known vehicles Each chapter offers a brief contextual history with detailed notes on where to obtain uniform and equipment some of the best groups to join as well as links to related sites and recommendations for wider reading No book can cover every single possible role but this offers an excellent starting point for further research and involvement while stressing the need to always remain respectful of those we seek to commemorate

The Best School in Jerusalem Laura S. Schor,2013-12-03 Annie Edith Hannah Judith Landau 1873 1945 born in

London to immigrant parents and educated as a teacher moved to Jerusalem in 1899 to teach English at the Anglo Jewish Association's Evelina de Rothschild School for Girls. A year later she became its principal, a post she held for forty-five years. As a member of Jerusalem's educated elite, Landau had considerable influence on the city's cultural and social life, often hosting parties that included British Mandatory officials, Jewish dignitaries, Arab leaders, and important visitors. Her school, which provided girls of different backgrounds with both a Jewish and a secular education, was immensely popular and often had to reject candidates for lack of space. A biography of both an extraordinary woman and a thriving institution, this book offers a lens through which to view the struggles of the nascent Zionist movement, World War I, poverty, and unemployment in the Yishuv, and the relations between the religious and secular sectors and between Arabs and Jews, as well as Landau's own dual loyalties to the British and to the evolving Jewish community. **American Motherhood**, 1911 *A Passion for Mountains* Kathryn Bridge, 2006 Don and Phyllis Munday are western Canada's most famous mountaineering couple. Active members of the Alpine Club of Canada, they climbed for almost four decades throughout the Pacific Northwest as well as in the Selkirk and the Rocky Mountains. The Mundays were ahead of their time. They are chiefly renowned for their tenacity and environmental awareness, as well as for their scientific contributions in exploring and documenting the little-known Coast Mountains. Their joint climbs from the 1920s through the 1940s included scaling 150 plus mountains; more than 40 were first ascents. *A Passion for Mountains* features a broad selection of the Munday photographs and incorporates their own words to describe many of their ascents. **The Children's Illustrated Encyclopedia of General Knowledge**, 1957 Juliette Gordon Low Stacy A. Cordery, 2013-01-29 Experience the captivating journey of a trailblazing woman who defied conventions and created a lasting legacy. Born at the start of the Civil War, Juliette Daisy Gordon Low struggled to reconcile being a good Southern belle with being true to her adventurous spirit. Accidentally deafened, she married a dashing British patrician and moved to England, where she quickly became dissatisfied with the aimlessness of privileged life. Her search for greater purpose ended when she met Robert Baden Powell, founder of the Boy Scouts, and was inspired to recreate his program for girls. The Girl Scouts of the USA, which can now count more than fifty-nine million American girls and women among its past members, aims to instill useful skills and moral values in its young members, with an emphasis on fun. In this lively and accessible biography of its intrepid founder, Stacy A. Cordery paints a dynamic portrait of an intriguing woman and a true pioneer whose work touched the lives of millions of girls and women around the world.
