

7 tips for campfire safety

Campfires are a sure-fire way to get into the spirit of the season. Just don't let a burn dampen the fun.

If a burn does occur, bring them to Akron Children's Emergency Room.

1. **Keep kids at least 5 feet away from open fire.**
2. **Don't let kids play near the fire.**
3. **Supervise children while roasting goodies.**
4. **Don't allow kids to play with the fire, such as tossing in objects or poking it.**
5. **Dress kids in fitted, tightly woven clothing and avoid flammable fabrics.**
6. **Practice Stop, Drop and Roll!**
7. **Keep a first-aid kit and fire extinguisher nearby.**

nets to protect them And because there is no comprehensive commitment to ensure child safety there is no systematic or even partial oversight of adults charged with their care As a result parents are put in the difficult position of deciding whether caregivers of all kinds are sufficiently skilled and responsible to look after children How to Keep Your Children Safe is essential reading for any parent concerned about child safety It takes a hard look at the hidden side of children s lives the times when they re in contact with caregivers who aren t doing their jobs properly It provides detailed information on places where children are under the care of others including day care recreational settings religious and civic organizations schools and summer camps Vissing investigates the potential perils of each setting and enumerates ways in which parents can better monitor or take control of their child s safety By writing a realistic assessment of commonplace settings that every parent and child can relate to and offering a road map to child safety Vissing empowers parents to make critical decisions about their children s lives
