about recognizing the right opportunity and acting upon it decisively In Jayden Hart he saw such an opportunity enclosed in the rare combination of innocence beauty and brilliance a combination he couldn't resist despite his attempts to remain aloof from the relationship Normally poised and self-assured Jayden's world had taken an alarming turn What initially had seemed like a nuisance was quickly becoming a significant threat to her business her family and her whole way of life And she had no idea how to avoid catastrophe Dante's suggested solution presented a potential lifeline but with what strings attached Would the solution be worse than the crisis that had required it And how was she to avoid falling in love with her secret husband
