**Yorkville** Thomas Douglas Adelman, 2022-04-21 Thomas Douglas Adelman looks back at an eventful life in this engaging memoir about growing up in a Jewish family and becoming a successful producer and director. Born in 1954, he grew up on the Upper East Side of New York City in an upper-middle-class family with the normal dysfunction that you find in all families. Notably, his family was Jewish but celebrated Christmas, although he never could figure out why. His father was a businessman passionate about politics, and his mother was an actress in the forties. When they met, it was love at first sight. The author looks back at his adventures growing up, including being thrown out of private schools as a boy and rubbing elbows with notable people. He also looks back at how he made his way into the entertainment industry, producing, directing, and working on numerous films and projects, and ultimately launching his own company. Join the author as he looks back at his childhood, adult life, and his rise to the top of the entertainment industry. *Eloise in Moscow. Drawings by Hilary Knight*

Kay Thompson, 1960 **Great Dames** Marie Brenner, 2010-03-10 Fascinating, gossipy, entertaining. New York Times Book Review. They are ten outstanding women of the century. Each had an aura, including Thelma Brenner, the first great dame her daughter ever knew. Their lives were both gloriously individual and yet somehow universal. They played on Broadway and in Washington. They had glamour, style, and intelligence. They dressed up the world. Vivid, intimate portraits, a splendid tribute to ten of the century's grandest, most powerful women. Us. These women were our geishas, whispering in our ears to influence all aspects of American life. Susan Salter Reynolds, Los Angeles Times. Delectable, classy, a runaway hit. Liz Smith. An engrossing introduction to a way of life that's now extinct, for better or for worse. Chicago Sun Times.
