Elysium Dreams Dreams And Reality Series:

Cannibal Dreams Haden James, 2015-02-13 Some family trees need trimming When pairs of feet start turning up in Columbia Missouri it becomes apparent that a serial killer is prowling the streets However the feet are not giving away many secrets and without bodies it is impossible to identify the victims The investigation stalls and the killer is free to slaughter as many victims as he can find When Aislinn Cain and the SCTU shows up Aislinn realizes that this isn't a new serial killer He's terrorized her hometown before Her father worked the case the first time with only an exotic bite mark as a clue Now Aislinn will start the manhunt of her life as she becomes determined to catch the monster that eluded her father As she sinks further into the hunt she'll uncover a horrifying past that proves skeletons should stay locked in closets *Explosive Dreams*

Haden James, 2015-11-23 Bright midway rides with loud music and flashing lights barkers trying to get people to spend money on rigged games the normal sounds of county fairs everywhere until an explosion rips through the tinny music of the carnival rides Now the screams are not squeals of delight but the terrified shrieks of the dying The danger is no longer imaginary something to shrug off when the ride is over A killer is studying each fair looking for that special ride that will rain down the most horror The bombs he sets brings complete destruction They leave a dirty field covered in broken bodies and crumpled machinery The Serial Crimes Tracking Unit has their hands full searching for his next target and sifting through bodies Aislinn Cain is having trouble getting into the mindset of the bomber Her failure to relate makes the body count climb Then the unimaginable a member of the SCTU gets cut down How far will Aislinn go to get justice for her fallen friend and catch the killer **Mercurial Dreams** Haden James, 2015-02-13 Aislinn Cain and the Serial Crimes Tracking Unit are

being sent to the hottest place in North America to investigate mummified remains that were found in Death Valley When Xavier Reece uncovers elemental mercury in the heart of one of the mummies they discover there is more than Mother Nature at work The victims have matching injuries but only one of the bodies reveals the liquid metal raising questions about how many killers are using the valley as a dumping ground The team will have to use extraordinary means to connect all the victims to a single killer However with most of the victims unidentifiable due to the condition of the remains their usual procedures of investigation are impossible With 32 bodies already found how high will the body count rise before Aislinn Cain and the SCTU can capture this killer **Triggered Reality** Haden James, 2017-03-31 For most of Kansas City it was a

beautiful spring day For Eric Clachan it was the day he would get justice through bloodshed A rifle would ensure that the spree killer would never destroy another family He wouldn't stop there Eric had a list of other targets inside the prison walls Targets that would ensure justice would change A single day would change the world and pave the way for the US Marshals to become the baddest serial killer hunters in the world Eric knew this as he looked down the scope and took aim Max Goff needed to relax His life had become overwhelming He should have gotten a massage and spent a day with friends Instead he stole a car and began a killing spree that would terrorize an entire city Until the newly formed US Marshals Serial Crimes

It's nearly Thanksgiving which is enough to cause anxiety for anyone planning a big family gathering. In Nadine Daniels' world it's a reason to panic. As Nadine works to find out who is trying to kill her friends and family, she uncovers a vile plot that threatens to tear apart her entire world. She must battle to keep everyone safe and sane through a Thanksgiving meal that might be everyone's last. **The Dysfunctional Honeymoon** Haden James, 2015-02-13. The Russian Mob didn't firebomb the church. A freak tornado didn't wreak havoc on the reception. Nadine Daniels managed to get married without incident. However, she soon discovers that it was only because Fate was plotting to ruin the honeymoon. Now she and Zeke, her new husband, are on the run because his past has come back to haunt them both. She'll gain all her demon powers and have eternity to learn to use them. But maturing has a drawback: for the next month, she's mortal. Prophecy says she'll become one of the most powerful beings on Earth. There's a long list of beings who fear and loathe the power that Brenna might gain and are willing to take advantage of her status as a mortal. However, when one of her own family members is involved in plotting her death, it's becomes about more than just survival. **Movement in the Shadows** Haden James, 2021-07-02. The Dead Don't Fear Demons. Soleil Burns has finally accepted her connection to the Stygian and all that comes with it. She's halfway through her training to get her private investigator's license when the AESPCA crashes into her office to accuse her of summoning homicidal demons. To add to the confusion, a routine exorcism goes awry when Soleil discovers a cambion parasitically attached to the demon she's exorcising. Cambions are the offspring of demons and the living, and there hasn't been one on Earth for over five hundred years. There is only one place Soleil can get answers: The Stygian and the Hell Princes that inhabit it. Traveling to The Stygian is easy enough for Soleil but comes with risks. The Hell Prince Belial is desperate to obtain her soul. Most Hell Princes have a sense of fair play; Belial is not. Most Hell Princes tried to obtain her soul by consuming her body during their last encounter. The encounter, which took place on Earth, resulted in the loss of Soleil's wings. Soleil has serious concerns about encountering him in The Stygian. The murders are being committed on nights of the new moon. Realizing the new moon is a few days away, Soleil will set aside her personal safety to get the answers they need to stop the murder from happening. Also, she needs to find the demon doing the killing and the being summoning it. Proving she's innocent will require Soleil to learn more about demons and The Stygian as well as force her to expand her magical skills. **Elysium Dreams** Haden James, 2013. He skins his
