**Connection** John Korsh, 2025-07-21 **AFTER READING THE NEXT CONVERSATION ARGUE LESS TALK MORE BY**

**JEFFERSON FISHER 9 Lessons I Learned About Conflict Communication and Connection Tools for Healthier Dialogue** Personal Reflection Let me tell you a story about a couple in Houston Married twelve years Two kids Mortgage The works On a Tuesday evening not unlike any other they re sitting across from each other in a quiet kitchen A plate of pasta between them The conversation starts with the dishwasher It ends with someone storming out of the room And if you ask either one of

them what happened they'll both say the same thing We weren't even arguing That's the curious part We think conflict begins with yelling but often it starts in silence small silences A withheld opinion A delayed response A tension that builds not from what's said but from what's left unsaid We tell ourselves we're being polite mature even But what we're really doing is letting resentment thicken like fog This book is not about mastering debates or learning how to win verbal duels It's about that fog About how we get lost in it And about the small shifts the barely noticeable turns of phrase the pauses the reframing that can suddenly bring clarity Grab a copy of this book now

**The Crazy Busy Cure** Zena Everett, 2021-11-16

How we spend our time is one of the greatest indicators of how successful we will be We achieve our goals when we ruthlessly prioritise tasks and people that are important to us If we focus our time energy and attention on the wrong things we will never achieve the success or happiness that we aspire to The problem is that these wrong things the low value low impact tasks that distract us from our priorities are hard to ignore They scream out at us all day digital distractions other people's urgent demand for five minutes that's never five minutes the meetings that you shouldn't be in the pointless email chains the reports you write that don't get read We get a dopamine hit from ticking these tasks off a list It's got us hooked on crazy busyness But all we are doing is scratching off a layer of fake work on top of the real valuable work The Crazy Busy Cure is full of intensely practical tips to save people from this addiction and instead become productive again Jammed with practical productivity solutions to use immediately the book introduces concepts such as being like lions and chasing antelopes not field mice Lawn Mower Managers who clear the path not clog it the PIMP process for prioritisation and the Head Space model for understanding where your time goes In this lively read executive coach and organisational psychologist Zena Everett draws from her many thousands of hours and coaching and speaking to people and organisations about productivity blockers and how to shift them She advises how to manage other people's work as well as your own and explains how these practices apply to virtual working including chapters on staying energised and productive when working remotely and influencing on Zoom The chapter on neurodiversity also offers productivity hacks for people with learning and thinking differences like dyspraxia and attention deficit disorder Read this book and regain your productivity
