The Last Supper Paul Elie, 2025-05-27 This enthralling group portrait brings to life a moment when popular culture became the site of religious strife strife that set the stage for some of the most salient political and cultural clashes of our day Circa 1980 tradition and authority are in the ascendant both in Catholicism via Pope John Paul II and in American civic life through the Moral Majority and the so called televangelists But the public is deeply

divided on issues of body and soul devotion and desire Enter the figures Paul Elie calls cryptoreligious Here is Leonard Cohen writing Hallelujah on his knees in a Times Square hotel room Andy Warhol adapting Leonardo's The Last Supper in response to the AIDS pandemic Prince making the cross and altar into signs of the times Through Toni Morrison spirits speak from the grave Patti Smith and Bruce Springsteen deepen the tent revival intensity of their work Wim Wenders offers an angel's eye view of Berlin U2 the Neville Brothers and Sinéad O'Connor reckon with their Christian roots in music of mystic yearning And Martin Scorsese overcomes fundamentalist ire to make The Last Temptation of Christ a struggle that anticipates Salman Rushdie's struggle with Islam in The Satanic Verses In Elie's acclaimed first book The Life You Save May Be Your Own Catholic writers ventured out into the wilds of postwar America in this book creative figures who were raised religious go to the margins of conventional belief calling forth controversy Episodes such as the boycott sparked by Madonna's Like a Prayer video and the tearing up of Andres Serrano's Piss Christ in Congress are early skirmishes in the culture wars but here the creators not the politicians are the protagonists and the work they make speaks to conflicts that remain unsettled The Last Supper explores the bold and unexpected forms an encounter with belief can take It traces the beginnings of our postsecular age in which religion is at once surging and in decline Through a propulsive narrative it reveals the crypto religious imagination as complex credible daring and vividly recognizable
